The Branson party is over and it was a huge success, and we here at Scriptures for America are back in the office, being about the Father's business on the many projects we are working on. Our Network is still in need of work, there are more Untold Stories to be told (see the inside back cover in this DragonSlayer newsletter for more information), my personal correspondence is way overdue and behind, and the bills, bills, bills must be paid, but **praise Jesus, we press on!**

In Branson, besides a great time of fellowship and preaching and teaching, there were baptisms and many healings. Many of the Gideon Elite that were trained last year returned for fellowship, prayers and marching orders!

After the Branson conference, I reported from the LaPorte Church of Christ pulpit (*on June 1, 2008, and archived at our website, (scripturesforamerica.org)* about our filming and recording of country gospel singers and musicians to be played on the Scriptures for America Worldwide Broadcasting Network. It seems there are just as many snakes in the Judeo-Christian gospel singing groups as there are in the Judeo-Christian pulpits! We recorded many fine, good Gospel singers, but some went on a slander snake-biting and sniping campaign to stop singers from singing for us, and even tried to get the recording studio to cancel on us. For the most part they failed and simply weeded out the singers our Lord did not want singing for us on the SFA Network.

## From the Editor's Pen

By the way, concerning the Christian soldier Gideon Guerilla activities reported from Florida and Oregon (*see page 18, From the Mailbag*), we are not condoning it at all, only reporting it. We know there are laws against shoplifting, but this area seems to be in the area of shop-leaving(?), and we don't know if there are any laws on that or not.

Recently we did Another Untold Story about a conspiratorial, homosexual meeting and planning session done way back in 1994. As a result of that broadcast, the Another Untold Story website is now listed as hate speech and banned on some computer sites. We are told the Jewish anti-Christ anti-defamation league is behind this latest round of lies. Many go to that anti-Christ group to be told what Pastor Peters and his ministry is.

*Who is the liar but the one who denies that Jesus is the Christ? This is the antichrist, the one who denies the Father and the Son.* 1 John 2:22

On another note, listen (at our website) to our archived radio broadcast interview of June 2, 2008 (7pm, Mtn. time) concerning the alleged moon landing in 1969. It's a good one.

Our readers know this is a front-line-fighting type of Christian ministry. We know of no other like it anywhere. Please remember that this type of ministry takes a good bit of back-line support to be able to continue on in the fight. We can sure use it.

Sincerely Still Stompin' Snakes,

Pastor Peter J. Peters

## Could it Really be This Simple?

Often it's not the complexity or difficulty on the Commander's commands His people have trouble with, but the simplicity of them.

The old Temple in the Old Testament was a type of Jesus Christ (Matthew 26:61).

The old Babylonian captivity was a type of our modern day mystery Babylonian captivity. We simply must, as a people, turn to Jesus and do as the following Scripture says, and when we do, He will do as He said!

*"When they sin against Thee (for there is no man who does not sin) and Thou art angry with them and dost deliver them to an enemy, so that they take them away captive to the land of the enemy, far off or near; if they take thought in the land where they have been taken captive, and repent and make supplication to Thee in the land of those who have taken them captive, saying, 'We have sinned and have committed iniquity, we have acted wickedly'; if they return to Thee with all their heart and with all their soul in the land of their enemies who have taken them captive, and pray to Thee toward their land which Thou hast given to their fathers, the city which Thou hast chosen, and the house which I have built for Thy name; then hear their prayer and their supplication in heaven Thy dwelling place, and maintain their cause, and forgive Thy people who have sinned against Thee and all their transgressions which they have transgressed against Thee, and make them objects of compassion before those who have taken them captive, that they may have compassion on them (for they are Thy people and Thine inheritance which Thou hast brought forth from Egypt, from the midst of the iron furnace), that Thine eyes may be open to the supplication of Thy servant and to the supplication of Thy people Israel, to listen to them whenever they call to Thee. 1 Kings 8:46-52*

forgive  
Thy people  
who have  
sinned  
against  
Thee and all  
their  
transgres-  
sions  
which they

## A Long Overdue Victory Party!

These are just some of the things done by this preacher and this ministry, BUT until May of 2008, we had never held a party for King Jesus.

