

**Personal  
from the  
Editor's Pen**

As this DragonSlayer Newsletter Volume 2 goes to print, we are packing and planning on traveling to Charlotte, NC to hold a Scriptures For America weekend conference (February 14 & 15) and to attend the National Religious Broadcasters Convention. This year, at the NRB Convention, we will host a Scriptures for America booth with a large display map of the true migration of the twelve tribes of Israel and have free material to pass out. We will also have CD's, tapes, and literature on the Vote for Jesus in 2004 campaign.

This preacher just returned from a blessed Scriptures for America conference in Phoenix, AZ, and is currently proofing the book he just wrote that is advertised in this newsletter. Needless to say, life is very busy here at this ministry and adding two extra broadcast hours a week on Sunday evenings (on WWCR frequency 3.210) has been a challenge.

We have gone to the added expense of setting up a DSL line at the church so now we can have good quality live internet video streaming of the Sunday morning church service. Hundreds of families are now attending the LaPorte Church of Christ via the internet and partaking of Communion with us.

The word "LaPorte" is a French word meaning "the door". Perhaps two of the most important sermons recently preached there (from the prophet Isaiah) are "Enter the Rock" # 982 and # 983, "Enter Thy Chambers and Close Thy Doors". In light of what is fast coming down upon us, it is imperative you understand what Isaiah is telling us to do. How does one enter the rock (Isaiah 2:10) and what does it mean in *Isaiah* 26:20? What is the door?

If you are not on the Scriptures For America tape ministry, then you need to order these two tape messages to find out. Also, look for the feature article **“Downsizing God”** in our next issue of the Dragon-Slayer.

We are sorry to report that we have had to cancel the Rocky Mountain Family Bible Camp scheduled for June 30-July 4, 2004, due to some facilities there being unavailable to us this year. We are now looking for facilities to hold several week-end meetings elsewhere around the country. If you have suggestions, please let us know.

We are happy to report this newsletter has been printed on our brand new, state-of-the-art Konica 7085 production printer. This new printer prints directly from the computer, and it collates, folds, staples and trims all in one process. It cost a lot of money, but we needed it so very badly. We will also use it to print our newest book, “Solar Sanity verses Lunar Lunacy”. We thank those of you who have helped us get this new piece of equipment.

Please remember we need your prayers and financial support, and that God does bless the tither. We still have other equipment needs plus our display booth costs at the NRB, the additional radio time on Sunday evenings, purchasing the DSL line, traveling, etc - this is all quite expensive, in trying our best to do our part. I thank those of you who do your part in supporting us.

Sincerely Stomping Snakes

Peter J. Peters

## Schedule for 2004

We regret that we have had to cancel our scheduled Rocky Mountain camp gathering outside of Denver, CO due to some of the facilities there being unavailable to us this year. We intend to schedule several weekend gatherings elsewhere across the country to replace this.

**\*\*April 2—Passover in LaPorte, CO.**—Local gathering to celebrate the Passover and partake of Communion @ the LaPorte Church of Christ, Friday April 2nd.

**\*\*May 28–30 in Branson, MO.** —Plan now for this year 's Branson, Missouri Memorial Day Weekend Rally, May 28–30, scheduled at the beautiful Guesthouse International Star Conference Center, 2325 W. Hwy 76 in Branson, MO.

**\*\*August 20–22 in Waupaca, WI.**—We invite you to join us for a blessed spiritual retreat and reunion in the beautiful countryside of Waupaca, Wisconsin, August 20–22. As at past Wisconsin gatherings, the food will be prepared by volunteers from our own local group of Christian believers. The camp is a very nice facility, including a new meeting hall, the lodge and kitchen, as well as the rustic cabins, on a scenic lake.

## **THE ASSYRIAN ENEMY WITHIN**

By Pastor Peter J. Peters

*The kings of the earth did not believe, Nor did any of the inhabitants of the world, That the adversary and the enemy Could enter the gates of Jerusalem. Lamentations 4:12 NAS*

We have laid some groundwork for this article in the last two newsletters. In Volume 6, 2003, we wrote of the need to think outside the box and in Volume 1, 2004, we introduced thoughts to counter a foundational lie in America that all people are created equal by the Creator.

Some are created and raised up to be enemies of God's people. Enemies by instinct -enemies genetically, just as wolves are genetically engineered to be enemies of sheep. For those of you that are a part of the Scriptures for America tape, radio, and internet ministry, you have heard our Bible sermons and lessons about such enemies. These sermons and lessons point out such Bible terms as snake, scorpion, wolf, dogs, thorns, pricks, tares, children of the devil, etc. In this article, we shall come to better understand the prophetic term "*Assyrian*".

Lately, many are beginning to understand that there is a war being waged. The term people use to identify the enemy in this war is "*they*". Well, if there is a "*they*" then there is an "*us*". The "*us*" in this war versus the enemy is identified in *Luke* Chapter 1: "*Blessed be the Lord God of Israel, for He has visited **us** and accomplished redemption for **His people** . . . Salvation from our enemies and from the hand of all who hate **us**.*" – *Luke* 1:68, 71. (Emphasis added).

The following quote is taken from a Fox News

story entitled “*Religious Restrictions or Religion’s Censorship*”:

“Some, like *War on Christianity* author David Linbaugh, say the list of examples is long and is evidence of an undeclared cultural war on religion.” Notice how the snake journalist still cleverly obscures the truth with the words “*cultural war*” and “*on religion*”. The enemy is warring against God’s people; thus it is not a cultural war but a race war. A war against that part of the white race that comprises God’s people, Israel, and it is not against religion but against “*Christianity*”.

