### Things are happening fast

and have been happening fast ever since we revealed the man of sin of 2 Thessalonians 2:3 & 4 (read and disseminate our booklet, Revealing the Man of Sin, available from SFA). It is now time for getting the troops to pray the pound and pulverize prayers that we are posting in 2008. (Read our main article in this newsletter.) Concerning the subject of our main article, read the following excerpt from a January 21, 2008 European news article, showing someone (or something) is breaking some pillars.

Berlin - More than half the concrete pillars making up Berlin's sombre Holocaust Memorial have cracked, a news report said Monday, and municipal officials said that repairs could not begin till the spring. The sea of 2,711 pillars or stelae, suggest to the visitor the vast number of Jewish lives wiped out by the Nazis.

The magazine Cicero said a check completed this month found damage in 1,361 of the stelae, up from fewer than 450 a year ago.

Designed by US architect Peter Eisenman, Germany's national monument to the Holocaust victims was completed in May 2005.

The exact cause of the cracks, some only hairline and others more than 2 millimetres across, is under dispute. The row about blame prevented work beginning before the winter to fix the damage.

Keep praying for your preacher. The other side is moving fast as well and is making plans to persecute and arrest preaching men of God. It is becoming clear why Jesus commanded men of God

to buy a sword (Luke 22:36). The following 10-25-07 news article tells much. This Bill is yet to be voted on in the Senate, and we shall pray for its defeat.

House Passes Thought Crime Prevention Bill

[www.roquegovernment.com](http://www.roquegovernment.com)

Lee Rogers

The U.S. House of Representatives recently passed [HR 1955 titled the Violent Radicalization and Homegrown Terrorism Prevention Act of 2007](#). This bill is one of the most blatant attacks against the Constitution yet and actually defines thought crimes as homegrown terrorism. If passed into law, it will also establish a commission and a Center of Excellence to study and defeat so called thought criminals. Unlike previous anti-terror legislation, this bill specifically targets the civilian population of the United States and uses vague language to define homegrown terrorism. [Amazingly, 404 of our elected representatives from both the Democrat and Republican parties voted in favor of this bill](#). There is little doubt that this bill is specifically targeting the growing patriot community that is demanding the restoration of the Constitution.

It is also time to wake up and wise up and prepare for the wedding feast. (Read our new treatise, The Marriage Feast and the Wise and Foolish Virgins, posted at our website as the January 23, 2008 Weekly Insight, and/or listen to our radio program of January 15, 2008, archived at our website.)

Pastor Peters seriously suspects the year 2008 will be the year of the first resurrection (listen to our Sunday sermons of January 6, 2008 and January 13, 2008, both archived at our website.)

## A Pillar Pounding Prophecy

### A Pillar Pounding Prophecy

by Pastor Peter J. Peters

*...but  
you  
shall  
utterly  
overthrow  
them,  
and break  
their  
sacred  
pillars in  
pieces.*

*Exodus  
23:24*

Christians are told to give heed to prophecy (1 Peter 1:19), but are woefully lacking in understanding prophecy and what to do with prophecy once they do understand it. There is in the Bible what we shall call, in this writing, a pillar of prophecy. It is found in Micah 5:13: "***I will cut off your carved images and your sacred pillars from among you, So that you will no longer bow down to the work of your hands.***" (Emphasis added). Note that it is prophesied that the sacred pillars would be cut off.

Israel of old, in Old Testament physical warfare, was told to destroy the enemy sacred pillars. *You shall not worship their gods, nor serve them, nor do according to their deeds; but you shall utterly overthrow them, and break their sacred pillars in pieces.*

Exodus 23:24

*But thus you shall do to them: you shall tear down their altars, and smash their sacred pillars, and hew down their Asherim, and burn their graven images with fire.*

Deuteronomy 7:5

*And you shall tear down their altars and smash their sacred pillars and burn their Asherim with fire, and you shall cut down the engraved images of their gods, and you shall obliterate their name from that place.*

Deuteronomy 12:3

Pillars have always played an important part on the part of the cursed enemies of God's people, in their worship of and service to their gods and in their

## A Pillar Pounding Prophecy

warfare against us. The pillars serve as a connection to *their* gods and power source. Thus, *our* God instructed His people to destroy their pillars. Our God was (and is) a pillar of fire and light to His people (Numbers 14:14).

In Sampson's day there was a party, and there was the end of the party. It ended in the destruction of two pillars. Entertainment was part of their party.

