

## Preacher Ponderings of Pastor Peters

(for this newsletter this short article will replace our Personal from the Editor's Pen column)

Often, a preacher ponders what to preach or write next. It had been this preacher's plan to preach a sermon series on faith, but the Spirit led him to the current series he is preaching on the Holy Spirit. (Please pray this preacher's preaching would always be Holy Spirit led so that it might be said of his preaching that he is one of those who "*preach the gospel to you by the Holy Spirit*"—1Peter 1:12)

The Holy Spirit has of late been bringing to mind Zachariah 4:6 "*Then he answered and said to me, 'This is the word of the LORD to Zerubbabel saying, 'Not by might nor by power, but by My Spirit,' says the LORD of hosts.'*" (Emphasis added) An important Holy Spirit led series of sermons to hear is our sermon series entitled "*Ask Gideon*". Hebrews 11:32 & 33 teaches us that Gideon conquered by faith. This preacher has been studying much and has much to bring to you concerning faith. Faith is the victory for the Christian soldier (1John 5:4) but for faith to work real good it needs to be mixed with love: "*For in Christ Jesus neither circumcision nor uncircumcision means anything, but faith working through love.*" Galatians 5:6 (Emphasis added)

Now the truth is, this preacher is not as loving as he should be, and you, his flock, are not all that lovable. No doubt, you may feel the same about the preacher. So we can all agree we need help in this area. The Holy Spirit is called the helper (John 14:26) and among the many things He does is He helps us to love him.

*"and hope does not disappoint, because the love of God has been poured out within our hearts through the Holy Spirit who was given to us."* Romans 5:5

In the Gideon Force, incorporating the faith factor with the love factor brings forth the missing factor

that Gideon knew he had to have-- the miracle factor!

*"Then Gideon said to him, "O my lord, if the LORD is with us, why then has all this happened to us? **And where are all His miracles** which our fathers told us about, saying, 'Did not the LORD bring us up from Egypt?' But now the LORD has abandoned us and given us into the hand of Midian." Judges 6:14 (Emphasis added)*

The Holy Spirit is a miracle worker. *"in the power of signs and wonders, in the power of the Spirit; so that from Jerusalem and round about as far as Illyricum I have fully preached the gospel of Christ."* Romans 15:19. We are going to see those miracles when those who have the gift of the Holy Spirit begin to persistently pray for more of the Holy Spirit, as Jesus instructed us in Luke 11:13.

Continue to pray both the Preparatory and Imprecatory Prayers we posted at our website ([www.scripturesforamerica.org](http://www.scripturesforamerica.org)) for the two-week period of July 22, 2007 to August 5, 2007. (If you want to receive those prayers in the mail, let us know.)

This preacher has been pondering the unsolicited mail he's received concerning what people have seen in seeing Tammy Faye Baker on the anti-Christ Larry King show. (For a sample, see our mailbag this issue.) Mr. King has, in the past, discussed Pastor Peters on his program, but he never referred to me as his friend. There would certainly be something wrong with me as a Christian man if I considered him my friend, or if he considered me his friend, as was the case between he and Tammy in his July 19, 2007 interview with her. (For the record, this preacher's attitude is that of 1<sup>st</sup> Corinthians 16: 22).

People have commented how Tammy looked reptilian in her sickened state, and also that they suspect she is one of the serpent, alien-like, sons-of-hell creature that the Bible speaks of. This preacher does not know that she is (or was), but ponders it. He ponders the thought that maybe there was a reason for the plastered makeup, and perhaps the sons of the devil are losing their cover, as in that famous Hollywood movie *"They Live"*. The more Holy Spirit filled true Christians become, the more they will be able to see the children of the devil.

*"But Saul, who was also known as Paul, **filled with the Holy Spirit**, fixed his gaze upon him, and said, "You who are full of all deceit and fraud, **you son of the devil**, you enemy of all righteousness, will you not cease to make crooked the straight ways of the Lord? Acts 13:9*

-11 (*Emphasis added*)

This preacher read the transcript of that Larry King show and pondered the fact that dying Tammy never once mentioned the name “Jesus”. She spoke of “*the lord*” and it could well be that her lord was the same lord as her good buddy Larry King's lord. (For more on this subject, listen to our July 31, 2007 evening radio broadcast where we talk of the aliens that Deuteronomy 28:43 teaches of.

*“The alien who is among you shall rise above you higher and higher, but you shall go down lower and lower”* Deuteronomy 28:43. In that radio broadcast we also discussed the dirty–bird, bastard, alien preachers that are in church pulpits trying to expand the war to Iran. (This broadcast is archived at our website.)

Often in the past this preacher has pondered the thought, *“Jesus, if I preach that, they will think I'm crazy”*. But we preached *“The Snake sermon”* series anyway, and *“The Alien Creatures Among Us”* series (not to mention other sermon series such as *“The gods”*, *“The Unseen War”*, *“Ask Gideon”*, *“The Satan series”*, etc...). And today, people are talking about snakes, reptilians, aliens, satan (and his angels), children of satan, etc... Such preaching has caused some of the tares among the wheat (Matthew 13:38) to try to get you to believe that this preacher is preaching a ‘counterfeit’ Christianity. There is a counterfeit Christianity, and you're going to have to decide who is the counterfeiter and who is not (Acts 17:11).