America is in Bible prophesy, but the majority of the preachers in America deny this or do not know this. It is much more politically correct and economically and socially beneficial to state that the cursed, bastardized state of Israel today is the nation of Bible prophesy. One man recently reported of a television preacher asking 13 well-known ministers the following question: “*What is the greatest thing in prophesy today?*” Twelve responded by saying, “*The manifestation of the Israeli state in 1948.*”

*Micah*, Chapter 4, foretold the latter day formation of a great nation. The formation of America was very unique. We carry the book, *America, Free, White, and Christian*, and it is available for a \$9.00 offering. The following quote is taken from its introduction:

*“The evidence and facts revealed in this material is intended to show the true, legal foundations of America as to how and why it was legally established as a free nation, a white nation, and a Christian nation.”*

In *Micah* 4:10 we are told that the prophesied nation went to Babylon, but the nation would be redeemed from the hand of the enemy (just as we read in *Luke* 1: 68, 71): “. . . and go to Babylon. There you

*will be rescued; there the Lord will redeem you from the hand of your enemies.”* In Chapter 5 of Micah one of the enemies is identified as “*the Assyrian*” and Verse 5 and 6 speaks of the Assyrian invading the land and trampling our territory.

*And this one will be our peace. When the Assyrian invades our land, when he tramples on our citadels, then we will raise against him seven shepherds and eight leaders of men, and they will shepherd the land of Assyria with the sword, the land of Nimrod at its entrances; and He will deliver us from the Assyrian when he attacks our land and when he tramples our territory. - Micah 5:5-6 NAS*

Micah 7:15-17 tells us we will see miracles like happened in Egypt and these snakes, who have already built their underground cities, will be driven from their dens:

*As in the days when you came out from the land of Egypt, I will show you miracles. They will lick the dust like a serpent, like reptiles of the earth. They will come trembling out of their fortresses; to the Lord our God they will come in dread, and they will be afraid before Thee.*

What happened to God’s people in Egypt of old is what happened to them in America of late. The Egyptian’s country, government, and military were taken over by another people; and, those people conspired and enslaved God’s people. It was the people God’s word calls the “*Assyrian*” who did it. “*For thus says God, ‘My people went down at the first into Egypt to reside there, then **the Assyrian** oppressed them without cause.’*” – Isaiah 52:4 (emphasis added).

Isaiah, Chapter 10, tells us that the Assyrian is a chastising rod in God’s hand to be used to **trample** His people (same terminology used in Micah 5:6).

*Woe to Assyria, the rod of My anger and the*

*staff in whose hands is My indignation, I send it against a godless nation and commission it against the people of My fury to capture booty and to seize plunder, and to trample them down like mud in the streets. Yet it does not so intend nor does it plan so in its heart, but rather it is its purpose to destroy, and to cut off many nations.*  
– *Isaiah 10:5-7 NAS.*

Isaiah explains the reason for God's anger against His people. It's the same old story - the people prospered and became idolaters. (Remember the Bible teaches us in *Colossians 3:5* that greed is idolatry. God's people became greedy and materialistic and they put things and stuff ahead of their God). The following quote of *Isaiah*, Chapter 2, is taken from the Septuagint Bible:

*Now therefore, O house of Jacob, come, let us walk in the light of the Lord. For He hath abandoned His people, the house of Israel. Saith the Lord, 'Because their land was filled as at first with divinations like that of the Philistines, and many strange children were born to them; for their country was filled with silver and gold, and there was no counting their treasures; and their land was filled with horses, and there was no end to their chariots; and the land was filled with abominations, the workmanship of their own hands; and they worshipped the things which their fingers had made, and the commoner bowed down and the noble humbled himself; therefore, I will not forgive them.* – *Isaiah 2:5-9 Septuagint.* (Emphasis added).

Going back to *Isaiah*, Chapter 10, we learn that the Assyrian enemy went beyond its commission to trample and plunder (Verses 5,6); but sought to totally destroy God's people who now made up many nations as well as America, as was prophesied in *Genesis 17:5*:

*Ho! [The] Assyrian! The rod of My wrath, even Mine anger is in his hands, I will send this anger*

*of Mine to a lawless nation; and I will order this people of Mine to gather spoil and take the prey, and to trample down cities and lay them in the dust. But he did not harbour such thoughts; nor did he reason thus in his mind; but his mind will prompt him to destroy nations not a few. – Isaiah 10:5-7 Septuagint.*

Isaiah 10:13-15 tells us the arrogance that comes upon the Assyrian, as a result of his success, brings upon him God's wrath and a burning flame of fire. (The serious, studious reader should read these scriptures). Verses 24 though 26 tell us not to fear the Assyrian enemy because he shall be destroyed in the fashion of the Gideon story and the Red Sea story.

In the destruction that is coming, many of God's people will be destroyed as well. It will be the remnant that is saved. (How sad to see the false doctrine of everyone getting saved – i.e., the so-called restitution of all things permeating certain ranks, in light of the very great and real destruction at hand).