For forty years this preacher has been in the fight, as they say. He fought the poisonous fluoridation of our water, the sex education in our schools, passed out literature, did petition drives, stood in picket protest lines, went to the radio waves (with over 25 years of broadcasting), hosted a one-hour TV program, published The Remnant Resolves, held prayer services at the US Capital steps, anointed the Supreme Court, led a missionary team up and down the halls of Congress for one week, stood in court rooms and argued the Word of God, claiming Jesus Christ as our Counselor, held a solemn assembly with prayer and fasting, worked with an ex-military Colonel in trying to expose the drug trade coming out of the Burma Triangle, held camps and conferences, sponsored training seminars, took a news crew to the doors of the Denver ADL to confront lies and slander, cried out as a voice in the wilderness in 1999 saying the Y2K scare was a fraud, exposed the FBI/ADL Project Megiddo with a mailing to *every* law enforcement agency in America (and right after that, my only begotten son died in a mysterious, night-time, single car accident with supposedly no witnesses), formed a world-wide radio and internet broadcasting network and have preached from the pulpit of the LaPorte Church of Christ (33 years come October 2008).

These are just some of the things done by this preacher and this ministry, BUT until May of 2008, we had never held a party for King Jesus.

This we did Memorial Day Weekend, 2008, in Branson, MO, and it was quite a party and celebration.

Early in 2008, this ministry sent out two messages on the Samson story, which ended with Samson

## A Long Overdue Victory Party!

putting out the enemies lights and crashing their party. Well, their party is over, and ours has begun! Their party started up big time in 1968 and ran for a forty year stretch, until 2008.

### SCRIPTURAL TEACHING OF A PARTY

One does not find the word “party” in Scriptures. Rather, one finds the word “celebration”; It’s the same thing. A victory celebration is a victory party, and is held to honor the God, or gods, that gave the people the victory. In the Samson story, the enemy held a party/celebration to praise their god Dagon for their victory (Judges 16:23). Daniel 5:1-4 describes the Babylonians having a party celebrating and praising their gods for their victory over God’s people.

If the heathen anti-Christ’s have enough sense to celebrate a victory party in honor of their gods, should not God’s people have equal sense? Jesus has given us the victory; we need to rejoice and celebrate it. We did, and when we do we will see the victory in the physical realm.

A victory party/celebration for us is an act of faith, and when done, things happen; things like release from the Egyptian-like captivity we are now in (the present gas-gouging hikes is just the raising of the brick-making burden).

*“...for I am bringing this stroke upon thee that thou mayest see the way of Egypt.”*

Isaiah 10:24, Septuagint

Moses, through the Holy Spirit revelation of God, knew the first thing to do to get his people out of Egypt was to have a party. Pharaoh knew to keep them in Egyptian bondage, he was to keep them from having a party (only it was not called a party, but a “celebration”).

*And afterward Moses and Aaron came and said to Pharaoh, "Thus says the LORD, the God of Israel, 'Let My people go that they may **celebrate** a feast to Me in the wilderness.'" Exodus 5:1*

### **SFA Establishes Gideon Elite News Team**

As many of you know, we had a party in Branson, Missouri over the Memorial Day weekend. During what could be appropriately labeled the “Party before the Party,” the Acre of Diamonds men met the night before the festivities officially kicked off for pray, praise, and the establishment of the Gideon Elite News Team as the premier news source of the Scriptures for America Broadcasting Network (SFA-WBN).

This new and innovative media outlet is comprised exclusively of the Acre of Diamonds men that received training at last years Branson gathering. The men were provided with descriptions concerning their new role, press credentials and assignments.

For several generations now the controlled media as a whole has been a destructive element within our society. Scriptures for America Ministry has decided enough is enough. Therefore, beginning this July, the SFA-WBN will be bringing real truth, news, and insight to the world via a top of the hour news format, as well as a news page on the network website. And with our Gideon Elite field correspondents deployed all over the nation, the coverage is guaranteed to be unique, cutting edge, and most of all truthful.

The establishment of the SFA-WBN along with a Holy Spirit guided news force is another outreach that's unlike any other Anglo-Israel outreach ministry.

