

The story of The Tender Twig is unique in its significance and in its appeal. It is the touching romance of Princess Tamar, Teah Tephi and Prince Eochaidh, beginning in the dim past of Biblical days, having a surprising Cinderella motif set against a gripping backdrop of history and reaching a climax at Tara in Ireland. It tells far more than a historic love story of the East and the West.

From the Editor's Pen

Our Annual Branson meeting is now history. It was a blessed event, and the Men's Christian Leadership Training Seminar a great success. The prayers over the sick were powerful and effective, and the men prayed over Pastor Peters as well. Since that time, my health has improved dramatically and continues to do so. Indeed we are healed by His stripes.

Nearly 70 men completed the 18 intensive hours of training (given by four different instructors) and were anointed, prayed over and given a certificate of course completion.

After the Branson gathering I gave the staff some much needed time off, and as a result we are a bit behind on our work here at Scriptures for America. As you can see we are behind in getting this newsletter out.

We are still getting the message out through the printed word, radio, satellite, Internet, DVD Church, CD and cassette tape. Thank you for your tithes, offerings and prayers. Our main article in this DragonSlayer newsletter magazine is on tithing. Many people ask if the tithe should be on their take-home or their gross. We believe the correct answer is take-home. I discussed this on our Monday evening radio program of July 9, 2007, archived at our website, and available on tape or CD.

Recent court rulings are showing the effect of the anointing oil, and the biweekly imprecatory prayers that we are posting to our website and mailing out are being answered.

Hope you look at our new and improved Internet website. A lot of time and money has gone into its making. Keep us in your prayers and know that we keep you in ours.

Still Sincerely Stompin' Snakes,
Pastor Peter J. Peters

Faith is acting on what you believe and requires patience, endurance and confidence.

The Bravest Thing Elijah Ever Did

An appropriate sermon to supplement this most important treatise would be *Forgotten Apostolic Principles of Faith*, subtitled *Figuring out Faith*. That sermon was aired on our Sunday morning broadcast July 8, 2007 and is archived at our website (www.scripturesforamerica.org). The sermon teaches the difference in faith and belief and the need to walk by faith and not by sight (2 Corinthians 5:7). This must be done to do what prophets like Elijah and Malachi direct us to do. Faith is acting on what you believe and requires patience, endurance and confidence (read Hebrews 6: 12 and Hebrews 10: 35, 36).

So what was the bravest thing Elijah ever did? Was it bravely going before the king and prophesying *no rain in the kingdom for three years*, except by his mouth? Was it his gutsy going before the king after three years of hiding out like an outlaw? Or was it his courageously taking on single-handedly the 450 prophets of Baal and the 400 prophets of Asherah? (1st Kings 17 & 18).

To know the bravest thing Elijah ever did, one needs to know what and who was behind the fiery Elijah revival that swept the land and brought the people back to their God. God fueled the fire, but who fueled the prophet who sparked it, i.e. who funded the prophet?

Picture now, a lone, gaunt and hungry widow woman, with a skinny, malnourished son clutching her hand. And just as hungry and skinny daughter hiding behind her momma's dress, peeking around her momma's leg, looking at a strange man standing before them. There's a smile on his face, and barley

The Bravest Thing Elijah Ever Did

cake crumbs in his gray beard, as he feeds on a scrumptious, freshly-baked barley cake. He's eating what would seem to be their last meal. The story is recorded in 1 Kings 17: 7-13. We take it from the Septuagint: *"whereupon the woman said, as the Lord thy God liveth, I have not a cake baked and only about a handful of barley meal in the jar and a little oil in the vessel and behold I was picking up a few sticks that I may go in and prepare it for myself and my children that we may eat and die"*.

There was a famine in the land, and people die in times of famine. She and her children did not die, for she did what the Prophet said, and when she did, she believed his word and acted upon it.

This is faith.

"Then Elijah said to her, "Do not fear; go, do as you have said, but make me a little bread cake from it first, and bring it out to me, and afterward you may make one for yourself and for your son. For thus says the LORD God of Israel, 'The bowl of flour shall not be exhausted, nor shall the jar of oil be empty, until the day that the LORD sends rain on the face of the earth.'" So she went and did according to the word of Elijah, and she and he and her household ate for many days. The bowl of flour was not exhausted nor did the jar of oil become empty, according to the word of the LORD which He spoke through Elijah" 1 Kings 17:13-16.