*For though your people, O Israel, may be like the sand of the sea, only a remnant within them will return; A destruction is determined, overflowing with righteousness. For a complete destruction, one that is decreed, the Lord God of hosts will execute in the midst of the whole land. – Isaiah 10:22-23 NAS.*

One of our listeners alerted us to a book entitled the Red Mafia. It tells of Jewish criminals invading America from Russia and it's interesting to note, on page 119 under the Chapter heading of "Invasion of America", the following:

*In many respects, Ivankov does survive. Not only did he pave the way for the Russian Mafia's second wave to invade America, putting in place a significant web of businesses and criminal relationships, a legacy that could later be exploited by other mobsters, but, according to several North American law enforcement agencies and Italian crime bosses, Ivankov con-*

*tinued to run a sophisticated crime empire from the federal prison in Lewisburg, giving orders in ancient dialects like Assyrian and using criminal codes the FBI has yet to master. (Emphasis added).*

The following quote from the same book speaks for itself:

*A large part of the problem was political: the Russian mob was predominantly Jewish. It was for that reason, asserted Campanella and other New York State and federal law enforcement officials, that seven years after Campanella's two-man Russian mob unit in the NYPD was inaugurated, it was shut down in a highly politicized, characteristically New York City type of reaction. The effort had come under considerable criticism from the Jewish establishment, which complained that the adverse publicity generated in the hunt for Russian Jewish criminals would foster anti-Semitism and jeopardize the continued emigration of Russian Jews to Israel and the West.*

Back to the story of the thirteen well-known ministers and the question posed to them: “*What is the greatest thing in prophesy today?*” One of the thirteen answered that it was “*deception*”, prophesied deception in every facet of life. What a deception to call anti-Christ people God’s chosen people and for other churches to safely proclaim the church as spiritual Israel.

God is going to burn the tares – i.e., the sons of the evil one (*Matthew 13:37-43*).

*Let Thine enemies feel Thy hand, and thy right hand find out all that hate thee. Thou wilt make them like an oven of fire, at the time of Thy presence. The Lord with His wrath will confound them, and a fire shall devour them. Thou wilt destroy their fruit from the earth and their seed from among the sons of man.”*  
– *Psalms 11:8-9* Septuagint translation. **PJP**

## **EQUIPPING HIS KINGDOM**

*“God is spirit, and those who worship Him must worship in spirit and truth.” John 4:24 (NASB)*

**The Spirit has limited power without Truth (the Word). The Truth has limited power unless activated by the Spirit.**

**One is ineffective without the other.**

**Prayer and Faith is the catalyst, releasing the Word and the Spirit for a penetrating ministry.**

The snakes among us have skillfully disarmed us. They have turned our land into the devil’s playground. We have been blinded and divided with the leaven of false doctrine, deceit and destruction.

**We are offering a series of 7 teaching tapes, which were recently broadcast, entitled  
“The Work and Ministry of the Holy Spirit”**

**By Pastor Gene Applegate**

**Tape #1: Introduction- “The Word of Wisdom”**

Supernatural wisdom of the Holy Spirit is desperately needed for guidance in our daily warfare against the enemy

**Tape #2 – “The Word of Knowledge”**

Revealed knowledge given by the Holy Spirit equips us to come against the **forces** of evil with insight, understanding of their battle plans

**Tape #3 – “The Gift of Faith”**

The Holy Spirit supernaturally imparts faith to the believer for situations needing miraculous intervention or provision

**Tape #4 – “The Gifts of Healing”**

God heals and deliver us from the many diseases and infirmities found within His kingdom-He needs a healthy army to wage both physical and spiritual warfare. Israel left Egypt without a single infirmity

### **Tape #5 – “The Working of Miracles”**

God performs miracles for his people today just as he did in the Old Testament. He provides resources and supplies to us miraculously. He wants his people well equipped for battle.

### **Tape #6-“Prophecy & Discerning of Spirits”**

The *prophetic word* reveals God’s plans and purposes for future events + Special anointing of the Holy Spirit for preaching and teaching the Word. God does not keep secrets from these people; he reveals his plans to us. *Discerning of spirits* exposes the ungodly spirit and motivation of the snake. The enemies of God are revealed. Those who pretend to be Sons of God, but are not, are exposed. The spies of the enemy cannot deceive the believer.

### **Tape #7 – “The Gift of Tongues & Interpretation of Tongues”**

This teaching has already been sent out on the tape ministry. It deals with the proper use and purpose of “unknown tongues”. God gives us explicit direction concerning the use of “tongues” in 1 Corinthians 14. Many in the “Pentecostal Movement” have violated these directives, resulting in distortion and rejection. This opens the door for counterfeit works of the enemy and the outrageous demonstrations of carnal flesh.

The Gifts of the Holy Spirit ARE NOT the exclusive property of the Pentecostals. We cannot allow the abuse of “tongues and interpretation” to steal the mighty power of the *other seven gifts* of the Holy Spirit from us.

# Why Is It So Difficult to Believe ..?

by CHUCK KUHNER, *Pastor*

It was not possible to complete the full title of this message in the headline, but it would read, **WHY IS IT SO DIFFICULT TO BELIEVE THAT THE EUROPEANS (Caucasians) COULD WELL BE THE LOST TRIBES OF ISRAEL?**

Many within the religious world consider that the Israelites were simply a small group of "*hill tribes*" residing in the Middle-east region some 3,000-4,000 years ago, and that they have completely disappeared from the face of the earth, and are not to be found today.

Let us consider this issue from the standpoint of numbers of people. In *Genesis* 46:27, we are informed that ". . . *all the souls of the house of Jacob, which came into Egypt, were three score and ten.*" In retrospect, a total of seventy men, of the house of Jacob went into Israel.

[NOTE: It should be realized that in a census of Israel, only MEN between the ages of 20 and 50 - those who could carry a sword to fight - were counted. Women, the young, and the aged were not counted in any census.]

Some 400 years later, at the time of the Exodus, the number of men in Israel had grown to 603,550 (see *Exodus* 38:26); surely a prolific increase from the 70 souls who entered Egypt some 400 years previously.

At the census conducted by David (circa 1100 B.C.), there were a total of 1,300,000 men, with 800,000 from Israel and 500,000 from Judah (see *II Samuel* 24:9), a sizable force even by today's standards.

Based upon Scriptural figures given of these two censuses of all Israel men, it has been possible to build a computer model of all Israelites to calculate the total including women, children, and the aged. The number obtained through this computer model was calculated in excess of SIXTEEN MILLION PEOPLE! Further, the computer has projected that after an additional 400 years from David's census the number of Israelites from both Israel and Judah would be in the neighborhood of 20-22 million people. We are not talking about a few "*hill tribes*." We are talking about tens of millions of people!