Consider the following, over the years, supporters and enemies of this ministry have shared at least one thing in common. They realize that the record shows of all the Christian ministries, moreover the Anglo-Israel message ministries, there has been one outreach that has been at the forefront of reaching the lost-sheep of the House of Israel.

### SFA Establishes Gideon Elite News Team

For example, in the book *The Emergence of a Euro-American Radical Right*, written by Jeffery Kaplan and Leonard Weinberg (not allies) in 1999, the authors, on page 142, had this to say about SFA, “Pastor Peters and his Scriptures for America ministry’s following combines an active mail order ministry with a pioneering use of technology (radio, satellite, television, short wave radio, and the Internet) to attract a following of the more militant Identity adherents... Scriptures for America was an early proponent of the Internet. In late 1996 Peters established a page on the World Wide Web, while Scriptures for America materials have long been available for download to a worldwide audience at an FTP (File Transfer Protocol) site.”

For decade after decade, Scriptures for America has used a multitude of mediums to spread the Gospel message. We currently broadcast on terrestrial radio, short-wave radio, and satellite. SFA continues to expand its Internet outreach with streaming of live church services, from the LaPorte Church of Christ, in both high quality audio and video. Not to mention the 24 hours a day, 7 days a week streaming of audio and video at the SFA website, [scripturesforamerica.org](http://scripturesforamerica.org). Just in the past several months SFA has incorporated several outreach projects through another website, [anotheruntoldstory.com](http://anotheruntoldstory.com), which was recently declared a hate site. And there are other steps that SFA has taken to deepen the ministry, yet there is not enough space provided here to cover them all.

In conclusion, of all the Anglo-Israel truth outreaches in existence one has been the foremost outreach in the world, Scriptures for America Worldwide. And now, we have taken even more profound steps to spreading the Gospel and advancing the truth. By starting the Scriptures for America Worldwide Broadcasting Network and instituting the Gideon Elite News Team, **Scriptures for America continues to be a leading outfit in spreading the truth of the our Lord Jesus Christ and taking the steps necessary to take this country back.**

## PRAYING A PROPHECY PROMISE

*by Pastor Peter J. Peters*

One of the major differences between the barley first fruits verses the first fruit of the wheat harvest is that their Christian mind set is a spiritually-militant mind set (concerning this we suggest our tape and/or CD series entitled “Ask Gideon”).

The barley is the Gideon hard core who, in faith, fight against the worldly odds against them to take back the country that has been taken over. Their weapons of war are not conventional weapons, as in the story of Gideon, it was guts, faith, courage, a jar, a torch, and a trumpet (Judges 7:16).

*For the weapons of our warfare are not of the flesh,  
but divinely powerful for the destruction of fortresses.*

2 Corinthians 10:4

Note there are weapons, plural. The purpose of writing this insight is to introduce the Gideon hard core to a new weapon and insight on using it. We’ll call it, Praying a Prophecy Promise or Praying a Prophecy to Come to Pass. It’s very Biblical and was used by the great prophet Daniel. One day Daniel was reading the writings of the prophet Jeremiah. What he read was a prophecy Jeremiah had written before he, Daniel, was born. It was Jeremiah 25:12 “*Then it will be when seventy years are completed I will punish the king of Babylon and that nation, declares the LORD, for their iniquity, and the land of the Chaldeans; and I will make it an everlasting desolation.*”

This is what we read in Daniel 9:2 *...in the first year of his reign I, Daniel, observed in the books the number of the years which was revealed as the word of the LORD to Jeremiah the prophet for the completion of the desolations of Jerusalem, namely, seventy years.*

## PRAYING A PROPHECY PROMISE

Note that the first thing Daniel did when he discovered was pray; “*So I gave my attention to the Lord God to seek Him by prayer and supplications, with fasting, sackcloth and ashes.*”

When one reads on in Daniel, one sees he prayed the prophecy. That is he prayed it to come to pass. It was a powerful prayer so powerful it summoned the angel Gabriel, “*While I was still speaking in prayer, then the man Gabriel, whom I had seen in the vision previously, came to me in my extreme weariness about the time of the evening offering.*” His prayer is recorded in Daniel 9:4-19. He concluded his prayer by calling upon God to carry out the prophecy (i.e. he prayed the prophecy promise to come to pass).