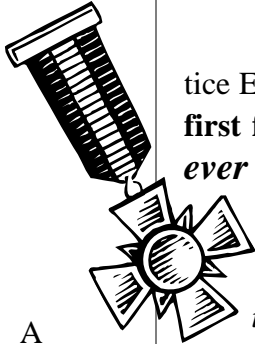

It was a faithful, tithing widow who was behind the Elijah revival. She walked in faith. Remember that Elijah had to make it through the famine as well. He had to have the strength to climb Mt. Carmel and call down fire. He had a backer that funded him.

The Bravest Thing Elijah Ever Did

No-
tice Elijah told her to **first** give to him. Tithing is the **first fruit**. *This was the bravest thing Elijah ever did.*

Why, what would the people say? I'll tell you what they say: "*he is a robber of widows; he's in it for the money and an easy meal ticket*". A mature seasoned prophet doesn't care what people say. He cares for the people and wants to see them prosper. He prays for their health and prosperity, just as John did in 3 John 2: "*Beloved, I pray that in all respects you may prosper and be in good health, just as your soul prospers.*" And then he teaches them what to do to have that prosperity.

Gods Prosperity and the World

Satan's system about us is called in the Bible *the world*, and it is designed to keep you down. You are to go lower and lower as the alien (his children) go higher and higher:

The alien who is among you shall rise above you higher and higher, but you shall go down lower and lower. He shall lend to you, but you shall not lend to him; he shall be the head, and you shall be the tail.

Deuteronomy 28:43-44

The world order is so designed by the gods that the more you make the more they take. So what is it that overcomes the world? Our faith!

"For whatever is born of God overcomes the world; and this is the victory that has overcome the world—our faith" 1 John 5:3-4. Remember, faith is acting on what you believe.

The Bravest Thing Elijah Ever Did

Gods want to be worshiped and sacrificed to, and they bless those who serve them. We can see this in satan, who the Bible calls the god of this world. He promised things if he would but be worshiped: *“and he said to Him, "All these things will I give You, if You fall down and worship me”* Matthew 4:9.

Our God has promised us things if we will do something **first**: *“For all these things the Gentiles eagerly seek; for your heavenly Father knows that you need all these things. "But seek first His kingdom and His righteousness; and all these things shall be added to you”* Matthew 6:32-33.

The tithe is the **first** fruit, and it is an act of worship and an act of faith. It is a condition for promised prosperity as is clearly stated by the prophet Malachi.

“Bring the whole tithe into the storehouse, so that there may be food in My house, and test Me now in this,” says the LORD of hosts, "if I will not open for you the windows of heaven, and pour out for you a blessing until it overflows” Malachi 3:10.

This is God's plan for prosperity. So often Gods people want prosperity, but they don't want it God's way. His ways are not our ways (Isaiah 55:8 & 9). Their way is *“give me prosperity and then I'll give you a tithe”*, but God says *“No! Give me the tithe first.”* The faithless say *“This is insane. I'm barely making it now and it would take a miracle for me to make it to the end of the month if I first gave 10% at the beginning of the month”*. The widow woman could have said *“We are about to die now of starvation. It would take a miracle not to starve if I*

first gave you a barley cake."

Believing Malachi 3:10 is one thing, and faithing it, i.e., acting on what you believe is another.

The tithe is believing God in spite of the circumstances. It is an act of faith. It is being faithful to His command. It is a sacrifice. It is worship. Like the gods and the god of this world, you believe in the God of gods and worship Him and sacrifice to Him and He will bless you. He even said to test Him or try Him in this matter.

*"Bring the whole tithe into the storehouse, so that there may be food in My house, and **test Me now in this,**" says the LORD of hosts, "if I will not open for you the windows of heaven, and pour out for you a blessing until it overflows" Malachi 3:10. (Emphasis added)*

Note the key words **whole tithe**. A tithe is 10% of the increase, not 9% or 8% or 1%. Don't go the way of Cain ("Woe to them! For they have gone the way of Cain", Jude 10-11.) Genesis 4: 4-5 tells us Cain's offering was rejected, and the Septuagint translation helps us understand why it was rejected. Cain did not bring the whole tithe: "*Though thou hast offered right, yet if thou hast not rightly divided hast thou not sinned*"-Genesis 4:7, Septuagint.

