

So much is happening it has become difficult to get a timely newsletter out. Filling our (492 hours/month!) radio broadcasting schedule with edited past messages has been challenging of late due to a temporary personnel shortage. Paying the bills that are now much more has been a concern, but we are pleased to report the saints have risen to the occasion and we have been able to get everything paid. We rejoice that the daily incoming mailbag has grown as well. The bottom line: *our expansion efforts have been blessed.* The Internet Church also continues to grow every week. Please continue to keep all of this in your prayers.

On September 11, 2005 we concluded our “The Answer to Ask Gideon” series with Part 13, and concluded that message with the Imprecatory Prayer of striking the serpent beneath the eye and severing the head from the body. That prayer was posted on 9-11-05 at our website, www.scripturesforamerica.org. (Pray these prayers posted there each week). *They* struck on 9-11-01, and the Gideon Remnant made this crucial spiritual strike-back on 9-11-05.

You Spiritual Gideon Guerillas are a hard working and self sacrificing bunch, doing a great job in getting the court-houses anointed. We have posted at our website the counties anointed, per State, and the percentage done for each State. Many of you need to look at that posting and join us in this labor. Order the oil from us and go to work. Many other buildings are also getting anointed, from Masonic Halls to City Administrative Buildings to Churches (total so far--1,486).

The new Church pulpit series will be entitled “*The Way of Egypt*”. The end-time prophecies of Isaiah 10:24-26 liken the end of the age events to two past Bible events: the Gideon Story and the Exodus out of Egypt. These messages will be sent out on the Scriptures for America Tape & CD Ministry, and will be archived at our website as well.

Remember, our nightly live radio broadcasts are also archived at our website. Most of these broadcasts in September have pertained to the Hurricanes. (Suggested ones to hear: 9-2, 9-9 & 9-15-05)

Things have been happening in the Supreme Court since it was anointed. One judge resigned, the Chief Justice died, and now another snake is about to be appointed, one who

is Catholic and also very pro-homosexual. The Lord knows what He is doing and He knows how to stack the deck when the house of cards is struck with His mighty blow.

Gideon Guerillas, keep striking with the anointing oil. What you are doing in the spiritual realm is breaking their sacred pillars, which in this case is their anointed Masonic cornerstones.

“You shall not worship their gods, nor serve them, nor do according to their deeds; but you shall utterly overthrow them,

and break their sacred pillars in pieces”. Exodus 23:24

Consider the following from a letter sent to us from a Gideon guerilla.

Greetings, Our little study group has anointed a few courthouses in Georgia and Florida...We had one oddity at the Baker county courthouse, when my friend and I anointed the cornerstone we found it to be smooth and without cracks and approximately a week after noticed a crack straight down the center of the stone.

We have had funds sent to us for white Christians hurt by the Hurricanes and have posted at the website and put out on the radio broadcasts offers of help (see next page (3) of this newsletter for details). We have also had a small part in getting some physical help to Christians impacted by the Hurricanes.

We kept the 91st Day on September 18th and we are pleased to report untold numbers across the country did likewise. The next 91st Day is December 18, 2005 starting at noon. We have a weekend conference planned in The Dalles, Oregon on October 21-23, hope to see some of you there.

Please keep this ministry in your prayers and please continue to remember we need your support as well. Also know this preacher daily prays for those he is privileged to shepherd.

NOTICE TO CHRISTIAN FAMILIES

on the Scriptures for America Ministry

THAT WERE HIT BY THE HURRICANES

Trying to follow the directive Jesus gave Peter in John 21:16 17, this preacher needs to tend to the flock Jesus has given him to tend to. We realize there are those on the Scriptures for America mailing list that are in the hurricane affected area. **If there are families (that have been impacted by the hurricane) on our mailing lists that need help, even help with re-locating, contact us by mail, e-mail or phone.** There are others who wish to help. We will assess, prioritize, assist and put the call out on the radio, internet and satellite broadcasting for additional help if so needed.

Our email address is preacher@sfaw.org, our mailing address is Scriptures for America, attn: Hurricane Relief, PO Box 766, LaPorte, CO 80535, and our phone # where you can call and leave a message is 307-745-5913.

Listen to our 9:00 pm (CST) live radio broadcast from 9/6/05, archived at our website, for more details about this endeavor.

Since our resources are limited we have to prioritize, and those on our mailing list will be the first priority. The next priority will be other Christian white families that need help.

Just as the late (so-called) Reverend Martin Luther King, Jr. was a minister to *his* race of people and not harshly judged for doing so, and as Jesse Jackson is not judged for caring for *his* race of people, so this preacher should not be judged for caring for *his* kinsmen people.

TRUTH IN THE WAKE OF THE HURRICANES

Introduction

The true Church is suppose to be the pillar and support of truth (I Tim 3:15) but when the people prefer a lie rather than the truth so as to be saved (II Thess 2:10) then proclaiming truth is not conducive to church growth and thus the churches run off the true prophets for different *profits* and truly become non-prophet 501 (C3) churches.

Recently it was reported that false prophet Billy Graham said the following about killer Hurricane Katrina, “*Whenever any disaster like this strikes, we often ask ourselves why. **Why did God let this happen?** I have been asked that question hundreds of times, and I have **to confess that I do not know the full answer.**”*

Note the clever cunningness of the snakes as they always frame or box in our thinking. Note how his words “*Why did God let this happen?*”

The idea the serpent sons of hell want to keep in your mind is that it was just a happening that God allowed to happen. President Bush in his live address to the Nation on September 15, 2005 like-wise referred to the storm as a “*whim of nature*”. The truth is, it is not; “*Why did God let this happen?*” but “*Why did God **cause** this to happen?*”

In this article we will address the answer, but it could all be said in one word: **JUDGEMENT!** The prophets of old would not stop there however. Their words to America would be:

“See the judgment for what it is and **REPENT OR PERISH!**”

TRUTH IN THE TALE OF TWO CITIES

One can only imagine how or what it must be like to be helplessly trapped in a torrent of destruction raining in on a city. Maybe it’s a shaking mother crouched in a corner of a high rise, clutching a crying child in her arms saying “its okay, mommy’s here” knowing full well its not ok. Then suddenly a horrific blast of hellish like wind explodes the windows and both scream as they are cut and pierced with sharp glass shrapnel!