*O Lord, hear! O Lord, forgive! O Lord, listen and take action! For Your own sake, O my God, do not delay, because Your city and Your people are called by Your name.*

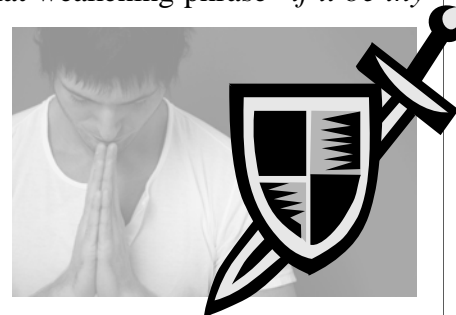

Daniel 19:19

This becomes a powerful weapon particularly when wielded by two together.

*Truly I say to you, whatever you bind on earth shall have been bound in heaven; and whatever you loose on earth shall have been loosed in heaven. Again I say to you, that if two of you agree on earth about anything that they may ask, it shall be done for them by My Father who is in heaven. Matthew 18:18-19*

This is praying His will be done on earth. There are many prophecy promises in the Bible we can pray, such as Malachi 4:3. There’s no need of putting in that weakening phrase “*if it be thy will,*” for the prophecy has revealed His will, and it is now being prayed.

**And when prayed in faith it will be done, and when it’s done, the enemy is done!**

## National Revival

*by Peter J. Peters*

### **Revival is a religious term, or at least it use to be.**

Churches used to hold “revival” services where lives were rededicated and changed.

Personal revival has to do with repentance, where one stops living as one wants or thinks best, and starts living and doing as his Lord wants and knows is best. National revival is the same. It is where a nation stops doing what it thinks is the right thing to do and starts doing what its God says to do. Which is another way of saying that nation does it His way, which is another way of saying the nation begins to obey the law of its God. When it does, then things change. There is a revival. The economy is revived, the health, safety and welfare of the citizens are revived, and families are revived.

The God of our nation is Jesus Christ. When the Revolutionary War was fought, the battle cry was “**no king but Jesus**” Today, however, the churches that claim to promote Jesus Christ and Christianity do not promote national revival. In fact, they prevent national revival by teaching the people the law of God has been abolished. They then go through a path line of rhetoric and theological gyrations to support their false teaching, pointing out that under the New Covenant that Jesus established we are no longer under law but under grace. This teaching prevents national revival and is like rat poison. Rat poison is ninety eight percent corn meal and two percent poison.

It is true that Jesus established a New Covenant and our righteous standing before Him is not dependent upon law but on grace by faith. We are made righteous by His blood and His righteousness. It is true we are not, as far as our personal righteousness goes, under law but under grace (Rom 6:14). It is true that Christ is the end of the law, but only the end of the law for “personal righteousness sake.” *“For Christ is the end of the law for righteousness to everyone who believes.”*

Romans 10:4-5

**It is not true that Jesus abolished the law.** He made this truth clear. *“Do not think that I came to abolish the Law or the Prophets; I did not come to abolish, but to fulfill.”*

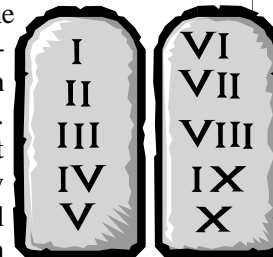

Matthew 5:17

**National Revival**

The Bible clearly tells us the law is good when used lawfully.  
*“But we know that the Law is good, if one uses it lawfully, realizing the fact that law is not made for a righteous man, but for those who are lawless and rebellious, for the ungodly and sinners, for the unholy and profane, for those who kill their fathers or mothers, for murderers and immoral men and homosexuals and kidnappers and liars and perjurers, and whatever else is contrary to sound teaching, according to the glorious gospel of the blessed God, with which I have been entrusted.”*

I Timothy 1:7-11

If our nation does not follow and obey the law of our God concerning homosexuals, murderers, adulterers, immoral men, kidnappers etc, then it will become full of them and not fit to live in. Thus, for there to be national revival, there must again be judges put in office that uphold and carry out the law of God. When that happens, national revival happens, and then there will be a change in our nation for the better.