The results of such preaching has brought on the vicious sniper-vipers’ slander attacks, which has miraculously caused this ministry to grow, and even caused this preacher to grow in the area of patience. This preacher has been pondering the subject of patience. The Holy Spirit has been bringing to mind 2 Timothy 2:24. *“And the Lord's bond-servant must not be quarrelsome, but be kind to all, able to teach, **patient when wronged...**”* (emphasis added).

Our Antichrist enemies have been patient and the Holy Spirit is teaching us to be likewise. In fact, it is one of the fruits of the Holy Spirit (Galatians 5:22). It is an attribute that the Prophet learns he must perfect as he wrongly suffers the slander. *“As an example, brethren, of suffering and patience, take the prophets who spoke in the name of the Lord.”* James 5:10 (For more on this subject, listen to our radio broadcast of August 6, 2007, archived at our website.)

## Preacher Ponderings of Pastor Peters

This preacher has pondered what would have been put on the Internet about Jesus if the Internet had existed in the days of Jesus.

*"For John came neither eating nor drinking, and they say, 'He has a demon!' 'The Son of Man came eating and drinking, and they say, 'Behold, a gluttonous man and a drunkard, a friend of tax-gatherers and sinners!' Yet wisdom is vindicated by her deeds."*

Matthew 11:18-19

This preacher has also pondered the recent bridge collapse in Minneapolis in light of Luke 13:3-5 and the fact that this event happened in the Congressional District that elected and allowed their Congressman to swear in with his hand on a Koran. We talk about this in our August 6, 2007 radio broadcast. Plan on more disasters happening, for Jesus said: *"I tell you, no, but unless you repent, you will all likewise perish."*

Please keep this preacher in your prayers and know he is praying for you, his flock. *"Beloved, I pray that in all respects you may prosper and be in good health, just as your soul prospers."* 3 John 2

This preacher often ponders how to be a good steward of Ministry funds. Should he increase the outreach, add on to the office, hire extra help, get the Internet radio going, or add more stations? Even as this newsletter goes to print he is being offered some interesting broadcasting time on a special cable radio network that reaches a huge audience. Pray the Holy Spirit directs him.

PS: this is one final PS pondering of the preacher. He is pondering how he is getting witnesses to the prosperity promise of Malachi 3:10. As a 1-2 punch for that promise, we publish in this newsletter another article on tithing. May it bless your life.

God gave us a special formula for blessing and prosperity in every facet of our life. He made Covenant with His people...

## God's Covenant of Blessing

### The Perfect Investment.

Everyone is looking for that perfect investment. You know. The one that is 100% guaranteed to preserve your capital and always produce great interest and dividends. We want a sure thing! No risk. Just profit! Impossible you say?

Yes! Such a program does exist. God gave us a special formula for blessing and prosperity in every facet of our life. He made Covenant with His people, guaranteeing a profitable position to all who will enter into His special provision. Financial blessing, spiritual peace and physical and emotional health are the promised return on this policy. It's called "**Tithing**".

Abram, led of the Holy Spirit, paid tithe to Melchizedek. (Genesis 14:18-20). *And Melchizedek king of Salem brought out bread and wine; now he was a priest of God Most High. And he blessed him and said, "Blessed be Abram of God Most High, Possessor of heaven and earth; And blessed be God Most High, Who has delivered your enemies into your hand."*

Jacob pledged to tithe." *And Jacob vowed a vow, saying, If God will be with me, and will keep me in this way that I go, and will give me bread to eat, and raiment to put on, So that I come again to my father's house in peace; then shall the LORD be my God: And this stone, which I have set for a pillar, shall be God's house: and of all that thou shalt give me I will surely give the tenth unto thee" (Genesis 28:20-22).*

In God's formula, the tithe is 10% of the increase or profits from our labor, business or investments. He has established a system that provides absolute surety of return to those who will obey his command. There is no choice given concerning this obligation. It is the law of God.

## God's Covenant of Blessing

Leviticus 27:30 declares: *“Thus all the tithe of the land, of the seed of the land or of the fruit of the tree, is the LORD’S; it is holy to the LORD.”*

God declares that the tithe **belongs** to him. Yes, one-tenth of all of our increase, whether it is wages for our labor, profit from our business, or produce of our land, the tithe belongs to God. It is not ours. It belongs to Him. We have no right to withhold it, nor can we dictate its use.

### ***Where should we pay tithe?***

The Tithe is to be presented to those who provide the spiritual care for His people. It is to be used for the work of the ministry and the furtherance of His Kingdom. The House of Worship is to be maintained. Spiritual leadership (Pastors, Prophets, Evangelists, etc.) are to use a portion of it for their own support and provision. It is to be extended as a benevolence to meet the need of the widows, the stranger and the poor.

We often hear the remark, *“Let us give our tithe and offerings”*. Actually, we cannot give something that we do not own. God has declared his ownership of the tithe.

We may *present* our tithe and *give* our offerings. There is a difference. The tithe belongs to God. The offering is a gift or pledge (vow) given freely from our own will. The tithe is to be paid. The offering is a gift. God prospers us through both.

Make no mistake. God has established a law for the economic blessing of his people. Those who walk in obedience will prosper. Those who refuse are rejecting God’s commitment to bless. They are actually cursed.

The Christian who does not tithe will not prosper. They may seem to do well for a season, but eventually will find themselves under an unexpected crisis. Their disobedience places them under the curse of failure. They cannot prosper.

The Tithe  
is to be  
presented  
to those  
who  
provide  
the  
spiritual  
care for  
His  
people.

## God's Covenant of Blessing

The Priests were given the responsibility of dispensing the tithe to its proper use.