Maybe it’s a trembling old man and woman huddled in a closet, clutching walker or cane, trying to hide form the howl-

ing destruction outside, wondering if they will even be alive to go outside in the morning.

Then there are those who do make morning alive and wonder how they will stay alive without the food and water they use to buy at the market. The market that now no longer exists. They stand in shock and awe of the destruction that's been wrought on their community. A community of newly made orphans, weeping widows and groaning grown men clawing like desperate rats through piled rubble for loved ones yet to be found.

Destruction that has rained down shock and awe on all of them; have made many of them wonder *why*? Why did this happen to them? While many others, who are glad they are not them, sit cozily around their camp fires called televisions. It is better than anything else on TV tonight, they reason as they coldly and callously watch the shock and awe rain down on the city---**The city of Baghdad, in the spring of 2003!** And now the scene is so similar in the summer of 2005, in the city of New Orleans.

TRUTH CONCERNING WHO CAUSED THE HURRICANE

Sometimes getting to the deeper truth requires accepting the outer truth first. It's like peeling an onion to get to its core. One never gets to the core truth if one rejects the outer truths that cover the core truth. Many sources on the internet and shortwave are saying the government of Russia or the USA can manipulate weather and cause hurricanes and that "man" did in fact cause these. This kind of talk was existent on the heels of the tsunami disaster.

THE TRUTH IS---GOVERNMENT CAUSED THE SHOCK & AWE DESTRUCTION IN BAGHDAD

and, prior to that invasion, truth was given out in our Volume 1, 2003 Dragon Slayer newsletter. Following is a reprint of just some of that truth.

Scripturally Speaking Concerning the War in the Middle East

When the small "g" god-people form a government of the people, by the people and for the people, the people's government then becomes a god (i.e. a false one), deciding right and wrong.

Then the idolatrous people fear that god, look to that god for their health safety and welfare, obey that god and willingly sacrifice to that god

even if it means sacrificing their children in war and shackling their unborn generations with the debt that war brings. This is the sin the Bible calls worshipping Baal, but we do not call it sin. We call it patriotism and the people cry "my country, right or wrong", yet the people no longer know right from wrong, so they let their government-god decide what is right and wrong. So is it right or wrong for America to invade a sovereign country in the Middle East and infringe upon another people's life, liberty and property?

To answer that questions let us reason from Scripture and not from the futility of our own minds. It is revealed in scripture that our great God and king Jesus Christ (1 Timothy 1:17) gave us the royal law: *Therefore all things whatsoever ye would that man should do to you, do ye even so to them: for this is the law and the prophet. (Matthew 7:12)* A Christian man must follow this law and a nation of such men must follow this law if it is to be a Christian nation and thus receive blessings from God. In light of the royal law, is it just or right to go over to your neighbor's property and trespass, kick in his door, take property from his home and take over his home? In other words, do you have a right to infringe upon another man's life, liberty and property? The answer is obviously no! But what if you suspect that your neighbor may have weapons of mass destruction in his home? For example, he may have a semiautomatic twelve gauge shotgun full of 00 buck-shot and rest assured such a weapon can deliver mass destruction when used upon a crowd of people. Then do you have a right to violate your neighbor's life, liberty or property? Again the answer is obvious. Your neighbor has committed no crime in just owning such a weapon to keep lawless men from violating his life, liberty or property, and to use on such men should they try. This was once the law of the old west which was in reality, simply the law of God written on the hearts of His people (Hebrews 8:8). So what if a group of men in the community, (even a majority of the men in the community) decides to infringe upon another man's life, liberty or property, then is it right? Obviously no, for if it's wrong for one man to do such a crime then it is wrong for a group of men, even a majority of them, to do such a crime. To this scenario we could even add the fact that many houses in the community have such weapons of mass destruction, but a group of lawless men just arbitrarily pick which house they will attack.

In other words, what is not lawful for one man to do to another is not lawful for a group of men, under the color of law, to do to another. This applies to nations of men as well. In other words it is not right for one nation to violate another nation's life, liberty and property just as it is not right for one man to enter another man's house and take his property and take over his house under the pretense that he has weapons of mass destruction.

Christians need to pray for the elected public servants who have forgotten that that is what they are (1 Timothy 2:1, 2) and for the confused public so that they might not only know right from wrong but be granted repentance (2 Timothy 2:25) for having pursued and endorsed the wrong. Such earnest prayers offered in faith can save many innocent men, women and children from dying in Iraq, not to mention innocent servicemen, many of whom are forced at the point of a gun or imprisonment to carry out the orders of the unscrupulous. It could save America from the consequences of violating the law of God which is “**we reap what we sow**”. When a man or nation of men violates the royal law they reap the consequences: ***Do not be deceived, God is not mocked; for whatever a man sows, this he will also reap.*** (Galatians 6:6-8) So it is with a nation of lawless, immoral men. *(from Volume 1, 2003 DragonSlayer Newsletter, archived at our website, www.scripturesforamerica.org)*

Following is a quote from CNN posted September 8, 2005 in the article *Victims feel forgotten in Southeast Louisiana*, “*If you dropped a bomb on this place, it could not be any worse than this,*” said Ron Silva, a District Fire Chief in St. Bernard Parish. Paul Harvey said in his August 31, 2005 broadcast “*Eighty percent of New Orleans is downtown Baghdad.*”

The truth is, in light of the truth just given, in a round about way the government did cause the judgment of a killer hurricane.

TRUTH CONCERNING SUFFERING OF “SO CALLED” INNOCENT PEOPLE

The Bible clearly teaches that the people are held accountable for the ungodly acts of government. This truth is clearly taught in the Bible story of David unlawfully numbering the Israel people. (Remember these stories are given to us by the Holy Spirit for our instruction I Corinthians 10:11) Read the story. It’s recorded in I Chronicles 21:1-30 and in II Samuel 24. In that story 70,000 citizens died because they sat by and did nothing and said nothing concerning what King David was doing (just as the American citizens did in the invasion of a basically helpless country that had never wronged them before).