*It so happened when they were in high spirits, that they said, "Call for Samson, that he may amuse us." So they called for Samson from the prison, and he entertained them. And they made him stand between the pillars. 26 Then Samson said to the boy who was holding his hand, "Let me feel the pillars on which the house rests, that I may lean against them." 27 Now the house was full of men and women, and all the lords of the Philistines were there. And about 3,000 men and women were on the roof looking on while Samson was amusing them.*

*Then Samson called to the LORD and said, "O Lord GOD, please remember me and please strengthen me just this time, O God, that I may at once be avenged of the Philistines for my two eyes." 29 And Samson grasped the two middle pillars on which the house rested, and braced himself against them, the one with his right hand and the other with his left. 30 And Samson said, "Let me die with the Philistines!" And he bent with all his might so that the house fell on the lords and all the people who were in it. So the dead whom he killed at his death were more than those whom he killed in his life.*

Judges 16:25-31

## A Pillar Pounding Prophecy

Today it is noteworthy that the world that has been disobedient to Jesus Christ is now using *the party is over* terminology. The front page of the

January 14, 2008 U.S. News & World Report was: **Is the Party Over?** The annual January entertainment party called the Hollywood Golden Globe Gala didn't happen, and USA Day Today reported that non-happening with the headline words: **Strike Crashes Hollywood's Big Party.** There has been 40 years of entertainment where in the people of God have been amused. (Muse means to think and amuse means not to think, and it seems that no one really ever stopped to think that someday the Godless, God-mocking party would be over.)

What  
today are  
the two  
pillars  
that hold  
up the  
whore-  
house of  
Babylon?

The two pillars in Samson's day made not only for the entertainment arena, but served as a platform in support of those enjoying the entertainment and were what exalted them. What today, are these two pillars? They are the pillars prophesied to be cut off in Micah 5:13.

The two pillars in Samson's day held up the house of cards that Samson's enemy's party in. What today are the two pillars that hold up the whorehouse of Babylon?

Those of us who have been in the fight for the last 40 years have been pillar pushers, but we obviously haven't been pushing on the right two pillars. The pillars we have been pushing on have been numerous, but not major support pillars. There's been the 14th Amendment pillar, and the taxation that comes with it, the political pillars, the education pillars, the Constitution pillar, the con-

## A Pillar Pounding Prophecy

spiracy pillars, the banking pillars, the Common-Law Court pillar, the jury nullification pillar, the Catholic church pillar, the Jewish pillar, the Masonic pillar, the banking cartel in India pillar, the Jesuit pillar, the Judeo-Christian church pillar, etc..

These were not and are not support pillars. When the pushing is done the house still stands. Babylon will fall (Revelation 18:2) when the pillar prophecy of Micah 5:13 comes to pass.

Prophecy tells of a latter day formation of a nation (Micah 4:1-2), which ends up going to Babylon (Micah 4:10). Some say our nation has gone to hell, but it really hasn't; it has just gone to Babylon as prophesied. That prophesied nation of Micah 4 is the new JerUSAlem, prophetically described in Zachariah 2:1-7 as an immense land of people, cattle and un-walled villages, which was captured by Babylon and needed to escape (Zachariah 2:7).

Prophecy in Micah 4:11-13 tells of a pounding and pulverizing that would take place against the enemy. What is that pulverizing? It is the destroying of the sacred pillars. The prophecy of Micah 5:9 is of a cutting off of the enemy, and that cutting off is the cutting off of the two pillars. *Your hand will be lifted up against your adversaries, and all your enemies will be cut off.* Micah 5:9

When that happens, *they* are cut off from fortune-telling and sorcery. *"I will cut off sorceries from your hand, and you will have fortunetellers no more.* Micah 5:12.

Can you imagine what kind of fortune you couldn't amass if you could sort of look into a crystal ball and be told where and what to invest in?

Some say  
our nation  
has gone to  
hell,  
but it  
really  
hasn't;  
it has just  
gone to  
Babylon as  
prophesied

Prophecy  
tells us  
**how**  
our  
God  
will  
cut off  
the  
sacred  
pillars.

## A Pillar Pounding Prophecy

Have you ever wondered how the parasite enemy that *produces nothing has ended up owning everything?* When the pillars are cut the sorcery will be cut off as well.