After the death of Solomon in 931 B.C. the Israel kingdom was divided as foretold by Almighty God in *I Kings* 11:9-11. Israel was the northern kingdom consisting of ten of the tribes with its capital at Samaria. The southern kingdom of Judah consisted of two tribes (Judah and Benjamin) with its capital in Jerusalem (see *I Kings* 11:13, 32, 36). Each of these kingdoms had distinct and separate prophets with Hosea being a prophet to Israel, and Jeremiah a prophet to Judah.

Suffice it to say that in the next 200 years, during the reign of 18 kings that the house of Israel allowed sin to increase. Finally, the patience of God had reached its end and the Almighty moved the Assyrian empire to invade and conquer the northern kingdom of Israel. [Note: Is history about to repeat itself today as our Father's patience with His sinful people must be reaching a zenith.]

Commencing in 741 B.C., and continuing for about a 65-year period lasting until 676 B.C., three Assyrian kings took Israel captive. The prophet Isaiah had well prophesied this in 7:8, "*Within three score and five years shall Ephraim (a name for Israel) be broken that it be not a nation.*"

The ten tribes (Israelites) were carried away to the land of Media as found in *I Chronicles* 5:26, *II Kings* 17:4-6, and 18:9-12. While many refer to the lost ten tribes, we find in the following scripture in *II Kings* 18:13, "Now in the fourteenth year of king Hezekiah did Sennacherib, king of Assyria come up against all the fenced cities of Judah, and took them." The lost ten tribes, with this scripture, have now become the lost twelve tribes. Only the city of Jerusalem remained as the angel of the LORD moved against the Assyrians and they withdrew, leaving Jerusalem intact (see: *II Kings* 19:35).

It should be understood that during the years of the Assyrian incursions/invasions, some of the Israelites/Judahites fled to other areas, founding Carthage in North Africa, and to Greece, Italy, France, Asia Minor, and other geographic locations.

Close to 200 years later, circa 520 B.C., the king of Babylon, Nebuchadnezzar, moved against the city of Jerusalem and removed almost 900,000 inhabitants to Babylon. This is what is known as the seventy weeks prophecy of *Jeremiah* 25:11-12. Seventy years later, we are informed in *Nehemiah* 7 and *Ezra* 2 that 42,000+ returned to rebuild the city of Jerusalem.

What happened to the other 850,000 missing inhabitants of old Jerusalem? And further, what happened to the combined total of 20-22 million Israelites/Judahites?

Did these peoples (tribes) disappear off of the face of the earth? Given the lack of concern and attention that the early "established church" and modern-day "churchianity," has given to the matter, you could make that presumption.

But God has told us that the Israelites are with us even to this very day. In *Jeremiah* 31:35-36 we are told, "Thus saith the LORD, which giveth the sun for a

*light by day, and the ordinances of the moon and the stars for a light by night, which divideth the sea when the waves thereof roar; The LORD of hosts is his name; If these ordinances depart from before me, saith the LORD, then the seed of Israel also shall cease from being a nation before me forever.”* The sun, the moon, and the stars are still with us, and therefore Israel must still be a presence in the world today.

The Jewish historian, Flavius Josephus, writing during the mid-to-late years of the first century wrote, “*Wherefore there are but two tribes in Asia and Europe subject to the Romans, while the ten tribes are beyond Euphrates till now and are an immense multitude, and not to be estimated in numbers.*” [1]

In the Apocrypha, in the Book of *II Esdras* 13:39-46 we read, “*And whereas thou sawest that he gathered another peaceable multitude unto him; Those are the ten tribes. Which were carried away prisoners out of their own land in the time of Osea the king, whom Salmanaser the king of Assyria led away captive, and he carried them over the waters, and so came they into another land. But they took counsel among themselves, that they would leave the multitude of the heathen, and go forth into a further country where never mankind dwelt. That they might there keep their statutes, which they never kept in their own land. And they entered into Euphrates by the narrow passages of the river. For the most High then showed signs for them and held still the flood, till they were passed over. For through that country there was a great way to go, namely of a year and a half; and the same region is called Arsareth. Then dwelt they there until the latter time; and now when they shall begin to come, the Highest shall stay the springs of the streams again, that they may go through: therefore sawest thou the multitude with peace.”*

The historian, Herodotus, also makes mention of the migrations of these people, as does Sharon Turner, the great Anglo-Saxon historian.

In Scripture we find the following references. In *Hosea 1:10-11* we read, "*Yet the number of the children of Israel shall be as the sand of the sea, which cannot be measured nor numbered; and it shall come to pass, that in the place where it was said unto them. Ye are not my people, there it shall be said unto them, Ye are the sons of the living God. Then shall the children of Judah and the children of Israel be gathered together, and appoint themselves one head [Christ Jesus] and they shall come up out of the land; for great shall be the day of Jezreel . . .*" (a joining together of two into one).

In *II Samuel 7:10*, we read, "*Moreover I will appoint a place for My people Israel, and will plant them, that they may dwell in a place of their own, and move no more; neither will the children of wickedness afflict them anymore as beforetime.*" Where was this future place that God had in mind for Israel? They were in Canaan land (Palestine) at the time of this prophecy.

In *Genesis 17* (the Abrahamic Covenant), verses 4-7, "*As for me, behold, my covenant is with thee, and thou shalt be a father of many nations. Neither shall thy name any more be called Abram, but thy name shall be Abraham; for a father of many nations have I made thee . . . And I will make thee exceeding fruitful, and I will make nations of thee, and kings shall come out of thee. And I will establish my covenant between me and thee and thy seed after thee in their generations, for an everlasting covenant, to be a God unto thee, and to thy seed after thee.*" This is an "unconditional" covenant!