Let’s take the principal of this truth to the citizens of New Orleans. Their city government endorsed and even welcomed sin. Take, for example, the biggest annual pagan (Catholic) festival in America, called Mardi Gras, where young Israelite women

publicly bear their breasts to strangers in exchange for beads, and no arrests are made for indecent public exposure. Then there's the annual gathering of "Southern Decadence," an annual homosexual celebration attracting tens of thousands of people to the French Quarters section of New Orleans. Horrible, disgustingly immoral acts have been reported and recorded taking place publicly right before New Orleans police. It's been reported that one local Christian pastor sent video footage to the mayor, city council and the media. The filthy video footage was ignored, and the group (with all their money) was welcomed back. Hurricane Katrina hit just days before "Southern Decadence" was to celebrate this year's theme of "*Jazz and Jezebels*".

The truth is the so-called innocent people of New Orleans and their churches probably condemned the salt of the earth Christian pastor (who would point out this sin) as a radical, an extremist and unloving more than they did the mayor and city council. The truth is a God of Judgment may have just had enough and flushed the toilet.

TRUTH CONCERNING THE CONSPIRACY OF THE PROPHETS that Ezekiel speaks of in Ezekiel 22.

"There is a conspiracy of her prophets in her midst, like a roaring lion tearing the prey. They have devoured lives; they have taken treasure and precious things; they have made many widows in the midst of her. "Her priests have done violence to My law and have profaned My holy things; they have made no distinction between the holy and the profane, and they have not taught the difference between the unclean and the clean; and they hide their eyes from My sabbaths, and I am profaned among them. "Her princes within her are like wolves tearing the prey, by shedding blood and destroying lives in order to get dishonest gain. "And her prophets have smeared whitewash for them, seeing false visions and divining lies for them, saying, 'Thus says the Lord God,' when the LORD has not spoken. "The people of the land have practiced oppression and committed robbery, and they have wronged the poor and needy and have oppressed the sojourner without justice. "And I searched for a man among them who should build up the wall and stand in the gap before Me for the land, that I should not destroy it; but I found no one. "Thus I have poured out My indignation on them; I have consumed them with the fire of My wrath; their way I have brought upon their

heads," declares the Lord God. Ezekiel 22:25-31

The February 7, 2005 *Time Magazine's* featured article was "*The 25 Most Influential Evangelicals*" (No, this preacher was not listed in the top 25, it was probably an over-site on Times' part). Not one of the 25 opposed the President's invasion of Iraq, yeah *they backed him*, and not one of them teach what the Bible clearly teaches, and what Peter plainly preached, i.e. Baptism for the remission of sins **in the name of Jesus Christ** (Acts 2:38) and not one of them would dare tell the racial truths told next in this article. Note Ezekiel's words "*Her priests have done violence to my law.... They have made no distinction between the holy and the profane, and they have not taught the difference between the unclean and clean.*"

RACIAL TRUTHS

(Warning: Some will find the following black & white truth very offensive. The truth is there were good white & black people hurt by the New Orleans Hurricane, but good people are not offended by the truth. If they are, the Bible truth is that they really were not so very good after all, black or white.)

Now the people have been so conditioned by the lying, satanic serpent media and the change agents behind church pulpits, disguised as Christian ministers that they will at first feel it is un-Christian to speak or write such truth. So let's first go to a Bible passage that supports preaching such truth. This part of the article pertains to truth that pertains to a people. A people called Black people or Negroes. Do the truths apply to all Negroes? No, obviously not, just as the truth made known in Scripture about a people called "Cretans" obviously did not apply to every single Cretan. Not all Cretans were lazy, liars and gluttons, but the people as a whole were, and Paul was not afraid to speak it and severely reprove them for it.

One of themselves, a prophet of their own, said, "Cretans are always liars, evil beasts, lazy gluttons." This testimony is true. For this cause reprove them severely that they may be sound in the faith...
Titus 1:12-13

Instead of the words "poor, poor innocent black people caught in a New Orleans hurricane" maybe the truer words, few will speak, are "predators and parasitic guilty Negroes" who have fed and preyed upon God's people long enough. The Bible teaches us that the Just God and Judge of Israel once had enough

of the parasitic Egyptians feeding and preying off His people, and brought pay back judgment upon them. If you want to hear some racial truths in the aftermath of the Hurricane, listen to our 9:00 pm CST Sept. 6, 2005 radio broadcast (archived at our Website) where-in we read news reports from sources outside the United States (Australia, Great Britain, New Zealand) of the Jungle Hell-holes whites were caught in at the New Orleans Super Dome and the New Orleans Convention Center. It was mayhem, murder and rape (one 14 year old girl raped for

hours *until she died!*). The truth is that the snakes control the media and they don't want these truths out. The truth is, most preachers don't want to put it out either or they would receive nasty labels like this preacher has. The truth is, the blacks have been parasites and predators on the Israelite white people for years, and ungrateful to boot, as they collect their welfare checks, blaming all their woes on whites. The truth is, if there were a room full of white Israelite men (Christian or non-Christian) and another man started raping a little girl, they would not stand around and stare or get next in line. The truth is, the morality of these blacks is different. The Israelite has the Law written on their hearts (Hebrews 8:10), whereas these parasitic predators still have the law of the jungle on theirs. In light of the old adage "*You can take the boy out of the country, but you cannot take the country out of the boy*", one wonders if the Negro taken out of the jungle cannot have the jungle taken out of him. So damn to hell the preachers who would dare say all this, but it yet remains to be seen who God damns to hell! Maybe, just maybe, it will be the one who fails to say the truth!

The truth is, there's white trash, black trash and there may be a whole lot of trash and bas-turds floating in the toilet water of New Orleans. Black parasites and predators are not exempt from God's judgments.

Let's address some truth concerning the white trash, who has far too long sat smugly and comfortably in their northern white neighborhoods while scared, helpless little white children have been, for years, forcibly bused into the black schools where

they have, daily, lived the terror with no white men to help them.

Now **could it be judgment time** for these do nothing, say nothing white men, as now black refugees are shipped into their comfortable, lily-white communities to collect welfare checks, rape their daughters, bastardize their race and rob their houses?

TRUTH CONCERNING DESTRUCTION AND THE GOD OF ISRAEL

The truth is, at times God delights in destroying people, yeah, He even delights in destroying His own people. Is this not what the following Scripture teaches? You read it and decide for yourself. Emphasis has been added with bolded text.