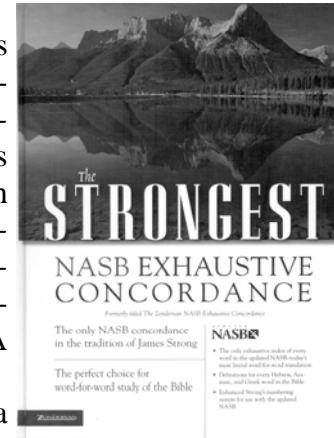

The word for sorcery is number 5331 in Strong's concordance and means: *medication (pharmacy)* and comes from the word (5332) which means *a drug, i.e. spell - giving potion, druggists, poisoner...* (This NASB Concordance is available from SFA for a \$45 donation.)

We have become a drugged up, doped up, spell-bound society, but the drug industry is starting to be exposed, because Babylon is falling. Babylon is falling because we are now pushing on the two significant support pillars that have previously gone untouched in the last 40 years.

*And the light of a lamp will not shine in you any longer; and the voice of the bridegroom and bride will not be heard in you any longer; for your merchants were the great men of the earth, because all the nations were **deceived by your sorcery.***

Revelation 18:23 (emphasis added).

Prophecy tells us **how** our God will cut off the sacred pillars. *Your hand will be lifted up against your adversaries, and all your enemies will be cut off. Micah 5:9.* The "**your hand**" in this prophecy is the remnant that rises up. (This article is for the remnant, since others will see it as foolish.)

## A Pillar Pounding Prophecy

*And they will shepherd the land of Assyria with the sword, the land of Nimrod at its entrances; and He will deliver us from the Assyrian when he attacks our land and when he tramples our territory. 7 Then the remnant of Jacob Will be among many peoples like dew from the LORD, like showers on vegetation which do not wait for man Or delay for the sons of men.*

Micah 5:6-7.

When this happens, the prophecy of fallen Babylon as given in Revelation 18:23 will come to pass.

*And the light of a lamp will not shine in you any longer; and the voice of the **bridegroom and bride** will not be heard in you any longer; for your merchants were the great men of the earth, because all the nations were deceived by your sorcery.*

(emphasis added) Revelation 18:23

Note in this prophecy that the voice of the bridegroom and bride ceased to be. The bridegroom and bride are the two pillars that hold up the whorehouse of Babylon. Few Christians understand that Satan's kingdom is a counterfeit of the true Kingdom. In the true Kingdom, King Jesus is the bridegroom and His people the bride. In Satan's kingdom, called Babylon, he, who is called the god of this world, is the bridegroom and his children the bride.

John 8:44 identifies these two pillars. *"You are of your father the devil, and you want to do the desires of your father. He was a murderer from the beginning, and does not stand in the truth, because there is no truth in him. Whenever he speaks a lie, he speaks from his own nature; for he is a liar, and the father of lies.*

John 8:43-44

“Sacred” as in “sacred pillar” is someplace you never walk on, as in “on sacred ground”. It is something you never say, as in a “sacred name”. For example, when a foolish man is deceived and hoodwinked into the Masonic cult and craft, thinking that will allow him to get ahead in life, he is given the name of a

## A Pillar Pounding Prophecy

god called “*ra ha bon*” (not sure of the exact spelling) and is told never to say the name again. It then becomes sacred, never to be repeated. Have you noticed no one says *satan* and/or *devil* in their pontifications about political party candidates, government policy, conspiracy theories, etc...?

Of all the political candidates in commentary that you've heard speak and heard about, have you ever heard on Fox News or CNN, someone questioned if the candidate is a child of the devil, or if the candidate could possibly be serving the Devil secretly?

The candidate may mention God, but never the words Jesus Christ, and no one really knows which God he is referring to. The god of this world goes unnoticed and unmentioned in our national problems, even though the Bible tells us he deceives nations (Revelation 18:23). It's like it is sacred ground, and no one ever goes there, and if someone does, then he is perceived by the deceived society as foolish and non-intellectual.

Forty years ago, (1968), the Rolling Stones sang of sympathy for the Devil. Before that time, real men of God preachers preached against the Devil, warned people of the Devil and taught people what the Bible teaches about the Devil. But for the last 40 years he's gone untouched, and his children have gone on successfully, being fully connected to him. Thus, they have gone higher and higher and we have gone lower and lower, just as our God said would happen in Deuteronomy 28:43.