In *Genesis 22:18*, we read, "*And in thy seed shall all the nations of the earth be blessed. . .*" Fur-

ther, in *Genesis 26:4*, we read of the same blessings conveyed upon Isaac, "*And I will make thy seed to multiply as the stars of heaven, and will give unto thy seed all these countries, and in thy seed shall all the nations of the earth be blessed.*" This would indicate that "all nations" would be "blessed" through a race of people. What people fit that role? Surely not the Talmudist rabble of the Israeli!

In *John 7:35* we read, "*Then said the Jews among themselves, Whither will he go. That we shall not find him? Will he go unto the dispersed among the Gentiles. . .?*" Obviously, the Jews of Jesus' time were well aware of the location of the dispersed Israelites.

In *I Peter 1:1-2*, we read, "*Peter, an apostle of Jesus Christ, to the strangers scattered throughout Pontus, Galatia, Cappadocia, Asia and Bithynia. Elect [chosen] according to the foreknowledge of God the Father . . .*" Throughout scripture, Israel is referred to as being the "elect" and "chosen" of the Almighty.

In *James 1:1*, we read, "*James, a servant of God and of the LORD Jesus Christ, to the twelve tribes which are scattered abroad, greeting.*" How is it that James knew that the twelve tribes of Israel were scattered abroad, and were not located in Palestine at that time?

And in *Matthew 10:5-6*, we have the words of Jesus instructing his disciples, "*These twelve Jesus sent forth, and commanded them saying, Go not into the way of the Gentiles, and into any city of the Samaritans enter ye not: But go rather to the lost sheep of the house of Israel. . .*" Jesus was most explicit about "who" the disciples were to go to.

And finally in *Matthew 15:24*, Jesus tells the Canaanite woman just who he was sent to, "*. . . I am not sent but unto the lost sheep of the house of Israel.*" Could this be any plainer and more specific?

So why is it that Christian Israelitism is always under attack by all manner of groups? When you study back through both secular and Scriptural history, there is no other answer than to accept that Israel, though yet blinded to their identity, is alive and well in the world today and can be found in the Anglo-Saxon, Scandinavian, Germanic, Celtic, and related peoples.

First, the Talmudists hate us since we pose a threat to their illicit claim to be "*the Chosen people of God.*" If the truth were to be known that these anti-Christ and ungodly impostors were just that - impostors - what would happen to all of the support from the Evangelicals and Fundamentalists for them? It has only been in the last 60+ years that the ungodly ones have managed to con much of Christianity into believing that they, the anti-Christ Jews, are the "*chosen*" of God.

The second venue of attack against our beliefs comes from the so-called Christian churches. As the early "*established church*" evolved within the first centuries, they made the decision to put great distance between the corrupted, perverted and Talmudic doctrines of Judaism, and in essence, established the totally new religion of Christianity. They decided to forget and abandon almost all of the God-given Hebrew religion which existed prior to the establishment of Babylonian Judaism. The Christian churches have today evolved into materialistic "*big business*" and in order to survive, they can not afford to have the truth emerge that they have been promoting a false doctrine for centuries.

The concept of the modern church is based on the premise that physical Israel is totally lost and gone, and that "*the church*" has replaced it as a modern spiritual Israel. But that is not what the Scriptures say. In fact, there is no mention in Scripture of a spiritual Israel. All of the promises of God found in the Scriptures

are meant for one people - ISRAEL. But the church, in its traditions-steeped and materialistic ways, has ascertained that the promises of God to Israel, can be delegated and assigned to all non-Israel peoples. Who has delegated and given the "*church*" the role to change and modify Scripture?

The civil authorities want no mention of who Israel truly is, as that would violate all of the politically correct nonsense that they are promoting today. Most in authority (and in the media) find it incomprehensible that God can have a bias when it comes to differing peoples.

This is one reason why every time the media gets a chance, it labels our beliefs as racist and cultish. They can not afford to have the truth be known as it does contradict the many traditions of men which prevail today. But the Bible is not written and addressed to everyone. The Bible was written to, for, and about Israel only!

So we find "*organized religion*" consisting of both Judaism, and the so-called Christian churches allied against the truth of Scripture in an effort to maintain their own existence. With all of the scandals and problems affecting organized religion today, we find more and more of our people searching for Scriptural truth. I would hope and pray that you would follow through and verify the accuracy of what has been written in this little booklet, and then study the Scriptures to both determine and ascertain your responsibilities to the Most High.

**ABOUT OUR NEW BOOK**  
**“SOLAR SANITY VS LUNAR LUNACY”**

**By Pastor Peter J. Peters**

The book is divided into six parts. Part one proves the moon is not to be used to calculate the feast of Passover. In it, the reader will learn by the people who keep the feasts by the lunar calendar cannot agree on dates and why the dates differ so much from year to year and from feast-keeping-group to feast-keeping-group. Nowhere in the Pentateuch does it teach that the moon is to be used to calculate times of the feasts, including *Genesis* 1:14-16 which speaks of the greater light and the lesser light. The book proves the lesser light is not the moon, as the lunar people would have you believe. The ancients, including Noah, did not use a lunar calendar and lunar years are not Biblical. Following are some of the truths presented in Part one:

- The solar vernal equinox is to be used to calculate the first day of the year.
- Abib and Nisan are two different months.
- The true understanding of what a year is.
- How to un-confuse the confusing babble and lunacy of the lunar people.
- Answers to the few scriptures in the *Psalms* that some use to justify using the lunar calendar to calculate the feasts.