When that happens we will have a nation blessed as described in Deuteronomy 28:1-4 *“Now it shall be, if you diligently obey the Lord your God, being careful to do all His commandments which I command you today, the Lord your God will set you high above all the nations of the earth. All these blessings will come upon you and overtake you if you obey the Lord your God: Blessed shall you be in the city, and blessed shall you be in the country. Blessed shall be the offspring of your body and the produce of your ground and the offspring of your beasts, the increase of your herd and the young of your flock.”*

Since we have these churches, and the bastardized hybrids called Judeo-Christians in them, there is no love of country, though in their theology they constantly blurt and burp out love. So it doesn't really bother them to see their country going to hell because they are going to heaven (or so they think). As a result, our nation is cursed as described in Deuteronomy 28.

*“If...My people who are called by My name humble themselves and pray, and seek My face and turn from their wicked ways, then I will hear from heaven, will forgive their sin, and will heal their land.”*

2 Chronicles 7:14

## Music and Prophecy

This preacher intends to bring a sermon or two based on a prophetic Psalm. The Psalm is the 137<sup>th</sup> Psalm concerning the rivers of Babylon. It contrasts a place called Babylon to a place called Zion. ***“By the rivers of Babylon, there we sat down and wept, when we remembered Zion.”*** Psalm 137:1. (Does anyone remember an America of the 1950’s verses the Babylonian satanic decadence that is now in the land, and does anyone care?) Babylon was a place of captivity for the Israelites. In about 600 B.C. the Israelites of the House of Judah were taken captive into Babylon of old, (i.e. the old physical Babylonian empire). However, the Scripture also speaks of another future prophesied Babylonian captivity for the Israelites (See Micah 5:10). This is a different type of Babylonian captivity and is the spiritual Babylon read and seen in Revelation chapters 17 and 18. The captivity of that Babylon is in the mind, that area between the two soft spots on each side of your head called the temple. Remember, the man of sin and lawlessness of 2<sup>nd</sup> Thessalonians 2:3&4 takes his seat in the temple (also remember music effects the mind and drives out evil spirits -see I Samuel 16:16).

Remember too that neither of the captivities had even yet occurred when the 137<sup>th</sup> Psalm was penned. There it is, a prophecy of what was to come. The latter day Babylonian captivity that God’s people are now in is in the mind and came about through music!

Satan’s Babylon of Revelation 17 & 18 conquers via the mind, in that sorcery spell casting is used. Speaking of that Babylon, the Scriptures state: ***“The sound of harpists and musicians and flute players and trumpeters will not be heard in you any longer .... Because all the nations were deceived by your sorcery”*** (Revelation 18:22-23). The Revelation chapter 18 passage pertains to the fall of Babylon. Note that fall comes when its music comes to an end!

Now note, also, from the prophetic 137<sup>th</sup> Psalm that the going into Babylonian captivity began with going to a different music. ***“Upon the willows in the midst of it we hung our harps. For there our captors demanded of us songs, and our tormentors mirth, saying ‘Sing us one of the songs of Zion.’”***

According to this prophecy, the singers had to hang up the music they had been singing and sing the music demanded of their captors.

## Music and Prophecy

The latter day Babylonian captivity is in part an economic captivity. Everyone has their mortgages and bills to pay, and singing the old songs don't pay the bills. The new songs the demonic captors demanded became the cheating and drinking songs and the 'Rock and Roll songs.' Such songs began to appear in about the fifties, and this preacher remembers as a boy, Godly men and women warning that such music was the devil's music and would destroy the country. Destroy its morals, values and young people. The devil and his children (John 8:44) used the weapon of laughter, scorn and slander to silence the critics, and the devil's music played on. And, the country went on into Babylonian captivity.

This preacher has preached that music has been a tool of the devil and his children in taking this country. And through the Spirit, it is almost as if the Lord is saying to this preacher, **“So! Take it back through music.”** And this preacher has been given the means, via a national and worldwide radio, satellite, and Internet network, to do so. So he continues his job to preach (II Timothy 4:2) and has taken on the job of providing a means for Godly, Christ-loving musicians to sing and receive the fruits of their labor for singing.