Many Christians feel they may dictate the use of their tithe. They designate how or when it is to be spent. This is wrong. Those who pay the tithe have no authority to control its use. Presenting the tithe with conditions attached is not really tithing at all. Such a person is still in control and has not relinquished his influence over it. Rest assured that such a policy will bring frustration and disappointment, not blessing.

The Priests were given the responsibility of dispensing the tithe to its proper use. Those that God entrusted with the use of the tithe must answer to Him.

One may disagree with the judgment of those who receive the tithe. Use of the tithe is not the responsibility of the one presenting it. Those receiving it for God's work may even misuse it or violate God's directive. That is their problem. Their accounting to God is certain. They must answer to God for their stewardship. God will deal adequately with those who misuse the tithe entrusted to their care.

Many Christians have cheated themselves and their family of God's blessing by withholding their tithe or designating its use. We will be blessed if we obey God in consistently presenting the tithe. He will honor our obedience. Our blessing is secured. We cannot afford to violate his law.

Many have asked, "*To whom should I present my tithe?*" The Scripture is clear. It was to be brought to the Priests at the house of God. They were His representatives to the people.

Present your tithe to those who provide your spiritual food and covering. It is to be used to provide for those who serve Him in

## God's Covenant of Blessing

spiritual leadership as stated in Numbers 18:24.

*“For the tithe of the sons of Israel, which they offer as an offering to the LORD, I have given to the Levites for an inheritance; therefore I have said concerning them, ‘They shall have no inheritance among the sons of Israel.’”*

Today we have many apostate churches, preaching many untruths. A church structure is not necessarily the House of God. We should make conscience effort to pay our tithe to those who preach the truth, those who teach His Word to the sheep of His pasture. We are to be faithful to those who provide our spiritual nourishment and covering.

Some Christians ask what should I tithe upon, my gross pay or my net pay?

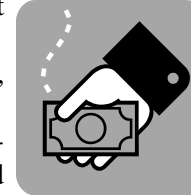

The Scriptures plainly state that we are to present the tithe on the increase. The hourly or salaried worker may look at their check and conclude that they should tithe only on the actual amount on the check. Be careful! There can be a difference between the increase and the net sum which the check is written.

Did you have withholding for retirement funds or other items that will be used for your personal benefit? That is really part of your increase. When in doubt, be sure to give God what belongs to Him. You can never out give God. It is better to give more than required than less.

Those who are in business should subtract all expenses that apply to its operation. This becomes the net increase in the business. Then tithe on the net from your business. When you tithe on the net increase from both your business and personal income, you will find that both will be blessed as God has stated in Malachi 3:10-11.

If you pay yourself a salary, then your salary is a business expense which reduces your net business income, but you would then tithe on your personal salary, just as an individual who works for wages. God requires

We are to be Faithful to those who provide our spiritual nourishment and covering.

## God's Covenant of Blessing

tithe from the increase.

***The tithe is Holy unto the Lord.***

That which is holy unto the Lord is to be handled with great care and reverence. The same care in keeping the other ordinances of God must be given to the commandment concerning tithes and offerings.

Perhaps the main reason for declaring that the Old Testament law has become null and void is greed, the love of money. Many of the modern-day (so called) Christians make a tremendous effort to avoid God's command to tithe.

Some would make the argument that the tithe was Old Testament law and does not apply today. Not True. Actually the tithe was instituted from the very beginning. God required Cain & Abel to present an offering unto Him.

The Scriptures do not detail the specific directions that God gave them, but it does give enough information to let us know that it was a mandatory requirement given with explicit instruction. Cain rebelled, presented an unacceptable offering, killed Abel, lost his birthright, was cursed by Almighty God and ended up a wanderer and outcast.

*“And in process of time it came to pass, that Cain brought of the fruit of the ground an offering unto the LORD. And Abel, he also brought of the firstlings of his flock and of the fat thereof. And the LORD had respect unto Abel and to his offering: But unto Cain and to his offering he had not respect. And Cain was very wroth, and his countenance fell. And the LORD said unto Cain, Why art thou wroth? and why is thy countenance fallen? If thou doest well, shalt thou not be accepted? And if thou doest not well, sin lieth at the door. And unto thee shall be his desire, and thou shalt rule over him”*

(Genesis 4:3-7 KJV).

From the beginning, Adam's descendents were required to give an offering unto God, our Creator. This is

The tithe was instituted from the very beginning.

God required Cain & Abel to present an offering unto Him.

From the beginning, Adam's descendents were required to give an offering unto God, our Creator.

## God's Covenant of Blessing

one of the most violated commands given to the People of Israel. Few would ever suggest that the Ten Commandments should be ignored, but seem to have little difficulty in robbing God of His tithe.

Abram (Abraham) who lived before the law, paid tithe unto Almighty God. *“And Melchizedek king of Salem brought forth bread and wine: and he was the priest of the most high God. And he blessed him, and said, Blessed be Abram of the most high God, possessor of heaven and earth: And blessed be the most high God, which hath delivered thine enemies into thy hand. And he gave him tithes of all”* (Genesis 14:18-20).

The Children of Israel were commanded to present the tithe to God. *“And all the tithe of the land, whether of the seed of the land, or of the fruit of the tree, is the LORD's: it is holy unto the LORD”* (Leviticus 27:30).

So you see, every man who served God from the very beginning owed God a tithe from His blessing and increase. The tithe is the Lord's; it does not belong to you. God has reserved it for His purposes.