We now live in the time where most people are, as Paul said they would be, regarding the power of in the spiritual realm.  *Holding to a form of godliness, although they have denied its power; and avoid such men as these. 2 Timothy 3:5.*

It has gotten so bad they even deny the power of evil.  *For our struggle is not against flesh and blood, but against the rulers, against the powers, against the world forces of this darkness, against the spiritual forces of wickedness in the heavenly places.*

Ephesians 6:12-13

## A Pillar Pounding Prophecy

Most, except for the remnant known in Scripture as the remnant barley first fruits, deny the power we have in Christ over Satan and the forces of Hell that have so wrecked our homes, our lives, our health and our nation.

*And He said to them, "I was watching Satan fall from heaven like lightning. Behold, I have given you authority to tread upon serpents and scorpions, and over all the power of the enemy, and nothing shall injure you."*

Luke 10:18-19.

Satan has been an untouched pillar for the last 40 years, but remember, it has been prophesied that pillar will be cut off. Romans 16:20 is a prophecy, whose time has come.

*And the God of peace will soon crush Satan under your feet.*

Romans 16:20.

So what is one to do with prophecy once one understands it? **Pray it!** This can be seen in the book of Daniel. In Daniel 19 verses 1 & 2, we read where Daniel discovered the prophecy of Jeremiah. He saw that the 70 year prophecy was up.

*In the first year of Darius the son of Ahasuerus, of Median descent, who was made king over the kingdom of the Chaldeans — in the first year of his reign I, Daniel, observed in the books the number of the years which was revealed as the word of the LORD to Jeremiah the prophet for the completion of the desolations of Jerusalem, namely, seventy years.*

Daniel 9:1-2

Once he saw and understood the prophecy, he began to pray and fast for its completion. *So I gave my attention to the Lord God to seek Him by prayer and supplications, with fasting, sackcloth, and ashes.*

Daniel 9:3

*And the  
God  
of peace  
will  
soon  
crush  
Satan  
under  
your  
feet.*

Romans  
16:20.

## A Pillar Pounding Prophecy

This is why in January 2008 we posted the preparatory and imprecatory prayers we did. (Many of you need to wake up and pray these prayers that we post every two weeks at our website, [www.scripturesforamerica.org](http://www.scripturesforamerica.org), & we also mail them out to those do not have access to the Web. If you would like to receive these prayers in the mail, contact us and let us know.)

We prayed the prophecy of Micah 5:13 and Romans 16:20. The sacred pillar has been cut down and is being crushed under the feet of the saints. Satan is cut off from his body and so the snake body squirms, turns and twists without a head.

**The party is over, for the pillars are pushed over.**

The following preparatory and imprecatory prayers and instructions were sent out to the overcoming courageous Gideon Christian soldiers in January 2008.

### ***PREPARATORY PRAYER:***

Our most gracious and great commander and chief, King Jesus, we prepare for spiritual battle by putting on the armor You have supplied for Your soldiers. We gird our loins with the great "I-Am" truths as to what we are in You; victorious over-comers and snake-stompers. We believe and faith these great truths and thus strap on the breastplate of righteousness, both front and back plates. As we march forward we do so with our feet shod with the preparation of the Gospel of peace and hold up the shield of faith which quenches satan's fiery arrows and we wear the helmet that protects our head and radiates hope in our brains and we wield the awesome sword of Your word as we read it, speak it, hear it, believe it, and faith it. Make this armor powerful and impenetratable and us victorious over the satanic foe and give us even angelic backup as we pound and pulverize in prayer.

## A Pillar Pounding Prophecy

### ***IMPRECATORY PRAYER:***

In Samson's day there were two pillars that held up the house of cards that the enemies of God partied in (Judges 16:25-29).

Today there are two pillars that hold up the whore house of Babylon. Simply put, they are Satan and Satan's children, and in the last forty years they have gone untouched by the saints. It's time, Gideon Christian Soldier, to do a little prayer pushing against those pillars and in this Pound and Pulverize Prayer; we do some satan stomping for our King.

The Bible tells us our God will use the saints to crush satan, so let it be us and let it be now.

*And the God of peace will soon crush Satan under your feet. The grace of our Lord Jesus be with you. Romans 16:20*

Satan is a defeated foe. Defeated by our King Jesus, our Lord has given us, His Christian soldiers, authority over satan's power and forces.