We are thus developing a Saturday night Country Gospel Opry Hour to be scheduled in our network broadcasting, and possibly a Sunday evening Web T.V. Country Gospel Opry Hour as well. (The radio and Web T.V. broadcasts may in the future be put on CDs and DVDs and made available via the Scriptures for America Broadcasting Network with the contact information of each artist made known.)

Pray for this new labor and endeavor, and pray for the singers that will go before the Christian soldier, singing to the Lord. Music is a weapon in spiritual warfare; read the story of 2<sup>nd</sup> Chronicles 20.

2 Chronicles 20:21-23 *“And when he had consulted with the people, he appointed those who sang to the LORD and those who praised Him in holy attire, as they went out before the army and said, ‘Give thanks to the LORD, for His lovingkindness is everlasting.’ And when they began singing and praising, the LORD set ambushes against the sons of Ammon, Moab, and Mount Seir, who had come against Judah; so they were routed.” -NASB*

## Another Untold Story

### YOU CAN HAVE ANOTHER UNTOLD STORY AIRED ON YOUR LOCAL RADIO STATION

Our daily two-minute Another Untold Story radio broadcast is heard on over 250 radio station around the country, and can also be heard at [anotheruntoldstory.com](http://anotheruntoldstory.com). It has proven to be a very effective outreach tool. It is sent to the radio stations via satellite and the internet.

If you would like to help with this outreach ministry, here are a few options you may wish to consider to have Another Untold Story aired on your community on your local radio stations.

1. Visit or call your favorite local radio station and tell them you heard this program on other stations, and would like to hear it on theirs. Then simply give them the website ([anotheruntoldstory.com](http://anotheruntoldstory.com)). Some radio stations will play this for free, but most will charge for it, you just have to ask.
2. You can negotiate a price with the radio station, and if you do, be tough and demand a wholesale price.
3. Another easy and economical way is to let an ad agency do it all, including the billing. This way, you simply contact the ad agency and give them the radio call letters of the stations in your area and the ad agency will contact the radio stations, negotiate time and price, and then they can even bill you and/or your local group that want to sponsor this two-minute outreach broadcast. If interested, contact us here at SFA and we can put you in contact with the ad agencies we use.

**[anotheruntoldstory.com](http://anotheruntoldstory.com)**

4. Also contact us if you have any websites that you think would want to carry an ad for [anotheruntoldstory.com](http://anotheruntoldstory.com).

## From the Webmaster @ SFA

As many of you know, I spent some time at the party in Branson detailing a few of the updates and additions to the Internet outreach. I would like to thank those of you who have taken the time, either in person or by email, to extend a warm welcome to my family and myself.

For those of you who were not able to attend or join in via the Internet, I want to take a moment and fill you in on some new website additions we unveiled in Branson. First and foremost, the new, fully-functional SFAW Online Resource Center has been completed and is ready for your use. The Online Resource center has all of the books, tapes, DVDs, CDs, pamphlets, Bibles and references that this ministry carries, and all can easily be ordered there. There is truly something there for everyone.

We also unveiled a new SFA Blog that will allow us to easily archive and syndicate certain content and consolidate other features like the *Thought of the Day* and the *Weekly Insight*.

Lastly, while in Branson we illustrated SFA's outreach efforts to reveal the man of sin as well as educate people about this nation and its predicted establishment in Biblical prophecy.

For over a decade, Scriptures for America Ministry has had a very prominent presence on the Internet. I pray that this aspect of our outreach will continue to grow and continue to reach more of the lost-sheep of the House of Israel. By the way, remember we are always anxious to hear your comments, suggestions, concerns

or questions. **[webmaster@sfaw.org](mailto:webmaster@sfaw.org)**

Dear Pastor Peters,

I wanted to write and give a report from the front lines here in Florida. A couple of us Gideon Guerilla's have taken it upon ourselves to insert your tracts in the books carried in local Bible bookstores. My personal favorite is Death Penalty for Homosexuals is Prescribed in the Bible. We found that it is rather cheap to have stickers made to put on the pamphlet that read, "*This insert comes free with the purchase of this book.*"

Another operation that we have put in effect is leaving copies of your new book, Terrible Tare-able Stories, in books stores. I personally like to place them on the "bestsellers" display. In Branson, I found out the Gideon Guerillas in Oregon were doing the same thing we are doing here in Florida. Being a Gideon Guerilla sure is fun.