*"If you are not careful to observe all the words of this law which are written in this book, to fear this honored and awesome name, the LORD your God,... "And it shall come about that as the LORD delighted over you to prosper you, and multiply you, so **the LORD will delight over you to make you perish and destroy you; and you shall be torn from the land where you are entering to possess it.**"*

Deuteronomy 28:58-59

The prophets understood this truth and thus always preached to the nation of their people, **Repent or Perish**. Repentance and revival on a national scale has to do with His law (the perfect Law of Liberty – James 1:25) being the law of the land. For example, His law calls for the death of murderers, rapists, homosexuals, pedophiles and the like, but the religious leaders have done what Ezekiel spoke **"...her priests have done violence to my law..."**. (Ezekiel 22:26)

The truth is we've got to have repentance, which is a change of heart and mind, which leads to a change of direction. If we don't change directions in this land from court rulings that condone baby murders, protects homosexuals, releases rapists and murderers, etc, we will be destroyed as a nation by a God who will literally delight in destroying sinful nations that refuse to repent. The hurricanes show His destructive power.

TRUTH WHY THE RELIGIOUS LEADERS, THE MEDIA AND THE GOVERNMENT ARE NOT SPEAKING OF GOD'S JUDGMENT CONCERNING THE KILLER HURRICANES

The message from the true Biblical prophets to their sinning people was always repent or perish, but the truth needs to be said; the repentance of the people of God means the perishing of the children of the devil (John 8:44), the evil tares in the wheat (Matthew 13:28), the wolves in sheep's clothing (Matthew 7:15), the servants of Satan in disguise (II Corinthians 11:15), and the evil alien that prospers and goes higher when God's people sin (Deuteronomy 28:43).

If "they" were to allow God's people to, in any way, connect the hurricane storms to judgment from their God, then the people just might repent. Remember repentance means "they" perish, thus the truth of the hurricanes being judgment of God must never be spoken.

In the aftermath of Hurricane Katrina, Fox News reported that a so called Christian preacher, who's the author of the best selling book The Purpose Driven Life, would be going into the area and help people rebuild their spiritual lives. This preacher has not read that entire book, but did read the table of contents and enough of the book to see its design is to help make one a global citizen, and to be a global citizen one must never bring up racial truths or the law of God, or the repent or perish message. The author of that so-called best-selling book does none of that.

TRUTH CONCERNING THE FALSE GODS COLD CALOUSNESS AND INABILITY TO SAVE

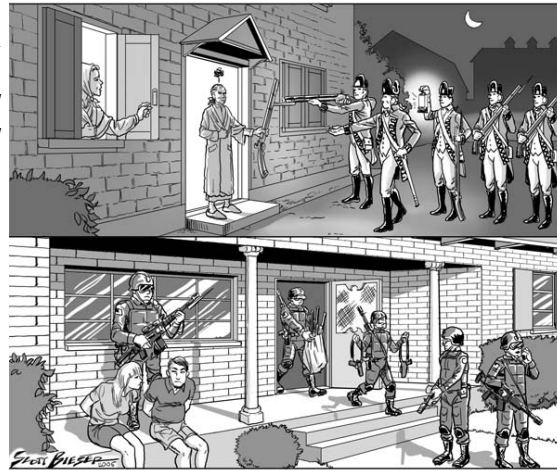

The prophetic song of Moses, depicting the last day predicament of His people when their God said He would heap misfortune on them (Deuteronomy 32:23), records the words of their God, "And He will say, **'Where are their gods, the rock in which they sought refuge?'**" (Deuteronomy 32:37). In the aftermath of the storm, the people cried out to their government baal gods and his many agencies, whom they look to for their health, safety and welfare "Where are you"?! Days and days passed, and fellow civilians who were not devastated by the storm were the ones that brought aid in before the government gods did.

TRUTH CONCERNING HOMELAND SECURITY AND THE NEED TO HOLD ON TO YOUR GUNS

The killing Katrina hurricane taught this truth; Homeland Security and its son of hell leader cannot make your homeland secure before or after a terrorist storm. The truth is "they" intend to use their Homeland Security, which heads FEMA, to make themselves secure in *our homeland*, and to do this they still need to disarm God's people. The

truth seen in the storm is that God’s people need to obey the command of their King Jesus and keep their weapons (Luke 22:36). The two men this ministry assisted, to a small degree, that distributed food, water and supplies to white Christian families in the hard hit rural areas of Mississippi and Louisiana did so at the risk of their lives, and had to carry guns with them to keep from being murdered by blacks and having their supplies stolen. (This ministry has available six sermon messages and a book entitled “*Everything You Wanted to Know and Preachers Were Afraid to Tell You About Gun Control*”, write and request them). The reports we’ve gotten is the New Orleans police department is disarming the people. Then there is the armed Mexican soldiers coming in to help Americans. Come on, Dumb Spell Bound

1774 in Boston, 2005 in New Orleans

Any Questions?

Sheep, **wake up!** And not only keep your guns, but have them well oiled. The kind of gun control we still need in America is a tight pattern at a hundred yards.

TRUTH THAT PULVERIZING PRAYERS ARE WORKING IS SEEN IN THE STORM

The Gideon force is coming against the spiritual forces of wickedness in the heavenly places (Ephesians 6:12) and is waging the spiritual warfare described in Ephesians 6:10-18 while others do nothing and even think it foolishness (“*But a natural man does not accept the things of the spirit of God; for they are foolishness to him, and he cannot understand them, because they are spiritually appraised.*” I Corinthians 2:14). Micah 4:13 instructs us to “pulverize” the enemy (NAS version) (KJ version says “beat in pieces”).

This is done through imprecatory prayer. Each week at our Web site (www.scripturesforamerica.org) we post a new prayer. Prior to the hurricane the posted prayer of 08/07/05 pertained to stopping them from carrying out their satanic scheme of striking us with another staged terrorist attack to impose upon us more Kingdom of Satan communist police.

In that prayer were these words, “**Stop them before they can activate their evil ambitions.**” Could it be the hurricane did just that? We don’t know, and probably never will.