Part one shows the lunacy of God’s people following the calculations of the anti-Christ people in determining the feasts days.

Part two teaches why the early church kept the Passover and why the serpent enemies got it changed to Easter. It shows the importance of keeping the Passover and the many blessings that come from doing so.

Dear reader, it is so very important that you keep the coming Passover this April 2 – 3, 2004 (noon to noon). Please look into this and consider doing so.

Part three shows that it is ‘the door’ that was shut upon the five foolish virgins. In Part three, the reader learns the meaning of certain New Testament verses such as *Colossians* 3:16-17 and *Romans* 14:4-6. In this section, the reader is shown that it is wrong to use *Galatians* Chapter three to try to prove the Passover is not to be kept in the New Covenant and a warning is given concerning the deceivers who are trying to deceive you (*Isaiah* 1:14 teaches us God hates the new moon festivals).

Part four tells how simple it is to calculate the Passover day.

Part five of the book is about the two calendars that are in the Bible, known as Abib & Nisan.

Part six is a brief address on the 91st days and the Passover.

WE URGE YOU TO ORDER THE BOOK IMMEDIATELY. For those who support this ministry, *we will send it to you for free.* Others need to send a minimum contribution of \$6.00 when ordering it.

## **THE PROPHESIED CURE** **FOR STUPIDITY**

For far too many the many, many Old Testament prophecies are closed to them. – *“All these prophecies will be to you like the words of a book which is sealed; which when they give to a man skilled in letters, saying, ‘Read this’; he will say, ‘I cannot read it, for it is sealed.’”* – Isaiah 29:11 Septuagint translation. There is a reason for this; God has put His people in a dream-like state or, as the Septuagint puts it, in a state of stupefaction.

*“For the Lord hath drenched you with a spirit of stupefaction, and will close up the eyes of them and of their prophets and their rulers.”* – Isaiah 29:10 Septuagint translation.

The New American Standard states it like this:

*“For the Lord has poured over you a spirit of deep sleep, He has shut your eyes, the prophets; and He has covered your heads, the seers.”* – Isaiah 29:10 NAS.

In simple words, the people have become stupid. This writing addresses why they have become just plain, downright stupid, and God’s ultimate cure for this stupidity. A recent current event illustrates the height, depth, and length of the stupidity. That event being the President of the United States striking a deal with the President of Mexico by letting millions of Mexicans come into the country as legal “*guest workers*” (his words, not ours); and, then selling this idea to the people as a good deal for them. His exact words concerning this deal were, *“Our nation needs an immigration system that serves the American economy and reflects the American Dream.”* No president would dare state such a stupid statement if the people were not so stupid as to believe it! (We suggest our readers lis-

ten to our January 7, 2004 and January 9, 2004 evening broadcasts concerning this act of the president which is archived at our web site [www.scripuresforamerica.org](http://www.scripuresforamerica.org)). For the sake of article space, we will not address the stupidity of thinking that aliens taking our people's jobs and siphoning billions & billions of dollars per year out of this country into theirs serves the American economy; but, we will address the president's words that such a thing "*reflects the American dream.*"

The definition of dream as given in the Oxford Dictionary and Thesaurus is "A *series of pictures or events in the mind of a sleeping person.*" Synonyms for the word dream include delusion, fantasy, and illusion.

The prophet Isaiah prophesied His people would awaken at some time from that sleep to see that they were being invaded (the terms unclean and uncircumcised were Bible terms Israel used to identify the non-Israelite).

*Awake, awake, clothe yourself in your strength, O Zion; clothe yourself in your beautiful garments, O Jerusalem, the holy city. For the uncircumcised and the unclean<sup>6</sup> will no more come into you.*

The dream-like state from which we must awaken is a state of stupor and God puts us in such a state when we sin - particularly the sin of idolatry! *Hebrews* 3:13 teaches us that sin hardens us and *Romans* 11:8 tells us what God does to Israelites with hardened hearts: "God gave them a spirit of stupor, eyes to see not and ears to hear not." – NAS.

The definition of stupor is "A *dazed or helpless amazed state.*" Such is a people in a Babylonian drunken, drugged dream-like state akin to a spell that they need awaken from. "Stupid comes from or is related to the word "*stupor*". One definition of stupid is

“A state of stupor or lethargy” and is that not the state of God’s people today? Rightly did the prophet Jeremiah state:

*“But they are altogether stupid and foolish in their discipline of delusion – their idol is wood!” – Jeremiah 10:8 NAS.*

*“For My people are foolish, they know Me not; they are stupid children, and they have no understanding. They are shrewd to do evil, but to do good they do not know.” – Jeremiah 4:22 NAS.*

The sin of idolatry makes for really stupid people. The politician knows all he has to do is tell them, “it’s the economy, stupid.” Just tell them it benefits their economy and you can sell the stupid idolaters on anything. Even the giving away of the nation and inheritance that they should be preserving and passing on to their children.

The stupid conservatives and false patriots who reassure everyone that they themselves are not racists love to wave the constitution and stupidly believe that the signers of it had some American dream of some sort of melting pot! How stupid can you get not to see that the signers were concerned for their race and their race only? Following is the preamble of the Constitution with our added emphasis on the word “Posterity”.

#### *PREAMBLE*

*We the people of the United States, in order to form a more perfect Union, establish justice, ensure domestic tranquility, provide for the common defense, promote the general welfare, and secure the blessing of liberty to ourselves and our **posterity**, do ordain and establish the Constitution for the United States of America.*

Following is the definition of the word “posterity” from Webster’s 1828 Dictionary and when you read it remember that all the men who signed the Constitution were of the same race. They were white men.

“POSTERITY –*n.* descendants; children, children’s children, & etc. indefinitely; the **race** that proceeds from a progenitor.”