Dear Pastor Peters,

I was not very surprised by the church service yesterday and the trouble with the musicians. My personal opinion, and I know a number of others who were at Branson share this view, is that Mike was the best musician there. I would not pay much to hear the others. With the exceptions of Anita French Kidd and of course Mr. Spalding, they all seemed to lack HEART. They are entertainers and not ministers of the gospel.

My opinion is that God sent us Mr. Spalding and Mike, but that he's letting us know that we don't need quantity, but quality. Don't give Mike a swelled head, but I think he's as good as Waylon Jennings. Arkansas

Well, the Branson meeting went extremely well! That is a big event to pull together-lots of work and lots of details-and all the staff there at the church who pulled it all together should be congratulated-they put together a really

great meeting all around without any hitches (or if there were any, they weren't apparent to us out here!). Very smooth all around.

Great speakers. I am familiar with most but not Mr. Transano- his presentation was very good. And excellent music. Even over the Internet it was apparent at some points, particularly that the Holy Spirit was present and moving.

The guys who filled in in between with interviews and discus- sions were very interesting and it was great to see faces! (that was a good idea.

The live video feed was terrific. Seeing everyone added such a dimension I can't tell you what a blessing it was- particularly to those of us who live in areas like Southern California. To watch a whole group of nothing but white Israelites was a treat and a reminiscence some of you may not fully appreciate. I even liked watching the young people doing the Virginia Reel...

Pastor Peters and the rest of the SFA Team,

Thank you for a fine Christian Retreat & Party in Branson last week. My wife and I had a blessed experience. I renewed friendships, made new friends and saw God working through his people's spirit.

For instance Saturday evening before the concert I met a gentle- man from Canada. I asked him about his Judeo-Christian baptism that he explained it to me sort of. I said that Baptism was for the remission of sins in the name of Jesus. He nodded understanding and I let it go. Then on Sunday I find out he was baptized for the remission of sins! I was swept away we serve an awesome God. Then later I met two young men who happened to be brothers. These young men spoke well beyond their tender years. One brother, Joe, had been working on a project to track every name in the Bible trying to trace lineage where possible. He even made a CD for me. So I was humbled, strengthened, determined to repent of not studying the Word as I should.

Then we had the concert. Wonderful. All the artists seemed pleased with your money and our applause. Oklahoma

Pastor Peters,

WOW! Did we ever have a party! I know it took a lot of doing for you all to pull the party off but it was GREAT! Could feel the presence of the Holy Spirit there giving a thumbs up.

It is time we show the forces that be that we are through being on the bottom—we want the top again.

SFA group-you all work so hard and we all so appreciate you None of you get the credit you deserve for all the hours you put in. Pastor Peters and Pastor Gene, Charles Weisman and Doc Transano—wonderful messages!

Dear Pastor Peters,

I want to thank you for writing what is the absolute best book besides God's book I have ever read. Thank you so much for your work on this book (Terrible, Tare-able Stories), and I thank you for sending it to me. I appreciate it so very much. I am halfway through reading it right now, and can't put it down!

Pastor Peters,

I would like information about the signal that reaches four time zones in Europe. I'd also like to help, if I can, for you to get a frequency in the Netherlands.

Please tell me about the internet radio network box you speak of. If these will cost a certain amount, let me know how much and I'll see what I can do with my vastly growing amount of contacts in Europe to the Israel message.

Dear Pastor and team,

On a recent Friday evening while you were informing us about what God's people were doing in their homes during Passover (I had heard you tell this story before, so I knew). All of a sudden the radio went silent, probably for about 2 or 3 minutes. "They" hated that God's covenant people were rejoicing and surely hated for that joy and perfect peace situation to be known by all of your listeners.

About a year ago I located a Church of Christ out here in California and I was very clear with the pastor about my request to be bap-

tized. I told him that I specifically wanted the words too include “In the name of Jesus Christ for the remission of sins”. He had no objection either to the baptism or to the admonition in Acts. He was in full doctrinal agreement and more than willing to perform the service with the proper words. There are churches out there...