*And the seventy returned with joy, saying, "Lord, even the demons are subject to us in Your name." And He said to them, "I was watching satan fall from heaven like lightning. "Behold, I have given you authority to tread upon serpents and scorpions, and over all the power of the enemy, and nothing shall injure you.*

Luke 10:17-19

Take caution, though, for he is still a foe that seeks to devour.

*Be of sober spirit, be on the alert. Your adversary, the devil, prowls about like a roaring lion, seeking someone to devour.*

1 Peter 5:8

Do not fear him, for that empowers him, but do not take lightly this prayer assignment, for when you fire on him, he fires back. Remember to first put on the Full Armor of God through our Preparatory Prayer before praying the following Imprecatory Prayer against satan.

## A Pillar Pounding Prophecy

### **PRAYER:**

*Our Heavenly Father, You have empowered us through the sacrifice of Your Son, and commissioned us through His Great Commission, as stated in Mark 16:18, to pickup snakes. We now appeal to You to open the blind, deceived eyes of Your people to see that snake satan, the serpent of Genesis 3, the dragon and serpent of Revelation 20:2. Cause Your people to see, but through their King Jesus, not to fear that old serpent. Move them to hate satan, to expose him and to stomp him. We now call upon You to rebuke him and use this prayer to rebuke him. Demolish and destroy the satanic pillar that has so unashamedly and stately stood untouched in our watch. Destroy also his works like You destroyed the tower of Babel of old. We, with the authority given us pray confusion, division and darkness upon all his works, children and cesspool-like kingdom.*

*With the authority Luke 10:19 tells us we have over him, we now sever his serpent head from his body and his body of people so he cannot contact them or his people contact him. Like a slamming spade or swinging garden hoe, we chop, cut and stomp him, and we pray hate for him and his evil ways upon the subdued, deceived populous. We pray an awakening upon Your people, for them to be aware of him and his deceptive ways, and we pray for Christian ministers to once again rise up and oppose him, warn of him and join in the stomping and crushing of him; him the defeated, fallen, phony, wicked, deceiving foe of Your people. We, Your people, praise You for the victory over him, and thank you for answering this prayer.*

These prayers are posted every two weeks at our website, [www.scripturesforamerica.org](http://www.scripturesforamerica.org). We also mail them to those that do not have internet access and request them. If you consider yourself part of the "Barley Gideon elite" and would like these prayers mailed to you every two weeks, contact us and let us know.

## Do You Understand the Parable...?

### Do you understand the parable of the wise and foolish virgins? (Matthew 25:1 – 13)

Do you know the answers to the following questions?

If you don't, *you may not be ready* for the marriage feast. Don't be found in the lot of the five foolish virgins.

- Did you know the Bible teaches there are two resurrections?
- Did you know there are two second comings of our Lord Jesus Christ? In other words, He is coming back twice!
- What higher prize was Paul striving for in Philippians 3:8-15?
- What do the virgins represent?
- What do the burning lamps represent?
- What does the oil represent?
- Why were the foolish virgins lacking oil?
- What does trimming the lamps represent? In other words, how do we trim our lamps?
- What is the meaning of the words to the foolish virgins: *"I do not know you"*?
- How is one or how can one be dressed in readiness for the bridegroom (Luke 12:35)?
- What is the meaning of the improperly dressed man being thrown out of the marriage feast (Matthew 22:12, 13)?
- **Did you know that the rapture doctrine is wrong, but not entirely wrong? What is right and wrong about it?**

If you want the answers to these questions and more read our January 23, 2008 Weekly Insight treatise, posted at our website, entitled [The Marriage Feast and the Wise and Foolish Virgins](#) If you want us to mail it to you, let us know. Answers to these questions can also be heard by listening to the live radio broadcast of January 15, 2008, which is archived at our website.

As the ministry here at Scriptures for America continues to grow, the demand for more services grows as well. The Internet ministry is no exception. Therefore, this ministry is in the process of expanding the outreach capacity of our Internet presence and features. Not only will we continue to provide all the features that are currently available at our website (i.e. live audio and video, archived audio and video, 24/7 broadcasting, events notifications, etc), we will be enhancing these functions as well as implementing an array of new ones.

Some of the new changes will include modifications to the display and look of the website to make it more modern, appealing, and user friendly. Also, we are excited about incorporating an updated, fully functional, online resource catalog for all our books, Bibles, tapes, CD's, DVD's, and other ministry resources.