### ***The tithe is not for personal use!***

He has not given us permission to use it personally. Most of us will face financial difficulties at one time or another. We are tempted to feel that we cannot afford to present our tithe. Be assured that this is not true. Prove God's covenant promise by activating your faith. Be obedient to His “Covenant of Blessing” and watch God make a way for you where there seems to be no hope or solution.

The tithe is not ours. We have no right to appropriate it for our own use. ***God is more than able to make the 90% that He has reserved for us adequate to cover our needs.***

Some make excuse that *“my need is such that I'll use the tithe”* to pay my bills. This is a dangerous decision. It makes little difference as to how it is spent. It is God's money! Any other use is actually stealing from God. This is sin. In fact, we cannot afford to not present the tithe. Deuteronomy 26:13 reads:

*“You shall say before the LORD your God, ‘I have removed the sacred portion from my house, and also have given it to the Levite and the alien, the orphan and the widow, according to all Your commandments which You have commanded me; I have not transgressed or for-*

The real test of faith comes when we pay the tithe knowing that only God can stretch our provision to meet the need.

## God's Covenant of Blessing

*gotten any of Your commandments.”*

### ***Tithing is an act of faith.***

Isn't it strange that we can believe God for our redemption and spiritual need and doubt His ability to provide our daily care?

Jesus made it very clear that He cares for our every need (Luke 12:6; 1 Peter 5:6,7). It is much easier to present our tithe or give an offering when we have sufficient to meet our needs. The real test of faith comes when we pay the tithe knowing that only God can stretch our provision to meet the need.

*“Bring ye all the tithes into the storehouse, that there may be meat in mine house, and prove me now herewith, saith the LORD of hosts, if I will not open you the windows of heaven, and pour you out a blessing, that there shall not be room enough to receive it. 11 And I will rebuke the devourer for your sakes, and he shall not destroy the fruits of your ground; neither shall your vine cast her fruit before the time in the field, saith the LORD of hosts” (Malachi 3:10-11)*

The promise of abundance and blessing is given to all that obey the law of the tithe. He promises to open the windows of heaven and add unto us more than we can contain. His blessings are without limit. They are not limited to things of tangible value.

This promise is reflected in many ways. We will flourish spiritually. Our obedience opens many doors of opportunity. We have sweet fellowship with Him. Faith and hope are quickened within us. Peace and confidence are a continuing presence.

*(see page 20 for a personal testimony from a consistent tither and giver to this ministry)*

Our health is stabilized. Our children have less sickness. Health care costs diminish. Tangible needs are miraculously provided. The car needs fewer repairs. The material necessities of life actually last longer. We have fewer accidents and unexpected crisis.

## God's Covenant of Blessing

Actually, the 90% goes farther than the 100% would if we had not tithed. We may not understand this wonderful principle. But, it is a miraculous truth. In fact, every aspect of our life is enhanced with the special blessings produced through tithing. God actually invites us to test his faithfulness to bless those who obediently tithe.

Violating God's command to tithe has devastating results. Both our spiritual relationship and tangible provision is restricted.

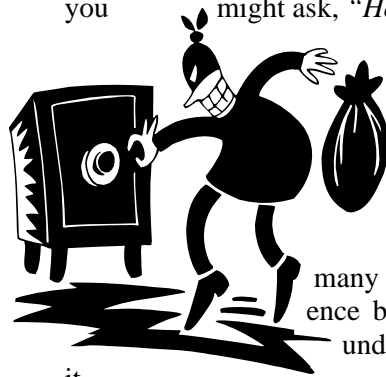

Disobedience in tithing reveals much more about our relationship with God than we realize. Certainly, fear and unbelief is involved. Selfishness may be a motivation.

The idea that *"I earned it and it is mine,"* influences many to ignore this command of God. Perhaps fear and insecurity rule us. We may ask: *"How will I pay my bills?"* or *"How can I 'get by' on just ninety percent of my income?"*

Many of God's Remnant People have violated the law of the tithe. They live with constant financial crises simply because they will not tithe. They would never consider involvement in any form of dishonesty or theft. Yet, have little difficulty in stealing from God. But, you might ask, *"How have we stolen from God?"*

Malachi 3:8-9 states:

*"Will a man rob God? Yet you are robbing Me! But you say, 'How have we robbed You?' In tithes and offerings. 'You are cursed with a curse, for you are robbing Me, the whole nation of you!"*

The Covenant of the tithe affects us in many ways. Obedience brings blessing. Disobedience brings a curse. It is very important that we understand this truth. There is no way to avoid

it.

Both our spiritual and financial well being is contingent upon our handling of the tithe.

Our violation of His command to tithe removes us from God's covering and blessing in every area of life. He may extend His grace and mercy for a season. But eventually we will find ourselves living under a curse, finding it impossible to prosper, or we will begin to serve

## God's Covenant of Blessing

the god of money and completely reject Almighty God, our Creator.

One may seem to prosper in this life, but will soon learn that they have sold their birthright for a bowl of stew. Disobedience is sin! Is it worth it? I think not!

Obviously paying the tithe on what God has provided for us is not an option. In His commitment to meet all the needs of His people, He has reserved a tenth of that provision for Himself.

The "hirelings" in today's religious world have abused, adulterated and mis-stated this wonderful Covenant. Those who constantly beg for money have blinded many to this Covenant of financial promise.

Some congregations hear more about the church financial need than the Word of God. Most have never heard that the Law of tithing is a Covenant of promise. They take the approach that *we owe God* our tithe and offerings.