The posted prayer the week of the hurricane contained the following words, taken from the prayer in Psalms 83. “***So pursue them with Thy tempest, And terrify them with Thy storm. Fill their faces with dishonor, That they may seek Thy name, O LORD.***”

Isaiah wrote: “***it will come to pass that before they call, I will answer; while they are still speaking I will hear***” (Isaiah 65:24).

THE TRUTH OF THE HURRICANES IN LIGHT OF PROPHETIC BIRTH PANGS

The truth is we have probably seen nothing yet if we don’t repent and turn back to our Lord Jesus Christ. The Bible speaks of “birth pangs” (Micah 4:9, Matthew 24:8, Mark 13:8, I Thessalonians 5:3). Hurricanes Katrina and Rita are birth pangs, just as the plagues to hit Egypt (Exodus 7:17) were birth pangs. (It’s interesting that in the first plague there was water everywhere, but it was all undrinkable)

The contention of some is, to a degree, that technology can be used to adversely affect weather. Weather manipulation is a reality, but only if God allows it. Remember in the Biblical Exodus story, Pharaoh’s snaky black-arts boys could duplicate *a few* of the plagues. The Biblical creatures called sons of the devil in the New Testament are referred to as the “Assyrian” in the prophecies of the Old Testament that pertain to today. They do strike like snakes and do feed on the misery of the people, and they do steal, kill and destroy.

Consider the words of Isaiah as recorded in the Septuagint Bible “*O, My people who dwell in Sion, be not daunted at the Assyrian because he will smite thee with a rod; **for I am bringing this stroke upon thee that thou mayest see the way of Egypt***”. (Isaiah 10:24) (emphasis added)

Personally, this writer does not think ‘they’ caused the hurricanes, but rather that ‘they’ struck in the wake of the hurricanes. Regardless, God made it known it was His doing, so that we may see the way of Egypt.

The way of Egypt was one of *just one thing after another*. The Septuagint Bible teaches one thing that indicates a visitation from God would be a HURRICANE! “*For from the Lord of Hosts there will be a visitation-a hurricane...*” (Isaiah 29:6). Then the same verse mentions three more things: “*...and a devouring flame of fire, with thunder and an earthquake and a mighty noise.*”

(The Septuagint Bible is available for a donation of \$50.00 from Scriptures for America.)

What all this means, this writer can only speculate. A devouring flame of fire with thunder could be a volcanic eruption, or it could be an atomic blast, or simply the 'fire' that is mentioned so much and so often in describing "The Day of The Lord".

The earthquake could be that described in Hebrews 12:25-29 and the mighty noise could very well be the 'roar' Peter writes of. *"But the day of the Lord will*

come like a thief in which the heavens will pass away with a roar..."

II Peter 3:10. The mighty noise may be like that which our Israelite forefathers heard in Exodus 19:16 when they came out of Egypt.

Remember, no one got out of Egypt (which was the end of an age) unscathed without the blood of the Passover lamb being properly applied (Exodus 12:7). Today, the Blood of our Passover Lamb is applied to us when we obey the command of Acts 2:38. If ever there was a time to embrace and obey the truth of Acts 2:38, it is in the wake of the HURRICANES!

And Peter said to them, "Repent, and let each of you be baptized in the name of Jesus Christ for the forgiveness of your sins; and you shall receive the gift of the Holy Spirit. Acts 2:38

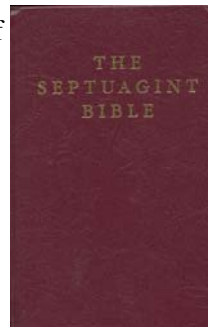

And corresponding to that, baptism now saves you-- not the removal of dirt from the flesh, but an appeal to God for a good conscience-- through the resurrection of Jesus Christ... I Peter 3:21

Lastly; Do obey the truths given on page 3 of our Volume 3, 2004 Dragon Slayer and pray Luke 21:36:

"But keep on the alert at all times, praying in order that you may have strength to escape all these things that are about to take place, and to stand before the Son of Man." PJP

WARNING

Warning to the wicked that monitor
this preacher's news letter and radio broadcasts.

You know and we know, that the war between the kingdom of Satan, which you deceitfully call a New World Order, and the Kingdom of Jesus Christ rages. We know as do you that you do the desires of your father the devil (John 8:44) which is to steal, kill and destroy (John 10:10). Well know this, if you direct those desires against this preacher, the church he pastors or the ministry he directs from that church, it is *you* who will be destroyed. This warning is not given because I care about you, but because Ezekiel 3:18 commands that I do.

WARNING TO THOSE WHO *WORK* FOR THE WICKED SONS OF HELL--THE WICKED ASSISTING THEM IN CARRYING OUT THEIR DESIRES

I do care about *you* and warn you not to do so, and not to think your defense before God of "Duh, I was just doing my job" will save you in His court. Repent or perish. This warning is given in keeping with Ezekiel Chapter 3. It is given here for all to heed the warning.

"Son of man, I have appointed you a watchman to the house of Israel; whenever you hear a word from my mouth, warn them from Me." When I say to the wicked, 'You shall surely die'; and you do not warn him or speak out to warn the wicked from his wicked way that he may live, that wicked man shall die in his iniquity, but his blood I will require at your hand. "Yet if you have warned the wicked, and he does not turn from his wickedness or from his wicked way, he shall die in his iniquity; but you have delivered yourself. "Again, when a righteous man turns away from his righteousness and commits iniquity, and I place an obstacle before him, he shall die; since you have not warned him, he shall die in his sin, and his righteous deeds which he has done shall not be remembered; but his blood I will require at your hand. "However, if you have warned the righteous man that the righteous should not sin, and he does not sin, he shall surely live because he took warning; and you have delivered yourself."

NOTICE TO THE GIDEON FORCE
POUND AND PULVERIZE THE ENEMY
WITH PROVACATIVE PRAYER POWER

There's more to do. Keep up the anointing. We are posting the targets already hit with the anointing oil at our web site but we have also added a web page called "**Prayer Alert**". (See our Volume 5, 2004 DragonSlayer concerning imprecatory prayer.)

"And now many nations have been assembled against you Who say, 'Let her be polluted, And let our eyes gloat over Zion.' 'But they do not know the thoughts of the LORD, And they do not understand His purpose; For He has gathered them like sheaves to the threshing floor. 'Arise and thresh, daughter of Zion, For your horn I will make iron And your hoofs I will make bronze, That you may pulverize many peoples, That you may devote to the LORD their unjust gain And their wealth to the Lord of all the earth.