Cain was a God robber. When a nation robs God it has the devil to pay, and **his** taxation system is far more than 10%.

"Will a man rob God? Yet you are robbing Me! But you say, 'How have we robbed Thee?' In tithes and offerings. "You are cursed with a curse, for you are robbing Me, the whole nation of you! "Bring the whole tithe into the storehouse, so that there may be food in My

The Bravest Thing Elijah Ever Did

house, and test Me now in this," says the LORD of hosts, "if I will not open for you the windows of heaven, and pour out for you a blessing until it overflows. "Then I will rebuke the devourer for you, so that it may not destroy the fruits of the ground; nor will your vine in the field cast its grapes," says the LORD of hosts. "And all the nations will call you blessed, for you shall be a delightful land," says the LORD of hosts. Malachi 3:8-12

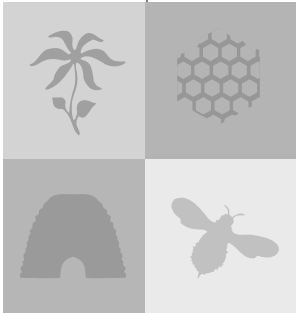

The God robbers do not like this kind of message, or the preacher that would dare preach it. Often they greedily justify themselves and their sin, because they tried it and it didn't work, so we are not supposed to believe God's promise of prosperity in tithing. Because they had no endurance, no confidence, no sacrifice, and no patience; all of which are part of faith. And they probably had no stewardship, which God expects and the tither needs. So they want to pull you down to their *just-getting-by* existence.

A good Shepherd preacher wants to see his people prosper, so he teaches God's plan for prosperity. But often, his people do not want to see him prosper. When the tithers prosper, the church ministry prospers, the staff prospers, the preacher prospers and the Elijah-like fire revival is fueled and spreads! But, greedy-gut God robbers hate to see preachers prosper. They will trust politicians with taxes, trust convenience store clerks with gas deposits at a prepaid pump or will trust a rebellious housewife with a checkbook, but they won't trust the preacher who expects them to pay for their food.

"If we sowed spiritual things in you, is it too much if we should reap material things from you? If others share the right over you, do we not more? Nevertheless, we did not use this right, but we endure all things, that we may cause no hin-

drance to the gospel of Christ”

1 Corinthians 9:11-13.

There are signs of coming famine

There is major drought in parts of the country and major flooding in other parts. It is reported that the Bush administration is helping multinationals buy up US municipal water systems. It's been reported (though not in the national news) that millions of fish are dying throughout the world, and more and more is being heard about the mysterious death of honey bees. A famous scientist once said *“If bees disappear off the surface of the globe, then man would have only four years of life left”*. Without bees, plants don't get pollinated, and without pollination we do not have fruits, nuts and certain vegetables. The present death rate of the honeybee is alarming. Some economists say that the bee is worth about 14 billion dollars to our economy.

The point is this; there was a famine in Elijah's day, and there could very well be one again, but the faithful tithing widow did not suffer from the famine.

Our God does miracles. The widow's oil and flour never ran out. In the days of the wilderness wanderings, the shoes never wore out. If God can increase the number of years per pair of shoes, then He can increase the number of miles per gallon of gas and so on. He can make 90% go further and buy more than 100%. As a young man in Bible college, I remember one of the old instructors, who'd been a famous evangelist in the 20s and 30s, tell how he was once approached by a wealthy, international Anti-christ merchant who offered to make him famous.

The Bravest Thing Elijah Ever Did

But he was told he could not preach on baptism for the remission of sins or on tithing. Why did the promoter not want the people to know about tithing? Because they do not want God's people to prosper. The Pharisee serpents tithed (Luke 11:42). Why? Because they love money (Luke 16:14), and they know it's an economic law of prosperity.

We should tithe, because we love our God, and thus try to keep His commandments, and we should be as wise as serpents (Matthew 10:16).