There should be no delay in taking care of the baptism requirement, especially today. California

*SFA Response—Amen! If you have questions about baptism, please write and request our free booklet “How to Become A Christian”. If you are in need of baptism, please contact a local Church of Christ in your area. If you can not locate one, please contact us here at SFA.*

Pastor,

I thank you, and love you for the truth. You are indeed a rare gem. I have been involved with Christianity for about 28 years and I feel I have never been exposed to the truth. Surely the Scriptures are sealed and very few can open them as you have.

I am sending an offering by mail. It is a holy lump and was vey hard to come by, as I know the truth that you freely share with others was also hard to come by.

Please pray for me and mine as we are in dire straights. I have just been awakened from a long 20 sum odd year nap. Oklahoma

Hello Pastor Peters,

I just want to let you know that since I’ve taken seriously my daily prayer time and putting on the armor, I feel so protected in many ways. I started in October and I have noticed that I just don’t have any fear of anything like I used to. I just have more peace inside my mind. I laugh at things that used to worry me before, and I’m much more patient with my children and I enjoy them much more now. I feel like I am so protected by God and I don’t care about anything else but my relationship with God. Thank you for leading me to this important aspect of prayer.

I am learning so much from your sermons and broadcasts. I am really understanding what is in the Bible now that I have read your book “The Greatest Love Story Never Told”. Via Email

Dear Pastor Peters,

Since I started tithing on my increase, my increase has increased dramatically, as you can see.

I have been fighting the tax thieves for over a quarter century, and I just received my first refund since then. God bless you in your work.

Greetings Pastor Peters and all at SFA.

Thank you for the Dragon Slayer and tape which has just arrived and as yet not digested. What a ministry you have!! It is feeding us as we too prepare for that day. I am copying off the Magazine and sending it around the country, but this one will cause an increase in receivers. We too feel this is the year and my sister and I are praying every day for our parents 39 descendents, all in the apostate church. Being very aware that Jesus received 39 stripes. We have already had a frightful kickback from our oldest sister who has been a BI for as long as I can remember.

I sure believe in the Word Church and the Spirit Church. I was in the latter for about 40 years till I faced up to the truth our father taught us as children, about who we are, We firmly believe that it is a jezebel spirit, so have a battle on our hands, but God is faithful and we are not novices. The armor is put on every day.

Pastor Peters,

Please accept the enclosed tithe offering for the SFA Ministries. We were inspired by the wagon wheel of expenses and ministries involved in the daily operations. We noticed 13 different "spokes" to the wagon wheel and were moved to tithe XXX amount for each different one.

God bless your works and keep you steadfast, determined and healthy as you go about ministering to the lost sheep of the House of Israel.

Pastor Peters,

Here is another outrage against our race for you to consider. Pastor Joe Barron of the Baptist Church in Bryan, Texas was caught by the police trying to meet for sex with a thirteen year old girl. His church has 26,000 members. Pastor Barron counseled married couples. If you can picture a classic Edomite snake in your mind you will know

exactly what this bastard looks like. It was on the news and I thought you would like to know.

Also, in San Bernardino County in California the politicians are considering making a law against child predators driving ice cream trucks. I propose a law against them and all Edomites from breathing good air.

Dear Pastor Peters,

I have been in a spiritual wilderness for many years. At one time, I was born-again and received the holy spirit within. I turned aside and have lived a life of sin yet it seems that recently God through His love and **GREAT** mercy has called me back to fulfill the calling He has for me. I have repented and turned back to face God once again. I feel like the prodigal son. I am deeply ashamed of the things I have done and have not done. I was listening to your program today and you spoke things which went into my heart and exploded. Via Email

Dear Pastor Peters,

Since we have so many "change agents" on the ballot this year's presidential election. A good campaign slogan that reflects Jesus Christ for President platform would be:

CHANGE WE CAN BELIEVE IN

1 CORINTHIANS 15:52

"... IN A TWINKLING OF AN EYE."

CHANGE SO REAL, ITS TRUE ISRAEL

Just a thought for the day. In Christ.