Micah 4:11-13

POUND & PULVERIZE With PROVACATIVE PRAYER POWER

Weekly prayers for the "GIDEON FORCE":

Help us do battle against rulers of darkness and spiritual wickedness in High Places. Ephesians 6:12

Prayer is one of the most powerful tools we have. It can pull down the strongholds of the enemy, remove ungodly leaders and change the course of nations.

We have been inactive long enough! Let those of the Household of God begin to exercise their power and authority over all the forces of evil.

No power can stand against Almighty God when His people pray in one accord and true faith.

Every week, we are posting the "Prayer of the Week" on our web site, www.scripturesforamerica.org: There will be two prayers.

CURRENT ISSUE: To invoke spiritual warfare through imprecatory prayer.

GENERAL PRAYER: To assist you in personal spiritual development.

We encourage each of you to join us in unity and faith. Please pray these words with us in all of the Authority and Power of Jesus' name.

Some Good Things about New Orleans....Now

*And we know that God causes **all things** to work together **for good** to those who love God...*

Book Review

by Pastor Peters

I asked Pastor Gene Applegate to write this book.

To provide Scriptural certification concerning the name of Jesus (And to expose the dangerous Satanic practice of using the name Yeshua)

If I were to describe this most important book in one word it would be "POWERFUL!"

If I were to describe it in three words it would be "HOLY SPIRIT INSPIRED!" It has blessed my life immensely and I believe it will do likewise for every truth-seeking Saint. The truth is just

like the book title states—**there is no other name but Jesus**, but as the reader will discover, there is much more truth, importance and power in this name than most saints today know and understand.

It is my prayer this work will help the saints to more fully know and understand the truth of Acts 4:12.

"And there is salvation in no one else; for there is no other name under heaven that has been given among men, by which we must be saved." Acts 4:12

It is my prayer those deceived by the false teachers into using another name will more fully know and understand the truth of Acts 20:28-30.

*"Be on guard for yourselves and for all the flock, among which the Holy Spirit has made you overseers, to shepherd the church of God which He purchased with His own blood. I know that after my departure savage wolves will come in among you, not sparing the flock; **and from among your own selves men will arise, speaking perverse things, to draw away the disciples after them.**"*

Acts 20:27-30

It is my prayer that this treatise helps those deceived by such men and moves them to be properly baptized in the name of Jesus Christ (not Yashua).

*And Peter said to them, "Repent, and let each of you be baptized **in the name of Jesus Christ** for the forgiveness of your sins; and you shall receive the gift of the Holy Spirit. Acts 2:38*

It is my prayer that those that have been so deceived will humble themselves and repent and turn away from the sin of using, promoting and teaching another name besides the name of Jesus.

In short, it is my prayer that this book helps the deceived become undeceived and that the deceivers be exposed and unsuccessful in further deception.

Simply put, it is my prayer this book blesses you the reader as much as it has this preacher, thus he requests you pray likewise and join Scriptures for America in getting it out to others. Read it and pass it on. We will be passing it on through the Scriptures for America Worldwide Broadcasting Network. It will also be posted at our website, www.scripturesforamerica.org, where it can be read. Copies can be ordered on line at the website, or by writing to:

"And she will bear a Son; and you shall call His name Jesus, for it is He who will save His people from their sins."

57 evacuees to Colorado have felony convictions--The Denver Post and 9News reported.

Aurora police have found that 57 of 873 Hurricane Katrina evacuees in Colorado have felony criminal records, according to 9News. "The community does not have to be concerned," Jones said. "We think people are safe because all of these evacuees have served their sentences. None of them are wanted in Louisiana, there are no warrants out for anyone's arrest, and no one has broken any laws at Lowry."

The Transportation Security Administration suspended some of its security regulations on evacuation flights, spokeswoman Carrie Harmon said. ...federal air marshals were on every flight. During screenings, the TSA confiscated more than 82 firearms, 400 knives and 250 other prohibited items, such as razors and box cutters, she added.

Dear Pastor Peter,

I just started receiving your live radio tapes and really appreciate them. I wanted to make a comment on your talking about how the serpents killed 60 million Christians in Russia and how they are planning the same thing for us. I submit that the killing is well underway and the people are completely blind to it. Through control of the large food-pharmaceutical-medical conglomerate the people are being poisoned to their death one at a time and in great numbers. 85 years from now people might look back and count the 100 million or more that died at these serpent's hands in America, much like we look back at the Bolshevik revolution and the Russia's reign of terror. So, the point is- the killing is well underway!

Dear SFA, Richard, and Pastor Peters,

In regard to the deception of telling Christians that Jesus' real name is "Yahshua," this is nothing new. In Acts 4:15-18, the non-Christian rulers of Jerusalem did not want the name of Jesus spoken *at all either!*

*But when they had ordered them to leave the Council, they began to confer with one another, saying, "What shall we do with these men? For the fact that **a noteworthy miracle has taken place** through them is apparent to all who live in Jerusalem, **and we cannot deny it. But so that it will not spread any further among the people, let us warn them to speak no longer to any man in this name.**"*

*And when they had summoned them, **they commanded them not to speak or teach at all in the name of Jesus.***
(NAS) ACTS 4: 15-18

Nothing new under the sun!
Sincerely in Jesus Christ, King of kings...

Hello Pastor Peters,
I have been listening to your programs for several years, and have been supporting you through WWCR. I live in the projected pathway of hurricane Rita. I am asking your prayers and for the prayers of Saints worldwide for my safety and for the safety of others who have chosen to follow Isaiah 26: 20&21 and call upon the name of the Lord for their safety instead of "the image of the beast" (the gov't). That passage meant a lot to me in the first I observed the true Passover in 2004. Truly most pass through the "sacred pillars" of the wicked; some of us pass through the "blood covered doorposts and lentils" into our chambers. In Christ, from Texas.