This preacher prays for your prosperity and knows that

Questions answered in the sermon:

“The Forgotten and/or Ignored Aspect of the Holy Spirit”

Do you know what the forgotten and or ignored aspect of the Holy Spirit is?

Do you know what the most important aspect of the Holy Spirit is?

What does it mean to be sealed in Him with the Holy Spirit of promise, (Ephesians 1:13) and how is it done?

What about the baptism of the Holy Spirit? Did it happen to the 120 or to the 12? Does it happen today? (You Pentecostal brethren and you non-Pentecostal brethren, don't be so sure you know the answers until you hear this message!)

Where is one of the worst places to go today to learn Bible truths about the Holy Spirit? (You'll be surprised at the answer.)

Can the baptism of the Holy Spirit happen to non-Christians, and when/if it does, does that make them Christians?

What about the gifts of the Spirit and laying on of hands?

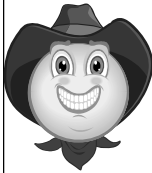

Would you like more of the Holy Spirit? How do you get more?

The sermon *The Forgotten and or Ignored Aspect of the Holy Spirit*, is available from Scriptures for America Ministry, PO Box 766, LaPorte, CO 80535 on CD, cassette tape or DVD, and it is archived at our website www.scripturesforamerica.org as the July 1, 2007 Sunday morning sermon.

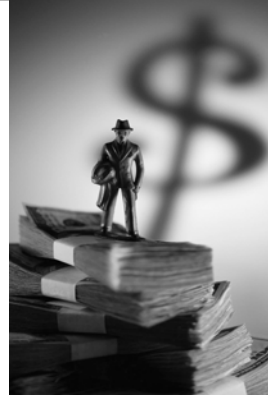

God's Plan for Prosperity

Do you know what God's plan for prosperity is?

Pastor Peters preached on this at our recent Branson gathering, and gives insight into the blessings God wants for His people. Do you know why

Pastor Peters started out this particular sermon with "a grin"?

God's plan of prosperity is not understood by many of His people. The message from Branson, *"The Bravest Thing Elijah Ever Did"*, (see the main article in this newsletter) along with two other (previous) sermons from Pastor Peters, *"Tithing and the Kingdom"* and *"Basic Economic Principles"*, help further explain God's Biblical plan of blessings for His people.

"Beloved, I pray that in all respects you may prosper and be in good health, just as your soul prospers". 3 John 2

If you would like these three messages on His plan of prosperity for His people, they are available on tape or CD, for a special offering of \$12.00 from Scriptures for America Ministry.

Could it soon be a violation of federal “hate crime” laws for you to say these words in your work place; “Union between man and woman”? Think it can never happen in our “free” country, huh? There is legislation and case law right now that will put you in the “Lions Den” for saying such things and more. Satan and his serpent sons of hell children are roaming about as a “roaring lion” seeking whom they may devour. Well there is nothing new under the sun according to the word of God, and in the book of Daniel we see a perfect example.

These are all available on tape or CD for a donation of \$5.00 each from Scriptures for America Ministry, PO Box 766, LaPorte, CO 80535.

We know
that
snakes are
out to

&
it only took
me being
in a
hospital
room for
under 30
minutes
with a
laboring
woman to
know that
it was
satan's
world

The Hand That Rocks the Cradle

I have long thought about writing an article on the medications (and/or) drugs used throughout a childbirth experience. As a Doula, & hopefully (with Jesus' helping hand) a future Midwife, I strive to learn not only how a labor drug may effect a mom & her baby, but what it is made of. As a Christian who believes the food laws are still in effect & since I

know how so many ingredients in food are code labeled it occurred to me maybe I better check out what these drugs are hiding. We know that snakes are out to destroy us & it only took me being in a hospital room for under 30 minutes with a laboring woman to know that it was satan's world. Between the Dr's either wanting to pump a woman with drugs while in labor or wanting to cut her precious blessing out by Cesarean Section ,its obvious that their intentions are not for the better.

I did research & dodged long medical terminology for hours on these products, but was not all that successful. They are very intent to hide what they are putting into our bodies, but I did find out some interesting things.