We cannot owe God something that is already His. If we withhold what belongs to Him, have we not robbed Him? We do not owe God our offerings. The tithe is to be paid and the offerings are to be given joyously with a cheerful heart.

*"Give, and it shall be given unto you; good measure, pressed down, and shaken together, and running over, shall men give into your bosom. For with the same measure that ye mete withal it shall be measured to you again"* (Luke 6:38).

Jesus instructs the Scribes and Pharisees about tithing, while omitting concern for the weightier matters, justice, mercy and faithfulness. He stated that these must be done without neglecting the other.

Obedient tithing brings great reward. Let us be reminded that the tithe belongs to God. It is His portion. It is Holy, never to be used inappropriately.

Offerings are that which is presented unto the Lord in action of praise and thanksgiving, or simply extended for His use out of our genuine desire to meet a need.

We can never out-give God when presenting our tithe or giving an offering. While observing those who are faithful in tithing over many years, we can draw only one conclusion. God is true to His Covenant. Those who tithe prosper in many ways. Those who do not tithe face constant adversity and need.

Be encouraged to live by God's "*Covenant of Blessing*" and reap the reward described in 2 Corinthians 9:6-8:

*"Now this I say, he who sows sparingly will also reap sparingly,*

## God's Covenant of Blessing

*and he who sows bountifully will also reap bountifully. Each one must do just as he has purposed in his heart, not grudgingly or under compulsion, for God loves a cheerful giver. And God is able to make all grace abound to you, so that always having all sufficiency in everything; you may have an abundance for every good deed;"*

### Do you know what the ancient prophet Isaiah prophesied concerning the future working of the Holy Spirit?

\* \* \* \* \*

Listen to the August 5, 2007 Sunday sermon entitled "*But By My Spirit*", and you will learn of one of the workings of the Holy Spirit that the so-called Spirit filled churches of our land never preach and probably do not know.

If you do not know of the special work of the Holy Spirit that is never preached, you will not know the prophecy concerning the Holy Spirit that is about to take place. The prophecy is somewhat concealed, but revealed in this sermon.

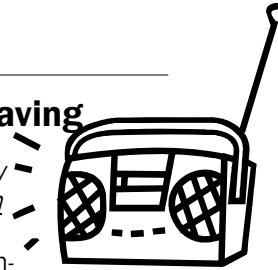

It is true that one of the workings of the Holy Spirit is to convict of sin and cause His people to return to Him. This aspect is taught some in some churches, but the prophecy that tells how this will be done is almost never taught because it is not known. You will know, if you hear the sermon.

The archive is available at our website, both audio and video. If you are on our CD and/or cassette tape ministry you will soon be receiving it in the mail. If not, you can order the tape, CD or DVD of this 4th part in our recent "*Holy Spirit*" series of messages.

07-02-07 Zechariah 4:6... *"Not by might, nor by power, but by my spirit, saith the LORD of hosts."*

What I preached in this past Sunday's sermon was the forgotten, or ignored aspect of the Holy Spirit, is that the churches that are supposed to, and pride themselves in teaching on the Holy Spirit, are not teaching on it, or are teaching falsely according to Scripture. I give an example from a CD that I recently received, and you should listen to see if you have your ears trained to the Word; *"...that no one deceive you."* You should not believe every spirit, but test the spirits of these that claim to teach on the Holy Spirit with the Word of God! Once, a man who claimed to have and be able to teach on the gift of tongues said something like; "...I'm sick of these 'the Bible say' guys'". Yes, one who does not want you to be as the Berean's of Acts 17:11 and search the Word of God to see if what they teach is so would not wish for you to be a "The Bible says..." type of person. The Word of God does teach that He gives the Holy Spirit to those who obey... but obey what? 07-03-07 More on the Holy Spirit... ASK!

In this past Sunday's sermon, and Monday's following message we taught on the forgotten or ignored aspects of the Holy Spirit. We said some things taught straight from Scripture that probably angered those in the so called "Pentecostal" circles. Then, we taught from the Holy Scriptures some things that probably angered those outside and against what is known as the Pentecostal movement. I say as Paul, have I become your enemy by telling you the truth? Tonight we will ask you IF you did what I asked you to do in the last broadcast (07-02-07). Have you? Have you asked for more? Listen to this message for more on the Holy Spirit and teaching that are forgotten, or deliberately ignored by both groups.

If you listened to our Sunday sermon entitled; "Figuring out faith" we noted that we are to walk by faith and not by sight. We are not going to be teaching on "faith" so to speak tonight, but it takes faith, endurance and the confidence that we taught on in that message. What is the bravest thing that Elijah ever did? ### 07-10-07 Spiritual Attacks from Evil Ones

There are many people out there today SUFFERING from attacks by evil persons. Christian people are under attack from the evil forces out there today. Tonight we will have a variety tonight starting with a Bible Study generated by an e-mail this preacher received from one such person under attack from one of the evil ones. This is something we are seeing more and more of today, and I believe as we FIGHT against Satan and his serpent children we will experience yet even more to come. Remember, they (the "theys") fight back. Do not think that the spiritual can not affect the physical. Many are physically sick because of these satanic attacks by wicked ones and their craft. Listen to this broadcast for more...

