

Newsletter, Volume 8, 2002

Greetings to the lost sheep of the house of Israel. This is our last newsletter for the year 2002 and we want to thank our readers, our radio and internet audience and the tape ministry congregation for your faithful prayers and financial support throughout this 2002 year.

It's been a very challenging year for Pastor Peters and he is most grateful for your prayers, knowing that without them he may well have not made it to the year's end. It's been a very blessed year as well, thanks to the prayers of the saints and the gracious love and mercy of our blessed Lord Jesus Christ, who saves us from our sins and from our enemies and heals our infirmities.

"Now to the King eternal, immortal, invisible, the only God, be honor and glory for ever and ever. Amen." I Timothy 1:17

As this newsletter goes to print we have just returned from a very blessed gathering with the saints in the Little Rock, Arkansas area and enjoyed seeing and preaching with Col. Jack Mohr. He has been a stalwart and faithful Christian soldier and did a good job preaching, though he had to sit while doing so. His legs don't support him as well as they used

to, but he does well for being 88 years old, and he still pounds away on his word processor putting out excellent work. Keep him in your prayers.

The Apostle Peter has prophesied of major earth and heaven changing events. It is the opinion of the preacher Peter John Peters that the Spring of 2003 is going to be most interesting. Heed to the words of II Peter 3:9-14:

"The Lord is not slow about His promise, as some count slowness, but is patient toward you, not wishing for any to perish but for all to come to repentance. But the day of the Lord will come like a thief, in which the heavens will pass away with a roar and the elements will be destroyed with intense heat, and the earth and its works will be burned up. Since all these things are to be destroyed in this way, what sort of people ought you to be in holy conduct and godliness, looking for and hastening the coming of the day of God, on account of which the heavens will be destroyed by burning, and the elements will melt with intense heat! But according to His promise we are looking for new heavens and a new earth, in which righteousness dwells. Therefore, beloved, since you look for these things, be diligent to be found by Him in peace, spotless and blameless..."

NEW NEWSLETTER FORMAT AND NEW TAPE MINISTRY POLICY

You will note that our featured newsletter article is on the subject of deception. This preacher has delivered three messages on the subject to be sent out on the Scriptures for America tape ministry. The enclosed article supplements those messages. We intend to change the format of our newsletter so that the featured article can stand on its own and be ordered separately in the future. Feel free to copy our featured articles and pass on, or order more from us as you wish.

Concerning our tape ministry policy, we are finding that it is not economically wise to have you return the tapes to us, considering the mail room cost of re-handling them, changing labels, erasing and then re-recording on them. We find that with our high speed duplicator machines that a larger number of the used tapes cause recording problems and then we have to re-check those tapes. Thus, we ask that when you are done listening to the tapes you pass them on rather than return them to us. Some have suggested putting them under the windshield wipers of cars in church parking lots, leaving them at truck stops or restaurants, or mailing them anonymously to someone. Use your imagination and pass them on as an evangelistic, outreach effort. You'll be surprised how many may listen just out of curiosity. Use a little prayer in such evangelistic efforts of planting seeds.

This new policy means that some on our tape ministry need to at least send some minimum periodic support to stay on the tape ministry, rather than return the tapes.

We thank our Heavenly Father for all of our faithful supporters that allow us to do this work.

PREVIEW OF MESSAGES FOR THE SCRIPTURES FOR AMERICA TAPE, RADIO AND INTERNET CONGREGATION

Concerning the subject of deception, we have three messages coming out on the tape ministry addressing this subject, **Tapes 939, 941 & 943**. These will give you much needed information to keep you from being deceived.

A most important message to hear is entitled **"Radio Broadcast on Luke 11:21", tape #938**. This message is for those men who want to successfully wage spiritual combat against the rebellious, witchcraft-like, matriarchal, evil spirit that has engulfed our land and who want to protect their wives & children from it.

Tape #942, entitled **"The Babble of Babylon and the Deceptive Spirit of War"** is taken from our November 20, 2002 evening WWCR shortwave radio broadcast and exposes how news networks put people in a confusing spell and why there is no real opposition to the war in Iraq.

The No-Devil-Doctrine is going to be addressed in the future as well as the subject of Masonry and Christianity. You should find these messages of great interest.

WEB SITE: www.scripturesforamerica.org

Remember, our daily and nightly radio programs are archived at our web site for thirty days. We also have a new "Thought For The Day" writing posted there. Recently we wrote and posted to the website some new information on the smallpox vaccinations the government is going to TRY and force you and I to take. Take a look at this interesting information.

Presently our radio broadcasts can be heard live at our website via Internet streaming. We are considering live video streaming of the LaPorte Church of Christ Sunday morning church services, and possibly live video streaming of our daily radio programs as well. This would quite possibly reach an entire new audience with which to share the Gospel of Jesus Christ. This would, however, require purchasing several thousand dollars of equipment to make it all happen. We would like to hear from you if you would be in favor of this and if you would use this live Internet video viewing of church services and the radio broadcasts.

GOOD BOOKS FOR YOUR LIBRARY

The Incredible Scofield and His Book, by Joseph Canfield—This 300 page hard-back, fully-documented book fits well with our feature article on deception. It not only exposes Dispensationalism, but also exposes the paid-agent and lying, deceiving snake behind it. Available for a \$20.00 offering from Scriptures For America, PO Box 766, LaPorte, CO 80535.

Not Of One Blood, by Charles Weisman. In 1999, a lying, deceptive, anti-Christ propagandizing book entitled One Blood, The Biblical Answer To Racism, slithered into Bible bookstores throughout America, and its jewish poison seeped into the minds of gullible, deceived Judeo-Christians. It used Acts 17:26 as its major theme. Mr. Weisman's little 64 page book exposes and trashes the deceiving jewish propaganda. Not Of One Blood will reveal:

- That Christian leaders today are hypocrites and humanists in dealing with racial issues.
- Most Christian "creationists" promote the concept of evolution.
- The proper evaluation of Acts 17:26 which is consistent with Scripture and science.
- Why ministers and churches have failed us by compromising the truth about race for prestige and big congregations (Tit. 1:11).
- The media is biased and "racist" in its reporting and has corrupted the thinking of the public on racial matters (1 Cor. 15:33).

This material and the references it supplies will expose the error of the equality doctrine. Available for a \$7.00 offering from Scriptures For America, PO Box 766, LaPorte, CO 80535. We know these books will be of great benefit to you and to your library.