Prostaglandin Gel is made from pig or cow semen. It also contains an ingredient labeled Phospholipase A2 (sPLA2). It is a synthetic form & is derived from snake, bee, or wasp venom. This same ingredient is also found in Cervidil, Pitocin & Cytotec (which is also an abortifacient).

Morphine is made by using lime fertilizer (from limestone), ammonia, & hydrogen chloride gas (HCl). Morphine was a named derived from the Greek word "Morpheus" the god of dreams.

Nubain comes from an ingredient used as quote "the framework for steroids "; it also contains hydrogen chloride gas (HCl). Other narcotics such as stadol & fentanyl also come from the same ingredient.

I was once told that Pitocin came from monkey by product, but I wasn't able to confirm that. Should that be

The Hand That Rocks the Cradle

true though, epidurals would contain it since it has one of the same ingredients as Pitocin, labeled "oxytocin injection" (which doesn't tell you anything). I would have to say that these products were the most frustrating to research, because it was a one step forward & two step back process.

There were many products that stated that compounds for certain ingredients were found in various organs of animals (particularly the kidneys, pancreas, & liver), but it never actually said that's how they obtained it.

I want to add something else I feel I should tell you. Pastor Peters says "that he takes the opposite position of the world's". I must say that if the world is teaching women that the norm is to have drugs throughout the birth, to have many interventions, & to have all the shots after the baby is born (& the list goes on & on), then I would have to say God's plan for a woman is to have a home birth with a Midwife without major interventions, without using the pain medication that takes away the punishment God gave us. Which in my opinion it is a sign of rebellion, whether you may think of it that way or not. It is no different than (for lack of a better illustration) if your child did something he was told not to & you decided that his punishment would be to pick all of the weeds in the half acre lot, & the child decided that he would just spray them with weed killer or mow them instead. It would take less time & he wouldn't have to get down on his knees & in the dirt in the burning hot sun for hrs on in, etc... Would you as the parent consider that a display of disobedience or rebellion? I think you would. Isn't that like the song Pastor Peters likes to quote "I'm doing it my way".

Why don't we try doing it God's way? *Proverbs 3:5-6, James 4:7-8.*

God never gives us something we can't handle *Phil 4:13, Matt 19:26.* That's not to say you shouldn't do anything to cope with the pain. There are different birthing positions to use & other such methods. Nor do I think it wrong to use herbs to help prepare your body for birth, & of course if you have complications in your pregnancy

I would
have to say
God's plan
for a
woman
is to have
a home
birth
with a
Midwife.

Pain medications & drugs are known for their many side effects that are not only harmful for the mother, but the child.

The Hand That Rocks the Cradle

(which is a bit common place these days) obviously you would need the proper care which could mean the hospital setting.

Pain medications/drugs are known for their many side effects that are not only harmful for the mother, but the child. The risks out-weigh the advantages, which can be as extreme as death. All they do is cause more problems that triggers a cycle that requires more drugs or medications to mask the negative symptoms of the first. Before the Dr's took over the birthing area of life there were Midwives & we had far better birth outcomes then we do now. So why is it that 98% of parents still rush to the hospital to have their baby? There are two answers that are linked. 1. Programming 2. Is simply fear.

Fear is in the top five lists for causing complications in labor, & number 1 for becoming a complying patient who does not get the birth she wants. Fear, like anything else in life that we say, do, or feel, sets off a chain reaction. It is satan's favorite asset in birth & he loves to use it! Whether it is the decisions you make or the thoughts you think. I think these Scriptures are good ones to remember Psalm 34:4, 2 Tim 1:7.

As for programming, they teach us that the safest place for birth is the hospital, because what if something were to happen? Wouldn't you want all that high tech equipment at your disposal in case something does go wrong? You would be considered an irresponsible & horrible parent. I am here to tell you that studies rebuke that myth- 2 Tim 4:4, by showing that home births are much safer & have better outcomes all the way around for mom & baby. In fact, Sweden is the #2 in the world for the best infant mortality rate, coincidentally; it's also a country that strongly advocates natural birth. They do the opposite of the U.S.A, by working against interventions used in childbirth *Matt 7:17-18*. After having witnessed both home births & hospital births, I couldn't agree more with those studies.

I might mention here that Midwives are Biblical.