### 07-11-07 A "Smorgasbord" from the radio pulpit.

It is time that the House of Israel and the House of Judah realize WHO they are. They are the Anglo-Saxon, Germanic, Scandinavian, Celtic and kindred peoples that are blinded today of their true Identity. There are those that have stolen the Identity of Israel and are of the "synagogue of Satan". But don't worry, that "Ole Wheel will roll around again" just like the old song by John Cash and Hank Jr. says. Write to us for our booklets; A Bible Story, the Greatest Discovery of our age, and the DVD, Roots; from Abraham to America. A look at Deuteronomy 28 will reveal what is happening to our people. Tonight we will go through some mail and other Misc. items that need to be handled. We are also going to talk about healing. Listen up! We are all growing in the grace and knowledge in the Lord Jesus Christ, and there are things that many do not understand in the area of healing. Listen to this broadcast for more...

Butter has been around for centuries where margarine has been around for less than 100 years.

## The Hand That Rocks the Cradle

### Pass the butter ~

Margarine was originally manufactured to fatten turkeys. When it killed the turkeys, the people who had put all the money into the research wanted a payback, so they put their heads together to figure out what to

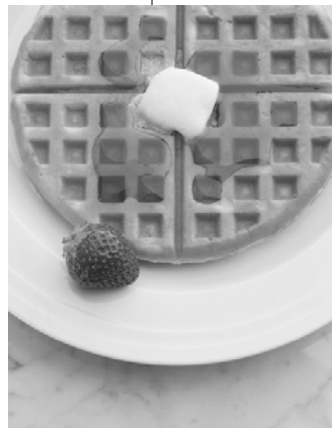

do with this product to get their money back. It was a white substance with no food appeal, so they added the yellow coloring and sold it to people to use in place of butter. How do you like it? They have come out with some clever new flavorings

DO YOU KNOW the difference between margarine and butter?

Both have the same amount of calories. Butter is slightly higher in saturated fats at 8 grams compared to 5 grams. Eating margarine can increase heart disease in women by 53% over eating the same amount of butter, according to a recent Harvard Medical Study.

Eating butter increases the absorption of many other nutrients in other foods. Butter has many nutritional benefits where margarine has a few only because they are added!

Butter tastes much better than margarine and it can enhance the flavors of other foods. Butter has been around for centuries where margarine has been around for less than 100 years.

## The Hand That Rocks the Cradle

And now, for Margarine..

Very high in Trans fatty acids. Triple the risk of coronary heart disease. Increases total cholesterol and LDL (this is the bad cholesterol) and lowers HDL cholesterol, (the good cholesterol). Increases the risk of cancers up to five fold. Lowers quality of breast milk. Decreases immune response. Decreases insulin response.

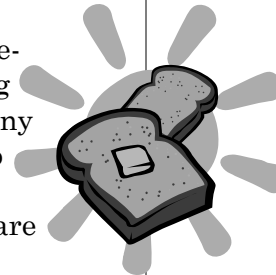

And here's the most disturbing fact....

Margarine is but .. ONE MOLECULE away from being PLASTIC.. This fact alone was enough to have me avoiding margarine for life and anything else that is hydrogenated (this means hydrogen is added, changing the molecular structure of the substance).

You can try this yourself: Purchase a tub of margarine and leave it in your garage or shaded area. Within a couple of days you will note a couple of things:

- \* No flies, not even those pesky Fruit flies will go near it (that should tell you something)
- \* It does not rot or smell differently because it has no nutritional value; nothing will grow on it. Even those teeny-weeny microorganisms will not find a home to grow. Why?— Because it is nearly plastic.

Would you melt your Tupperware and spread that on your toast?

And here's  
the most  
disturbing  
fact....

Margarine

is but

ONE

MOLECULE

away from

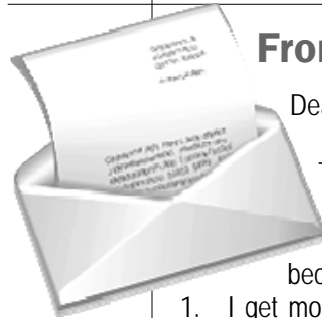

being

PLASTIC..

We hope you learn from and apply the information in this article about butter and margarine (it was emailed to us by a supporter).

Pastor Peters also has a message about 'real butter' and discusses just what margarine does to a man. It is entitled "*Some People Don't Like Real Butter*" (#573), and it is available on tape or CD for a \$5.00 donation from Scriptures for America Ministry, PO Box 766, LaPorte, CO 80535.

Remember to send in your articles for consideration for the "*Hand that Rocks the Cradle*" section in future DragonSlayer newsletters!

Dear Pastor,

I appreciate the sermon "The Hardest Thing Elijah Ever Did" (#1123). I think it will bless a lot of people and spark them into doing the right thing. Here are a few points that I know are true because of us being tithers and givers.

Tithing has also increased my trust in the Lord. He has shown me time and time again that He keeps His Word.

1. I get more from the sermons. There is an understanding both of the sermons and God's Word that I don't believe I would have otherwise.
  2. My business is better than ever and I know it's not because of my efforts. I've done less in the way of marketing and promoting than ever before, but in spite of that we seem to increase every year.
  3. I recover from mistakes in my business or finances quicker than in the past.
  4. I don't have to be that smart to be successful. The command isn't tithe and be smart, it is just tithe. I seem to be able to do things better and faster than ever.
  5. Tithing has also increased my trust in the Lord. He has shown me time and time again that He keeps His Word. Often the money needed doesn't come until just when it's needed, but He doesn't fail us.
  6. I believe it's important to give with no strings attached, otherwise it's not really giving. I don't send you tithes for radio time or for this or that...it is for what I've received, for what I'm fed.

Pastor Peters,

I just want to let you know by using the anointing/unanointing oil on my arthritic wrist, healing has begun. I have been doing yard work pain-free. I also ride my scooter pain-free. I no longer take prescribed pain medication. There was a time that the pain was un-bearable even when I was doing nothing.