Then the stupid people stupidly believe being a racist is a sin – and a sin only white people can commit at that. They stupidly refuse to believe that the invading Mexicans themselves are racists. The poor persecuted white boy in the following article from The Washington Times knows Mexicans are racists:

*Time Bueler recently received some unusual advice: His principal and a campus police officer suggested that he stay home from his California high school for a few days.*

*They feared for his safety because Tim, the founder of Rancho Cotate High School’s new Conservative Club, said he had received threats from other students after writing an article for the club newsletter calling for a crackdown on illegal immigration.*

*The 17-year-old junior says that stance inspired threats from which teachers have refused to protect him. Some faculty members even started a public campaign against his group, which seeks to promote “the pillars of the Bible, patriotism and conservative beliefs as balance to the mostly liberal viewpoints of teachers,” according to its newsletter, ‘The Conservative Agenda.’*

*In a telephone interview, Tim said he’s been threatened at least three times by Hispanic students who call him ‘white boy’ and ‘racist.’ One boy said he was going to ‘find someone’ to beat Tim up.*

*In two of those instances, Tim said two faculty members stood by and did nothing to help him. Most recently, Tim said, he was confronted by a dozen Hispanic boys, who blocked him from walking down the hallway.*

Then there is the stupidity of the spiritual shep-

herds in the land selling the stupid people in their congregations on the idea that it is Christian to welcome the swarming, dirty, alien masses into the land to take their children's jobs. They know if they were to tell the truth, as being told by this preacher in this article, it would be their job – i.e., their economy - so they call such teaching and such preachers racists and unchristian.

*“For the shepherds have become stupid and have not sought the Lord; therefore, they have not prospered, and all their flock is scattered.” – Jeremiah 10:21 NAS*

The truth is the prophets of the Bible were concerned for their people, which were God's people, Israel, which were a race of people. This, to the stupid shepherds, would make the prophets racists. The job of a prophet is to get the idolaters (who only care about their economy - i.e., their retirement and socialist drug and medicare programs) to care about their children's future.

*“Behold, I am going to send you Elijah, the prophet, before the coming of the great and terrible day of the Lord. And he will restore the hearts of the fathers to their children, and the hearts of the children to their fathers, lest I come and smite the land with a curse.” – Malachi 4:5-6 NAS*

While the true Israel people are losing their nation and their children have no economic future and nation of their own, the stupid shepherds point to the anti-Christ Jews and call them God's chosen people and tell us how they need a land and a nation all their own. Due to the stupor the people are in, they can not see the inconsistency. Most fail to see the recent bargain our president made with the Mexican president as prophesy being fulfilled. That prophesy is in *Isaiah* Chapter 2:

*“For Thou hast abandoned Thy people, the house of Jacob, because they are filled with influences from the east, and they are soothsayers like the Philistines, and they strike bargains with the children of foreigners.” – Isaiah 2:6.*

Our president struck a bargain with Mexico. What does it mean, *“they are filled with influences from the east”*? Have you ever read **“made in China”**? Our country is full of such junk from the east and the materialistic idolaters in the west buy it up and consider them to be treasures.

*“Their land has also been filled with silver and gold, and there is no end to their treasures; their land has also been filled with horses, and there is no end to their chariots. Their land has also been filled with idols; they worship the work of their hands, that which their fingers have made.” – Isaiah 2:7-8*

Putting economy and material things ahead of God is greed, which is **idolatry**.

*“Therefore consider the members of your earthly body as dead to immorality, impurity, passion, evil desire, and greed, which amounts to idolatry.” – Colossians. 3:5 NAS*

This idolatry is bringing upon us the wrath of God known as the day of the Lord or, as Isaiah puts it, a day of reckoning.

*“Enter the rock and hide in the dust from the terror of the Lord and from the splendor of His majesty. The proud look of man will be abased, and the loftiness of man will be humbled, and the Lord alone will be exalted in that day. For the Lord of hosts will have a day of reckoning.” – Isaiah 2:10-12.*

Remember, stupidity is a spiritual problem. A problem tied to sin which hardens our hearts, which causes God to cast us into a spirit of stupor. This results in our being sold for nothing into the hands of our

enemies (*Isaiah 52:3, Judges 2:14, 3:8, 4:2*). This is why the serpent enemies of God's people direct us to sin as do even the serpent leaders, because stupid people are easy to rule and to plunder. *"They feed on the sin of My people and direct their desire toward their iniquity."* – *Hosea 4:8*.

God's cure for it all is in the way of the fiery wrathful day of the Lord that the prophets tell us of and the people are blinded to.

*Romans 11:25* teaches us that this hardening has happened to Israel *"until the fullness of the Gentiles has come in."* Many argue as to what this is but the word *"gentiles"* here is referring to nations other than Israelites. Many nations have been feeding off of God's stupid people; particularly God's people in the nation of the new JerUSAlem of *Zechariah 2:1-6*:

*"O God, the nations have invaded Thine inheritance; they have defiled Thy holy temple; they have laid Jerusalem in ruins."* – *Psalms 79:1 NAS*

*"The Lord will roar from on high, and utter His voice from His holy habitation; he will roar mightily against His fold. He will shout like those who tread the grapes, against all the inhabitants of the earth. 'a clamor has come to the end of the earth, because the Lord has a controversy with the nations. He is entering into judgment with all flesh; as for the wicked, He has given them to the sword,' declares the Lord."* – *Jeremiah 25:30-31 NAS*.