Dear Pastor Peters,
We received a visit from Warhorse yesterday and today! With him he brought needed supplies to our area but even more important was the visit, fellowship, and prayer we have shared with him-it was so "faith building." As we reported on your radio broadcast last night, despite reports from the news a much larger area than "New Orleans" was affected. Especially our rural areas and there is little or no help coming to us in these areas. What we are getting is an overflow of "refugees" who are taking advantage of the situation by robbing, free-loading, and just generally causing trouble, etc. Thankfully our State and local officials have not yet turned the situation over to the "Feds."

Many of us have listened to you for over ten years. Years ago our property was dedicated to God and before this hurricane we anointed all our homes and barns. During Hurricane Katrina my family and I were inside our home while 5 tornados passed over us. We stayed in the hallway of our home for 2 hours and listened to trees fall all around us. Through all of this our homes and barns stood (all were anointed). Not one of my family or our many animals (horses, cattle, chickens, goats, etc) were hurt. We have truly been blessed and protected by God's mighty and gracious hand. Warhorse's visits have given us tremendous uplifting-it helped prove to us we are never alone and God protects and establishes HIS...Please keep us in your prayers and we thank all of you for your efforts to send relief down here-it is SO NEEDED! May the God of Abraham bless and keep you!

Taking A Stand In The Rolling Hills of Louisiana!

Things I have learned from watching the news on TV:

The hurricane only hit black family's property
New Orleans was devastated and no other city was affected by the hurricane.

Mississippi is reported to have a tree blown down.

New Orleans has no white people.

The hurricane blew a limb off a tree in the yard of an Alabama resident.

When you are hungry after a hurricane steal a big screen TV.

The hurricane did 23 billion dollars in *improvements* to New Orleans. Now the city is welfare, looters and gang free, and they are in your city.

White folks don't make good news stories.

Don't give thanks to the thousands that came to help rescue you, instead bitch because the government hasn't given you a debit card yet.

Only black family members got separated in the hurricane rescue efforts.

Ignore warnings to evacuate and the white folks will come get you and give you money for being stupid. (Via E-Mail)

THERE ARE APPROX. 35 FAMILIES IN NEW HAMPSHIRE EVACUATED FROM NEW ORLEANS. THIS IS THE REASON THEY WERE SENT OUT THROUGH ALL THE STATES, SO BUSH COULD DECLARE A NATIONAL EMERGENCY STATE BY STATE. THEN IT WILL BE FOUND THAT THEY CARRIED SOME SORT OF VIRUS FROM THE INUNDATED LABS IN N.O. SUCH THAT IT WILL REQUIRE MANDATORY VACCINATIONS BY ALL. THIS IS ONE HELL OF A PLOT TO SUCCUMB THE AMERICAN PEOPLE. THE WORST PART IS YET TO COME. THE SHEOPLE WILL NOT SEE THIS AS ANYTHING BUT A STEP IN THE RIGHT DIRECTION, EVEN THOUGH THE PROOF OF ANY VIRUS WILL HAVE TO BE MANUFACTURED. THEY WILL WELCOME THE VELVET CHAINS, AND POSSIBLY THEIR OWN DEATH WITH OPEN ARMS. (WHAT'S IN THE SHOTS?) (Via E-Mail)

Dear Pastor Peters,

I was reading some reports on a news article and found this, I thought you might find it interesting, although I do not know if it is truthful. We all know how evil New Orleans was with immorality and the practice of voodoo and obviously, homosexuality too. I read that Katrina means "*pure*" and that hurricane comes from an Indian word "hurukan" and means "evil spirit". This article was saying that when you invoke evil spirits then you will bring a storm. A "purifying" storm from God. Something huh?

Pastor Peters

Thank you for the work you and the people with you are doing. It's wonderful to hear the Sword of the Lord going out in such an unvarnished way. The Lord Jesus Christ our Messiah, and King of kings, and Lord of lords, is truly guiding and directing your messages, may His Blessings be upon thee and them that are with thee. Pastor you have helped me through the Spirit of the Lord, as to some of the passages of scriptures that have always given me trouble. Soon the Righteous One will bring that to His People, till then Pastor, I hope and pray that He

keep you strong, and that your church grow in the strength of the Lord. I would like to ask two things of you; one that you never forsake the Lord, because He will not forsake thee. And that you send your newsletter so that I may receive it. I've been listening to you for some time, and compared your words to the Word of the Lord and they're the same, for the Lord has touched thy lips with His words and message. It took some intense study and wrestling with the Lord to break free from the Spell of the serpents in the issue of them being the people of promise that they claim to be, and their false prophets claim for them. Thank you again for never faltering in the message and I know it's hard sometimes because the message is so different from the rest of the perishing worlds. But the Truth in the age of deception is a great thing to have and thank you for being true to the Lord. If nothing else, I can thank the Lord for sending you into my Life and that you have clarified the message of the Lord, and made things which were foggy clear. and brought me closer to the Lord than ever before. I pray that the Lord care His message thru the World. Amen. Indiana

I wanted to make a...comment about the deadly deceptive doctrine that there is no devil that Pastor Peters has addressed on recent tape (and CD) ministry messages. Not only was there that one Black comedian who always hit us with the punch line: "the Devil made me do it!" But there was a VERY popular comedian from the 1980's to the early 1990's on the popular NBC TV show, "Saturday Night Live," named Dana Carvey. His most famous character was probably the "Church Lady." He dressed up like an old, frumpy, prudish woman who hosted a mock talk show called, "Church Chat." On this mock show within the show, Carvey's "Church Lady" would interview famous celebrity guests and get them to admit to their nasty and unsavory behavior. And then he would say something like this: "Who do you think made you do that? Could it be . . . [big pause] . . . *SATAN ?!!!!?*" and then the whole audience would bust out laughing. It was probably the biggest laugh-getting moment of the whole program. For a long time, I don't think I ever saw

an episode of "Saturday Night Live" that did NOT have the Church Lady saying that punch line with the word "SATAN" farcically. And every weekend that show was watched by millions of viewers. The effect, I believe, was to make the idea of there being a real devil absurd and ridiculous because Dana Carvey made the Church Lady character so laughable. He was just doing his (Satan's?) job, I guess.

bro Pete----as you know i am a longtime supporter of your work and listen regularly and order books-i agree with exposing activities and the control of the jews-- ----but---i have just finished reading the book, "SMOKE SCREENS", (*available from SFA for \$5.00*)---seems to me the Catholics have the very same agenda and are as equal in achieving world dominance---it confuses me, as how they can do this separately----my question, are they working together, do they have a common thread----could you address this on your program, like a call in question

Dear Pastor Peters,

I just read that 8,000 HIV infected people have been displaced by the Hurricane. A lot of these people that were transported to other states were not desirable to want around as it was and now we get to look forward to their diseases being around too. The article said that there were four health centers that catered to these people for their disease: two that were in Biloxi and New Orleans were destroyed and the two in Hattiesburg and Mobile are flooded and lack power. But there are many who are getting help from the Montrose Clinic in Houston that get this!- specializes in lesbian, gay, bisexual, and transgender communities. I wonder what will happen to that place?