I listen to your internet broadcasts every day, even at work. I am trying to follow and learn, but I must admit that there is an awful lot of material, such as:

1. The Lord's Prayer
2. The Prayer Filter
3. Putting on the armor of Ephesians 6
4. The Preparatory and Imprecatory Prayers
5. Use of the Unanointing / Anointing Oil
6. Calling down Fire (? am not familiar with this one at all...)
7. Binding and Loosing (Really not familiar with your teaching on this one, other than hearing one sermon from one of the Branson meetings ONCE - but this may not be for me since it sounds like you need a partner to be in agreement with you and I am completely alone out here - no Anglo Israel believers around at all...)
8. Continue to pray and pray and pray to the Lord for more, more, more of His Holy Spirit (This I can do and do do...I desperately need more and need all I can get!) California

TELL Pastor that his testimony about his childhood icons was/is excellent. Harry Potter is a weapon of the Dark Side; A generation of witches. Oh, I got it when you said in parody that you were *"Getting in touch with your feelings."*

Don't feel that you are UNAPPRECIATED. You are preaching exactly, by the Grace of God, what we Americans, etc., what White men need. Via Email

Dear Pastor Peters:

I want to thank you for your enlightening sermon today which was so meaningful and helpful. I have been puzzled in the past about the Holy Spirit and you have clarified many points of which were confusing to me which certainly leads me to want more insight. I simply cannot tell you how much this particular sermon means to me...I intend to listen again and again this coming week. Thank you again, Pastor.

Dear Pastor Peters,

I am disgusted with pea brained people who know absolutely nothing about the Bible, but are quick to say that "it's the old testament" that says that homosexuals are to be put to death. As if everything in the "old" testament is null and void. But, I never allow them to get away with saying that "it's the old testament". I point out Romans 1:32 which backs up the "old testament" by saying that homosexuals are "worthy of death". That first book of Romans is a much better treatise on homosexuals than Leviticus. "God gave them over to a reprobate or a depraved mind". To me, that means they can never be saved. It means they will face the second death. If they think the first death is bad, just wait until they find out about the second death.

I fear my God. And, I am doing everything I can to avoid that dark Hell. I am running away from sin. Eternity is a long time. Homosexuals are exactly like the alien devils. They have no hope. I believe they instinctively know when God turns his back on them. Instinctively they know it when it happens. That's why murder is no big deal to them. It's why nearly all the serial killers are homosexuals. They are already committing such vile filthy acts that murder is no big deal to them. I dare anybody to do a study on serial killers to find out how many of them are homosexuals or sexual perverts of some kind. I personally read over a hundred books about serial killers. Ann Rule who wrote the book, "The Stranger Beside Me" never said that Ted Bundy who murdered as many as 45 women was a homosexual. She only reported that he hung out in gay bars.

This is all God's way of saying, you like and condone homosexuals? Then, here are your results for your country. Serial killers, sexually transmitted diseases, pornography, drugs, drunks (seems they have to drink or do drugs to face their vile selves in the mirror), pedophiles, and every evil filthy thing you can imagine. God keeps his word given there in the "New Testament".

The book of Romans saying they are "worthy of death" is good enough for me. But, thank God for the entire bible. I wish it were a bigger book. But, it is all one bible with no contradictions. I pray for the day when there will be no more of the types "worthy of death" on earth. Via Email

Hello Pastor Peters,

Turned on the Internet this morning and you came in fairly good. Sure good to see Brother Jim back in the saddle. I was truly amazed at the message

## From the Mailbag

today. It was great. Anxious to get that one transcribed.

When I was transcribing this one, half the time I couldn't for the tears. 7-18-2007-God Done Did What He Said He'd Do and He's Still Doing It. I have been praying for more Holy Spirit, and I am experiencing more of it for sure. And I want you to know that I pray the prayers every day and most of the time twice. It is so important for them to go out in strength and power of the Holy Spirit.

When I was transcribing the one on the two separate groups—been there, done that, experienced it all. Guess that's why I just can't go to the churches here. Been to a home Bible study group for a short time and there was no truth in it.

Well God bless you and all your staff. Pastor Applegate has been doing some messages that have been hitting me right where I need them. Thanks to you all. Alaska

Pastor Peters,

Just listened to your broadcast and wanted to email you while my thoughts are fresh. I would encourage you NOT TO WORRY about those sheep that think you are a bad preacher because you talk about the sons of the devil and of Cain that live among us. I know they are good folks but they are blind to this truth and you can't open their eyes EVEN IF YOU SPEAK THIS TRUTH.

It is God that opens their eyes as He did our eyes to this truth and that's only if they want to seek it.

You have to keep it in your mind that there are some of us out here that are not wimpish or squeamish to the true message of Jesus. Talk to US. And when you speak, speak like a man that is a LEADER. I like when you talk like General Patton and not like sweetie-Petey. God, I believe, did give you that leadership anointing and a boldness to speak what others wont.

Don't worry about being more loving. You don't have to love everyone. I think you are a good neighbor. I think if you saw someone in need you would assist if you could. But sometimes, sometimes you have to beat the hell out of someone and use a cowboy boot.

You have to keep it in your mind that there are some of us out here that are not wimpish or squeamish to the true message of Jesus.

It seems  
THEY  
provide  
diversions  
to take us  
down the  
rabbit trail  
and miss  
the true  
teachings  
of HIS  
Word.