Paul tells us God's cure for this stupidity:

*"For I do not want you, brethren, to be uninformed of this mystery, lest you be wise in your own estimation, that a partial hardening has happened to Israel until the fullness of the Gentiles has come in; and thus all Israel will be saved; just as it is written, 'The Deliverer will come from Zion, He will remove ungodliness from Jacob. And this is My covenant with them, when I take away their sins.'" – Romans 11:25-27.*

Notice that Paul is quoting from *Isaiah 59:19-21* which is just another of many prophecies describing the Day of the Lord. In that day, He will turn away the people from the sin that put them into the stupor and made them stupid:

*For He will come like an impetuous stream for the wrath of the Lord will come with fury. For the sake of Sion the Deliverer will come, and turn away ungodliness from Jacob. And this shall be My covenant with them, said the Lord, this Spirit of Mine which is upon thee, and these words which I have put in thy mouth shall not fall from thy mouth, nor from the mouth of thy sees, (for the Lord hath spoken) from this time forth forever. – Isaiah 59:19-21 Septuagint.*

We are now up on a new satellite and are broadcasting 24 hours per day, 7 days a week. The new satellite is **audio** digital (KU band) where the old satellite was broadcasting on C band. If you have a C band system you will have to upgrade to a KU or a digital system. As I understand, the C band antenna can be converted to digital however; you would have to have a digital receiver.

There are many suppliers of KU band antennas and receivers and they can be found on the internet by using your web search. We have made arrangements with a National Distributor of KU satellite equipment for some very attractive pricing. We can offer a complete KU system for \$185.00 including freight. You may order directly from Scriptures for America Ministry. This system consists of an antenna, digital receiver and a mounting and wiring kit. The receiving unit can be plugged into a TV that has RCA jack inputs. The satellite is: **KU Band, Telstar 5, Channel 12 – Left, LNB Frequency - 10750, Transponder Frequency – 11836, Symbol Rate - 20770, Polarization – Vertical.**

## E-Mail Message From Bill Strittmatter

I happened to see a part of last night's football game. (I am not a sports fan and i do not know how to play football). I see many similarities between sports and religion. The super bowl's "opening prayer", on this High Holy Day (Super Bowl Sunday), was a song containing these words: "**Dream on, dream on**" and "**May the good Lord take you.**"

The only way I could make out the song's words was to mute the TV sound so the closed captioning would take over. These ugly singers were saying to the sports fans, "Stay asleep, sleep" and "May God kill you."

The half-time show reminded me of the half naked Israelites dancing about the golden calf and one of the religious songs memorialized how the Columbia astronauts died for us so that we might have life.

A church service (Football game) has an opening prayer (the song and pledge before the game), sermonette, (1<sup>st</sup> half), songs, and announcements, (half-time show), and finally, the sermon (second half). The motor-mouth announcers are the Evangelists. The stadium is the cathedral. Hot dogs and beer are the "bread and wine". (A few nights ago, there was a documentary showing how the NFL makes their game movies. The comment was that one of their announcer's qualities must be that he has a voice that sounds "*like the voice of God*").

Several years ago, at the Olympics, an opening speaker asked the rhetorical question, "*Why do we have the Olympics?*" His amazing answer, "*To prevent the Battle of Armageddon.*"

These are things that prove the Bible true. How could this happen any other way? And, how otherwise, could a people with 300,000 churches be so stupid? God is punishing them with stupidity. **Dream on.**

**“More Comments on the Super Bowl High-Holy Day”— Concerning Sports being a religion.**

Catholics have holy cards and relics. Sports religion has Baseball Cards and memorabilia. Catholics canonize people to make them into saints. Sports enshrine into a hall of fame. Pete Rose was not enshrined because he was a sinner (gambling) and everyone knows saints do not sin.

**Concerning Pornography**

Our internet provider has once again made available a product called N2H2 which does a terrific job blocking porn; Norton Internet Security is somewhat useless in blocking porn. Anyway, last night on the FRONTLINE TV program was about pornography in America. It started by showing how an 18 year old girl who was paid \$1000 to engage in oral sex in front of the movie camera. If that very same act and monetary transaction took place in an alley, parking lot, or motel room it would plainly be a criminal act of prostitution. Both parties would be arrested. But somehow **if done in front of a movie camera** it is pornography, which can only be punished under “community standards”, etc rules. Pornography has “freedom of speech”, etc protection. I just talked to my Congressman about this and asked him to see if the laws could be written so that the standard of criminal conduct is not “community standards” but rather an exchange of money. So, if a person is paid to engage in sex, whether it is in front of a movie camera in a movie studio or a back alley, it is still prostitution. The test is not “community standards”; the test is money changing hands. Applying this to the internet, if porn pictures are displayed for free it is pornography. BUT, if any money changes hands, if any money is requested for viewing, then it is a criminal act of prostitution.

**The way to stop this stuff is simply to take away the profit.** Also, anyone listed in the credits of the movie would be an accomplice to the crime of prostitution. Any cable TV company carrying the video (and charging money) would be an accomplice. Any hotel with porn in the room must provide it for free because charging even one penny would make it prostitution.

**My Congressman liked this idea** and commented that criminal laws are most often on the state level and this idea should be presented to our state legislators. So I am suggesting that Pastor Peters ask people to contact State Representatives.

**Question:** When does a criminal act magically become not a crime?

**Answer:** When it is committed in front of a TV camera.

**Change in law.** Money paid for sex in front of a movie camera is no longer pornography but rather prostitution. And the movies, and its credits, are evidence of the criminal act of the conspiring criminals involved. Distributing porn is not 'protected' by "freedom of speech" or "freedom of the press" if money changes hands. Money changing hands in either the production or distribution makes it prostitution. Replace the "community standards" etc test with a "did money change hands" test. If the "test" answer is "Yes" then it is prostitution and not pornography. For porn to be porn (protected by "*freedom of speech*" and "*freedom of the press*") it must be *free*. And any money changing hands either in selling or in making (paid actors) transforms porn into prostitution.