Pastor Peters,

My husband and I are semi-retired and have been anointing a few county court houses. We have not done enough in Oklahoma, but we did what we could with the gasoline going up so high. We will try to do more when we can as God is patient and understanding of our finan-

cial situation giving us a year. I don't feel like we are a type of Gideon, just trying to obey God.

There is so much to learn and understand that I try to listen to you as often as I can. May the Lord continue to bless, and keep you, and your staff working for His Glory. We need the spiritual feeding for these Latter Days.
Oklahoma

Could it be that New Orleans (in particular) is experiencing the terrible wrath of an angry God? Consider what Andrew Jackson's wife said....

"Great Babylon is come up before me", shuddered Andrew Jackson's wife Rachel upon encountering New Orleans a century and a half ago. "Oh, the wickedness, the idolatry of this place."

"First, this is not a racial thing. I'm sorry if all the reporters are seeing are black faces but if they would take their cameras to places like Slidell, Mandeville, Metairie and CHALMETTE! they would see several thousand white faces being affected by this. Most of the tip of the boot that is Louisiana south and east of Baton Rouge is under water. Those people are stuck too waiting for help, dying, but all the news people can focus on is the Superdome."
(Via E-Mail)

One of the places the tsunami hit by surprise was Phuket Town, a town known for having one of the largest gay festivals in the world. It's also a town where REALLY HUGE Shrines, Statues and Temples have been built in honor of numerous gods. <http://www.phuket.com/phuket-photos/temples.htm> Tourists traveled by the thousands to visit the huge statues, shrines and temples, as well as the popular gay events. The events had become so popular, almost everyone in town was looking forward to it. Every single person in that town! Then, disaster hit the area, and it took time to begin rebuilding... (Via E-Mail)

Dear SFAW;

Forgive my beginning of understanding about what happens in the physical realm being merely a reflection of what's happening in the spiritual realm. But here's

a shot at it, for what it's worth.

There was a tsunami a while back in an area known for it's catering to pedophiles and sodomites. Nasty disaster.

Now in New Orleans, where the sodomites were planning on a celebration of their death 'style' over the Labor Day weekend, a nasty hurricane hit.

The similarities are too, well, similar, to ignore, for me anyhow.

I subscribe to an earthquake notification service provided by the USC&GS folks. The following was sent to me yesterday and I pass it on for what it's worth. I think it bears, if nothing else, noting.

On 8-31-05, five earthquakes happened in California in just under an hour, the smallest of which was a 4.0 and the greatest 4.4. All took place between 25 and 28 miles north of El Centro, California. I'll show them below for clarity.

4.4	at	03:47,	25	miles	North	of	El	Centro,	CA	.1	mile	deep	
4.4	at	03:50,	28	miles	"	"	"	"	,	"	1.9	"	"
4.0	at	04:07,	26	miles	"	"	"	"	,	"	3.0	"	"
4.2	at	04:27,	28	miles	"	"	"	"	,	"	2.2	"	"
4.3	at	04:32,	28	miles	"	"	"	"	,	"	2.9	"	"

Now to me, this is just too weird. I'll admit El Centro is not a known hotbed of sodomite activity, but California sure is. I saw the image of Hurricane Katrina which appeared to be a shape of a baby in the womb. It was facing west, towards California.

Like I said, I'm just emerging from my Christian milk drinking stage, coming into my meat eating phase. Perhaps I'm reading too much into these 'signs' but then again, maybe not.

As I climb into my "Rock" as Pete calls it, I thought I'd pass this on for consideration by those of you more mature in these matters, if indeed, it merits it.

Thanks for all you do. (Via E-Mail)

Just wanted Pastor Peter to know I have appreciated much his talks of the last few days. We live about 90 miles south of Branson & it appears we are going to get a few hundred of the displaced folks in this county. No

blacks live here & only a very few in those counties north east & west of us. Most of us who live here leave keys in our cars & homes are seldom locked. On Monday, livestock sale day, the pickups are parked @ the sale barn with windows open & weapons in the cabs. We may be in for a period of re-education. Some of the churches in the area have promised to sponsor families & some families have volunteered to take into their homes without any stipulations as to race. The attitude is that all are "brothers in Christ."

By tomorrow night hope to have anointed another court house. Thank-you.—Arkansas

“Dirty, Damnable Murderous Bastard”--

9pm Central, 8/23/05--Can you believe it? Evangelical, so-called Christian leader Pat Robinson publicly and before millions of TV viewers, called for the assassination of the Venezuelan President. Pastor Peters didn't pull any punches on this broadcast, nor mince any words.

8/17 & 18, 2005, 9pm Central--This broadcast should NOT be listened to if you don't think there are such things as killing, demonic monsters in our society. Oklahoma's BTK killer was discussed, said he was a monster.

In every ministry there are the givers and the takers. We give thanks for the givers, and we pray the takers consider the following Scriptures.

Let the elders who rule well be considered worthy of double honor, especially those who work hard at preaching and teaching. For the Scripture says, "You shall not muzzle the ox while he is threshing," and "The laborer is worthy of his wages." 1Timothy 5:17-18

Or does not the Law also say these things? For it is written in the Law of Moses, "You shall not muzzle the ox while he is threshing." God is not concerned about oxen, is He? Or is He speaking altogether for our sake? Yes, for our sake it was written, because the plowman ought to plow in hope, and the thresher to thresh in hope of sharing the crops. If we sowed spiritual things in you, is it too much if we should reap material things from you? 1 Corinthians 9:8-11