By updating the content management of the site, we will be able to bring to you the useful information necessary for Christians during these End Times. And we'll be adding features that will allow for you to contribute by keeping us posted on pertinent events taking place during this time of the "Day of the Lord."

Over the next few months you'll begin to witness the new changes as they are put into effect. We are always open to comments and suggestions. Therefore, feel free to e-mail them to us at:

Pastor Peters,

Here is a sound bite for you to play on the radio of Ron Paul on CNN's "Situation Room" with Wolf Blitzer, stating that Martin Luther King Jr, Rosa Parks and Gandhi are his "heroes".

Dear SFA, Richard, and Pastor Peters,

I recently heard on WWCR a replay of a message by Pastor Peters. He explains that he's been in the fight a long time -- originally he thought he was fighting "communism." I agree with him. The Christian battle is bigger than fighting communism. However, I just want to run this idea by you and see what you think: Remember George Orwell was a Communist who defected and warned us to watch out for "big brother." I believe Pastor Peters is right when he identifies Big Brother as Esau-Edom (and other assorted "dirty birds" and aliens as described in the book of Enoch).

When I was in college, I was forced to read the Communist Manifesto by the Edomite, Karl Marx (at least "they" say Marx wrote it but he might have been a "front man").

Now, in the "communist manifesto," Marx foams-at-the-mouth like a rabid dog whenever he mentions the word "bourgeoisie." I often wondered why Marx hated the so-called bourgeoisie (the middle class). It recently occurred to me that perhaps "bourgeoisie" is a code-word (esoteric word) for white-Israelite. Marx speaks of eradicating the Bourgeoisie many times in the "manifesto." To me this seems like Esau's war against Jacob, just using different names, or code words, just like "big brother" is probably Orwell's code word for the Jewish (Edomite) intelligentsia.

Just a thought in these turbulent times....

Sincerely yours in Jesus Christ...

The following quote is taken from the Vancouver Sun. Notice the location of all the mega-fires that occurred in 2007:

Judging from 2007, Swetnam has a powerful point. Europe, too, had a record fire year. Half the forests of Greece burned. Ten thousand fled fires in Spain. Flames swept through the olive groves of Lebanon. There were serious burns in Cyprus, Bulgaria, Croatia, and Italy.

## From the Mailbag

Russia reported more than 14 million hectares scorched in remote Siberia. There were big fires in Australia, too. They blackened forest, rangeland and residential suburbs across an area about the size of Britain. And in South America fires burning in remote regions left plumes of smoke so vast they could be observed from space. South Africa and Swaziland said fires there were the worst ever. Algerian forests burned. So what's going on? Via email

See the below scan from the Jew-owned Times Picayune, owned by the Russian Jew family Newhouse. They NEVER miss an opportunity to promote race-mixing among whites and the colored races, but ALWAYS discourage the same between Jews and non-whites. Jews are the most racially aware people on this Earth and will often disown a child who dabbles in the tar brush (unlike the dumb ass white "Christian" leaders who glory in such abomination").

Anyway, story is FRONT PAGE about an attractive white female doctor who traveled to Africa and adopted a late-teen SON (could we say STUD???) and just how great the experience was, and how they will enjoy their Christian CHRISTMAS in New Orleans together. NOTE: Nowhere else in the Times Picayune will you see the word CHRISTmas, instead they put xmas, X-mas, Hanukah, Kwanza, holiday season, winter season, etc. Get the picture? They spit when they hear the word Christ or Christmas and utter a saying in Yiddish which translates "may his name be forever blotted out". I was going to include the entire article, but it would probably make you lose your last meal.... Another example of just how dumb the white race has become, or as the Jew calls us, GOYIM (slave cattle).

I listen to your radio programming on shortwave radio .On some things you do come across as a bit racist, but on a lot of things I agree with you. I am very much interested in being put on your mailing list, to include getting your newsletter/magazine.

In case you're interested, I am Caucasian, conservative, and a card-carrying Republican, and I do very much believe in God as described in the Holy Bible; having said that, I just do not believe in the superiority of one racial/ethnic group over another. Oklahoma

## From the Mailbag

Pastor Peters,

Really enjoyed your MLK Jr. broadcast of January 21, 2008. It opened my eyes to the scoundrel and fake that MLK Jr. really was.

I heard a joke at work-- What is the difference between Martin Luther King Jr. Day and Saint Patrick's Day?

On Saint Patrick's Day, EVERYONE wants to be Irish!