### From the Mailbag

Please don't talk about Love ...You are a Leader in the army of God. General Patton didn't care if his men loved him. He wanted them to respect him. If you are a good leader your men WILL LOVE YOU. That is YOUR MEN...not EVERY MAN.

Ps. I DON'T THINK YOU ARE CRAZY TO TALK ABOUT ALIENS.. I know they are here among us. They were here before. The Devil is literally coming back to this earth again. I know it!!! I believe he is coming back to pretend he is Jesus.. just as you say A COUNTERFIET of the real Jesus. (don't worry if ETHEL is wanting you to stop preaching this horrible message....Ethel is worthless to us) Via Email

\*\*\*\*\*

I see numerous efforts on creating "counterfeit" space alien "theology" on the talk shows. (UFO Aliens, space creatures from Mars, Moon cities, etc.) It seems THEY provide diversions to take us down the rabbit trail and miss the true teachings of HIS Word.

Pastor Peters said of an old movie how we, as a people, looked back then. I have a US Postage stamp from WWII showing about five Navy personnel on a battleship. ALL are "Nordic" looking, thin and happy. Propaganda (of the time)... yes, but also representative of our population spectrum not too long ago.

"THEY" are certainly making every effort to deceive the elect. Please tell Pastor Peters that being at the forefront of an attack force does make it harder to fend off the slings and arrows of the enemy. But, remind Pastor Peters (though it is most likely not necessary) that the very best rewards are received by the first "soldiers" on the scene.

Am thankful HE plucked the enemy's arrow from Pastor's body and flung it back from whence it came. May the "shooter" be pierced with it and receive the mortal blow intended for Pastor... whether they can die of not let them be "NEUTRALIZED!" California

Dear Brother,

I have been studying our Father's Word daily now for

## From the Mailbag

several years. As of late, I had become somewhat bored (?).

I prayed to our Father for strength and further understanding. *"Seek and ye shall find. Knock and the door shall be opened unto you."* His promises are ever true.

I stumbled (?) upon your article *"A Bible Story"* and although I already knew much of what was written there; never had I read it so clearly put into words. Thank you for such a wonderful story. You are an true vessel of our LORD and SAVIOUR and I thank you from the bottom of my heart.

There is no such thing as coincidences where our Father is concerned. He led me there and I thought it might inspire and uplift you to know that He loves you and your work so much that He leads His people to your site. Via Email

\*\*\*\*\*

Dear Pastor Peters,

I already sent you an e-mail citing my suspicions that all the churches are owned and established by jew snakes. Last night I watched Larry King's show with Tammy (Baker) Messner. Old Tammy Faye is dead now. Old Tammy Faye was a jewess bitch. Old Tammy Faye's husband, Rowe Messner, is a jew snake.

See if you can grasp this: he built 1700 churches. Think about that for a minute. I know you know as well as I do what kind of creatures pastor those 1700 churches from Hell. And, I know you know as well as I do who owns those properties. That jew snake bastard purchased the land, paid for the buildings, and placed jew snake bastards like himself behind the pulpits to poison the minds of as many of our people as possible. Is this a war? Or what?

Old Tammy Faye loved to talk about "the lord". But, she never mentioned the name of Jesus Christ. Just who is her "lord"? Satan, of course! And, now her son with his tattoos, pierced lip, ear rings, and anything goes pro-homosexual attitude has his own church where he promotes homosexuality, anything goes, God loves everybody the same leaven from Hell. He is far worse than his ugly jew snake mother.

There is no such thing as coincidences where our Father is concerned.

He led me there... to your site.

-----  
 Old Tammy Faye's husband, Rowe Messner, is a jew snake.

They are  
sly dogs.  
Thank God  
you and I  
have  
them  
pretty  
well figured  
out.

That skinny anti-Christ jew scumbag Larry King loves Old Tammy Faye, her jew husband, and that pervert jew son. I wonder why. Tammy Faye had lung cancer. She weighed 65 pounds when the show was taped. But, she still had on all her makeup. I wish you could have seen her. It was such a pathetic sickening sight that even I felt sorry for her. If I did not know who her "lord" is I would have been in tears. She looked unreal. It was indescribable.

Anyhow, I just thought it would be good for you to hear about the 1700 churches. Most people think, wow! he is such a wonderful man! 1700 churches! Praise God!

They are sly dogs. Thank God you and I have them pretty well figured out. God only needs a few good men to win this war. I am trying to be one of them. God bless you, my pastor and friend.

Dear Pastor Peters,

Thank you for my most cherishing period in my life that took place in Branson, MO. I gained so much as I mingled with most of the attendees that were there.

I must suggest the following to you. Would it be possible to internet a structured scholarly Bible study hosted mainly by you, subject to periodic personal assemblies at dates subject to your decision. Personal attendance at these gatherings would be a requirement in order to be supported for ministry. I would suggest that quizzes, tests and examinations be part of the curriculum plus an assessment of the spiritual and Christian outlook of the candidates be also considered.

I appreciate your service to our Savior and our Father.

Dear Pastor Peters & SFA staff,

Thank you very much for the tapes to replace our lost ones in the "gods" series -they arrived so fast we were able to keep them in correct order for this little part of the flock in New Zealand!

Lastly, I was wondering about your view of speaking in tongues, specifically as the evidence of baptism in the Holy Spirit? We wondered about including some scriptures on this in your excellent booklet *"How to become a Christian"*-so that the saints might be expectant of receiving this further gift-& be more fully equipped for the Lord's work ?