The Hand That Rocks the Cradle

Read: Genesis 38:28 and Exodus 1:15-21.

I do believe that a woman should be comfortable with her birth setting, so should you feel the hospital is what you are comfortable with; remember that YOU are in the position to simply & firmly say "no" to something. So many times I have witnessed & heard of women who wanted to have a certain birth experience & the Dr walked in with his intimidating attitude & she gave in without a fight. It's so sad & angering!

Let's not forget that the father is part of the birth experience, but the Doctor, the majority of the time, will dismiss his opinion because he's not carrying the child. Remember it's a matriarchal society. The Doctor's love to use their authority to put the dad in place. Dads are a huge part of a birth experience & major source of comfort & support for a mom. A home birth is another plus to wanting Dad to play his deserved part in the birth of his child. As headship of his household he has every right to see that his child is born safely & to be amongst the first faces to be seen as his child breaths his first breath into the world.

Another aspect that is not present in most birth experiences nowadays is one that is an essential, crucial, & should be a foremost part in your birth, and that is Jesus

Christ. I recommend two books on this subject. 1. *Christ Centered Childbirth*, authored by Kelly Townsend. 2. *The Lord of Birth*, authored by Jennifer Vanderlaan (this book has a good bit of Scriptural references). I don't agree with everything in these books, but they do touch upon some very good points. It seems that women, whether they realize it or not, turn to satan for comfort by using medications, rather than relying on Jesus

Christ, 2 *Corinthians 11:2-3*. Broad is the way to satan, narrow is the way to Jesus Christ. Medications are readily

I might mention here that Midwives are Biblical.

Read: Genesis 38:28 and Exodus 1:15-21.

The Hand That Rocks the Cradle

available, but the road to a natural birth is one that takes much more work, but is equally rewarding. *Matt 7:13-14, John 16:21*

Satan has taken captive the birth plan that God intended. Satan's servants are trying to devour your children through their evil tactics *1 Peter 5:8-9* & now that we have a little insight about how they do it I think its about time we change things by taking birth back the way God intended it. *Jeremiah 29:13, Rom 12:2* (*these two particular scriptures are better in the NIV translation, rather than the NASB that I used for all the other Scriptural references*)

I know I sound harsh, but I put it as gently as I could. I am greatly grieved over witnessing satan preying upon women in birth. He knows we are the weaker vessel. It is on my hands for not telling you *Ezekiel 3:18 & 20, 33:6 & 8*, & I am trying to spread the truth about all these evil schemes & deceptions. I leave you with the following Scripture; "So have I become your enemy by telling you the truth?" Galatians 4:16. Many of you will dislike what I have told you, but it is my duty. Our people are destroyed for lack of knowledge *Hosea 4:6*. We are greatly deceived in even the first steps of bringing our children into the world. I don't wish to be a stumbling block to any of you, but I must shine a light in a very dark place -childbirth. I only hope it will be a blessing to you.

Thanks for the great radio message concerning the secrets of the Great Pyramid of Giza.

The truths you revealed to your flock last night constitute feeding us in green pastures beside gently flowing waters. "If you love Me, feed My sheep." You are doing a very excellent job sheep herding these days, as your flock continues to grow and grow. Dear SFA,

I was viewing "gods" pt. 3 on DVD Church recently. Pastor stated that we are destroyed for lack of knowledge, AND lack of understanding of that knowledge. I was reminded of something a wise-guy once said: "A telephone book contains no information – only data."

Pastor Peters reminded me of how so many of us Christians treat our Bible just like a telephone book. We can quote chapters and verses, but we never pick up the telephone and "phone home" to our Lord and Saviour, Jesus. Even "E.T." in the movie E.T. phoned home!! But he didn't use an actual telephone. Christians can "phone home" by praying, and tapping back into the Word of God—the Bible.

Steven Spielberg was telling a truth in that film, E.T. "E.T." was an alien and he got his supernatural power from its god(s)—the Mother Ship.

The "gods" series has been a blessing to me—Thank you very much Pastor Peters!!! Although I am not yet finished viewing all the messages – trying to catch up!!