Keep on stomping those snakes!!! Via email

UPDATE: I was able to get a copy of NATURE off satellite feed.

NOTE: IAPV stands for ISRAELI ACUTE PARALYSIS VIRUS and is the ultimate source of the worldwide Colony Collapse Disorder. Relevant video portion of the NATURE program is attached which proves the source, and they IMMEDIATELY change the subject and say they are not positive..... Yeah, and I have a bridge in Brooklyn to sell you really cheap.....

Could this be a part of the "Dr. Mengela's" widely known experimentation Israel is conducting to develop a strain of disease to kill only non-jews or to destroy only non-jew beehives? Do they already have an antidote for this CCD that will make Israeli bees immune to CCD, allowing them to destroy what is left of the Arab crops? I put NOTHING past these demented inbred morons... Hello Pastor Peters,

While homeschooling, my son and I remembered studying about the terrible eruption of Mt. Krakatoa (aka "thundering noise). Recorded in history as the loudest noise ever heard. Any possible relation to the thundering noise mentioned in Scripture??

### **Mt. Krakatoa, Indonesia--August 26 - 28, 1883--Death Toll: 36,000**

The August, 1883 eruption of Mt. Krakatoa (Krakatau) destroyed 2/3 of the island, ejecting more than six cubic miles of debris into the atmosphere. The sound of the explosion was the loudest ever documented, and was heard as far away as Australia. Interestingly, it's probable that no one died in the initial explosion. The casualties all came from the resulting tsunami. Many blessings to you and yours...

Pastor Peters,

I have been sitting on the edge of my seat every night as you have been talking about the first resurrection. I work very late nights so I can't call in while you are live. I hear you on the inter-net when you replay at midnight.

Here is my question. When do you think God removes the tares? Do you think it's before, after or at the same time as the first resurrection because I was trying to figure out if the tares will still be here in the three and a half years between the first and the second resurrection. What do you think?

With the rise of foreclosures, God's Living Word declares this plainly. **See Isaiah 5:9.**

Pastor Peters,

I've hesitated all day to e-mail you, as I don't want to look foolish. I don't really put much stock in dreams, but have no reason to dream about you/SFA. I have only seen you at the Branson meeting, and have never seen your wife's face. However, last night I woke up in the middle of a dream where you were being interviewed on T.V. You were standing in front of a burned out building. I wasn't looking at the T.V., but recognized your voice, so I turned to see what was going on. I don't remember what you were saying, but your wife was coming out of the building carrying an item she had salvaged from the fire.

Knowing that "they" are probably out to shut you down, perhaps you should take extra precautions. I realize that you are already on the alert for "them".

The media in America is anti-Christ, alien owned and/or controlled, and as a result, the readers and viewers do not really get to hear and read the true feelings and opinions of the people. We publish our mail bag section in this newsletter so you can. We may or may not agree with all of the mail you see here.

## 91st Days for 2008

Bringing Some Up-to-Date  
on the Need to

### Keep the Passover and the 91st Days

Many, many new listeners and readers have come on board since this preacher discovered the truth concerning the five sacred days. The first and most important being the Passover. He made this discovery in the Spring of 2001, and since he and his flock have started keeping the Passover, in 2001, and the 91st Soldier Sabbath days, much has been revealed in the way of spiritual warfare. The Gideon Barley Group takes it seriously, though the wheat may not. For more understanding on all of this, we suggest the following:

- The first 5 messages in our “Power, Prophecy, Destruction and Deliverance” series (#’s 885-889)
- #982- Enter the Rock
- #983- Enter Thy Chambers and Close the Door
- The 91st Days Packet/Treatise
- We also recommend our book “Solar Sanity -vs- Lunar Lunacy in Calculating the Passover” (available from SFA for a \$6.00 offering)

The chart on the next page shows the correct 91st Days for

the solar year of 2008.

## 91st Days for 2008

Technically, the Spring Equinox, according to the Naval Observatory, begins @ 5:48 UTC time on March 20, which is 10:58 pm on March 19, Mtn. time, where the LaPorte Church of Christ is. We are thus counting noon March 19 to noon March 20 as solar day "ONE". This is known as the first day of Abib. Tuesday, April 1 at noon to noon on April 2, 2008 would be the 14th day of Abib, which is Passover. As well as being a day of rest, it is a day to partake of Communion, and was kept by the first century church instead of Easter.