Sincerely yours in Jesus,

DEAR PASTOR PETERS,

ALL I CAN SAY IS WOW & HALLELUIAH FOR YOUR SERMON TODAY! I AM BLOWN AWAY BY THE BIBLE KNOWLEDGE YOU POSSESS & CONTINUALLY SHARE WITH US, THE "FOUND" SHEEP OF THE HOUSE OF ISRAEL. THANK YOU! GOD BLESS YOU & YOURS THAT YOU MAY CONTINUE TO BE OF FELLOWSHIP WITH US. I PRAY FOR YOUR DAILY WELL BEING. IT AMAZES ME HOW MUCH EVERYTHING YOU PREACH MAKES SENSE TO ME AND EXPLAINS "WHY" THE WORLD IS THE WAY IT IS TODAY.

I HAD TO LAUGH AT YOUR "TO BE CONTINUED" COMMENT, BUT YOU'RE SO RIGHT IN SAYING THAT BECAUSE THE WORK WE HAVE TO DO MUST BE CONTINUED UNTIL IT IS DONE; ON EARTH AS IT IS IN HEAVEN, AMEN! (THANKS FOR YOUR HUMOR.)

I AM LEARNING SO MUCH EACH WEEK IN CHURCH VIA THE INTERNET WITH YOU. THANK GOD FOR THE INTERNET THAT I MAY PARTICIPATE IN YOUR CHURCH EVERY SUNDAY. I'D BE LOST WITHOUT IT.

Dear Pastor Peters,

The Pound and Pulverize Prayer for this week is great. What I'm going to do is take my printed copy and anoint the roman catholic church in xx.xx,,MO while praying the prayer. I'm going to do it this Thursday.

There was a time when ALL Protestant Church preachers and leaders opposed the catholic church as being the anti-Christ. I have a book by a holiness writer and preacher, L.L. Pickett, *"The Anti-Christ"*. This was written around the 1920's. He exposed the roman catholic church and the pope. All Conservative Radical holiness preachers oppose catholicism. Unfortunately many of us are not speaking out.

What has happened is this- after Roe v Wade was passed in 1973, the roman catholic church took the forefront in the pro-life cause. Actually it stole the cause right from under conservative Christianity. So now you can go to pro-life rallies and who should be there but some spokesperson from the local catholic church. And of course he or she is allowed to speak! It's sickening!

TBN and the whole charismatic movement bows and scrapes to the pope and the catholic church. Could it be that it fulfills the prophecy of Rev. 13 as being the 2nd beast? Makes me wonder.

Anyhow, your message on Sunday was right on the target! Keep on keeping on! In His service. Via Email

Program: Scriptures for America-Pastor Peter J. Peters: This man is a minister? I am sorry I stumbled on this broadcast and your station (KAIJ). Pastor Pete, I doubt you yourself will have the time to read this, but I think you will get the message. I do not really know what has happened to you, You and your ministry have morphed into something that devotes more time in ridicule and slander than really the word of God...I am sending back to you a number of tapes. And would, of course, like you to remove me from your list....knowing you and supporting you as I have over the years I don't see you recovering too well from the "Snake" accusations you have so often times labeled at your proven brothers in Christ...you sir are a "fools fool"...for having studied the Word so well you have failed to truly understand it. How could you have written so brilliantly on the "conquered" and now be so off the mark and double minded.... confusing.

I know you through your camps and meetings and this will undoubtedly be met with little regard. I am sure Saul probably "blew off" his critics at some point too...you might do well to slow down some andCome back to the flock. Sincerely, IL.

Greetings Pastor Peters,

Enclosed find my tithe. Perhaps you recall I spoke with you on Tuesday saying I would rectify my lax tithes quickly. They will be coming regularly, twice a month from now on.

Please do not send a thank you letter for it is a waste of your valuable resources, time and one should not be thanked for doing what God commands. :-)

Part of my daily prayers include God to continue to reveal His Word to you that you might preach it more accurately. HE does answer as your two recent series, "The Aliens Among Us", and "the gods" illustrate. All praise and thanks to our blessed Lord, Jesus! WASHINGTON

I currently work at Thomson Learning, while working there I download your radio show to listen throughout the day. I just recently went to your (web)site and you have been tagged as 'hate speech' through the internet filter the company uses...This is the beginning, we are being slowly set up. Via Email

Fluorine is a Deadly Poison! Millions upon millions of innocent people have been brainwashed by the aluminum companies to erroneously believe that adding sodium fluoride to our drinking water will reduce tooth decay in our children. Another great radio message tonight and thank you very much! Reception on the Internet was superlative! That song you played at the close by Kris B. was absolutely outstanding. The lyrics were great! I've never heard that one before. Thanks for playing it!

I also want to thank you for the very invaluable THE SEPTUAGINT BIBLE. I do all my Old Testament studies for that book. What a treasury it contains! So precise and concise in the understanding and wisdom, when compared to the KJV and NASV. Just in the Book of Psalms alone, the meaning is so very clear. Then when you tie in all the other books and the Prophets, THE SEPTUAGINT BIBLE is a very rewarding study! Thanks to your ministry for making this great resource available!

Dear Pastor Peters,

I must thank you for the series that you are doing on "the gods". This is a very interesting subject and after listening to the first (several) CD's, I have to say "WOW." There is so much information already and after reading the Scriptures that

I can't explain what I mean to say but PLEASE continue what you are doing. Your sermons and lessons are truly spirit led and I'm so happy to have been introduced to your website 7 yrs ago. Keep up the good work and God Bless you, your family and your ministry. In Jesus Name.

Dear Pastor Peters,

You did make a comment about spirits being contagious and it brought to mind some of what I have witnessed. I have also seen how a person with a spirit wanting to cause division will go to all the fellowship gatherings and conferences and act like they are there to learn and grow, but they are there only to cause division. They are the scholarly type and can quote scripture with ease. They would meet with the same group of people at these gatherings for fellowship. They try to insert comments in any way they can to try and make the ministers teaching look like they are wrong. And then emails would start to be distributed with not only negative and misleading information, but all kinds of un-Godly material.

I have seen that over a period of years, a dissension will come across this group of people and then no one is agreeable about anything. Everyone would justify their actions or thoughts by their own feelings. The poison seeps into people and we were so grateful to have seen it in time. Our children were starting to be targeted by some we thought we could trust in this group. Our peace in our home was leaving. We tried to give the benefit of the doubt out of Christian patience, but soon realized that malice was involved. It is difficult to see snakes sometimes, when you have shared with them over a period of years, especially when they are very subtle. But just like David talked about in psalms, sometimes it is the very ones that we call friends, that are trying to deceive and hurt us the most.

Dear Pastor Peters,

Wow! In all the excitement over God's deliverance from that evil Amnesty bill, the school segregation decision by that foul Court slipped by completely! So it is DOUBLE PRAISE to His glory for DOUBLE DELIVERANCE ... June 28th was a good day indeed! It is very exciting and I am looking forward to even MORE of His intervention in these very evil days! Pastor Peters,

Here are the lyrics to a song by a so-called "Christian Rock" group. My son found these and thought them to be very revealing.

Read Deuteronomy 28—Yes, the aliens have landed. Kentucky...

Alien Youth lyrics Artist: Skillet Album: Alien Youth
 (It's been confirmed that the aliens have landed)
*Worldwide Jesus domination (NOTE the small "j" THEY use for Jesus)...
 Love conquers all, Rise like a chosen generation
 There's no stopping it all
 Come on freaks let's go, Come on freaks let's go
 Get all the freaks and let's go, Yeah, yeah
 We're taking over the world, We're the alien youth, We're coming for your souls,
 We're gonna, we're gonna, we're gonna, Shake the world
 We're the alien youth, We're taking over, over, over
 Alien youth
 Come on freaks let's go, Come on freaks let's go
 Do you believe that the aliens have landed
 We're everywhere you go Infiltrate at the break of revolution
 You can't stop the revival And we're not gonna leave this world alone
 And we're not gonna leave it yeah
 Come on freaks let's go, Get all the freaks and let's go,
 Come on freaks let's go, Get all the freaks and let's go
 And we're not gonna leave this world alone And we're not gonna leave it yeah
 And we're not gonna leave this world alone And we're not gonna leave*

The Sacred Names Issue relates to the belief that there are proper names for God and Christ which existed in the Hebrew Language, and that these names should be used today. But the author has found that many of the arguments used are based upon assumption rather than fact.
