

Scriptures for America Worldwide Ministry  
**From the Editor's Pen**

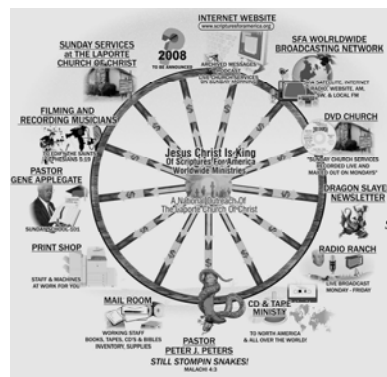

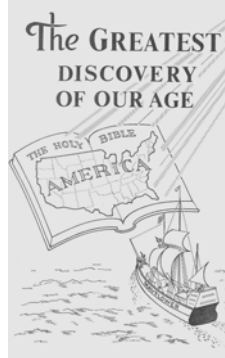

Volume 6,  
 2008  
 DragonSlayer

**As of July 4, 2008,**

Scriptures for America broadcasts with Pastor Peters from the Radio Ranch is now heard on SFAWBN, the Scriptures for America Worldwide Broadcasting Network.

July 4, 1776 was the birth date of a nation whose very name means 'heavenly kingdom.' That birth date was the exact date at the end of the seven-times punishment if Israel. (Read the appendix in our booklet "The Greatest Discovery of the Age", available from SFA)

July 4, 2008 is now the official birth date of the Scriptures for America Worldwide Broadcasting Network. SFAWBN is now up and running 24/7 and can be heard on satellite, radio, internet and shortwave (and seen on SFA TV on SFAWBN.com). This newsletter is about this new listener-supported Network; your Network, God's Network. This has been no small accomplishment for us all.

On the Wagon-Wheel CD we sent out the first of 2008, we told of all the work and projects going on here and stated in it we had some new plans for 2008. SFAWBN is one of them.

### PASTOR PETERS CONFESSES A SIN!

I hate to have to confess that once upon a time, I never dreamed we would be broadcasting on our own Network, 24/7 through the many media outlets we have. Let's face it—with true faith we all need to think bigger and do more in the Name of Jesus Christ.

As near as I can recall, I started radio broadcasting around 1984, with a thirty-minute weekly program. Over time as our tape ministry grew and support was sent in, I was able to start broadcasting on the big 50,000 watt stations. There's been a lot of persecution over the years including the work of the anti-Christ forces going to stations to get me kicked off. Over the years we've been visited and slandered by the media, such as Newsweek magazine and the big major Giant Networks. (Our church has been attended by reporters from Time, 48 Hours, the Wall Street Journal and more.)

The motto of our SFAWBN Network is:

***“Taking on the giants and taking them down  
with the truth in the  
Name of Jesus Christ the King”.***

Presently this Network carries thirteen different programs, plus top of the hour news several hours per day (see page 6 for details).

Please pray for this new labor and accomplishment, and read on in this newsletter for more information about the SFAWBN Network.

Still Sincerely Stompin' Snakes,

## From the Webmaster @ SFA

Wow! What a blessed year 2008 has been for Scriptures for America thus far! A little over four short months ago we began the Another Untold Story project, which has grown tremendously since then, and has resulted in thousands being exposed to the true Gospel Story! AnotherUntoldStory.com now ranks in the top 100,000 websites listed by Quantcast<sup>®</sup>. Also, early in the year we renovated the Scriptures for America Ministry website and added to it an online resource center and blog.

Many of you are aware that Pastor Peters and his staff attended two separate broadcasting conventions earlier this year to learn about new and effective tools for starting a broadcasting network. We took what we learned in those experiences and incorporated that information into the establishment of the new Scriptures for America Worldwide Broadcasting Network (SFAWBN). And, as of July 4, 2008, the SFAWBN is up and running. I couldn't be any more excited about it. Praise Jesus Christ!

We brought forth a new website to go along with the Network. It has information about the Network, programs and hosts, the broadcast schedule, and features to give you the best possible listening experience. I encourage all of you to visit the new website at [www.sfawbn.com](http://www.sfawbn.com) and to invite your friends to tune in as well.

I am not sure what else 2008 will bring for this ministry, but I am grateful to work for the Lord Jesus Christ in such a capacity. Over the next month, we will be fine-tuning some aspects of the new network site and we are planning to spend some time optimizing both the ministry and Another Untold Story websites. Thanks for your prayers and your support. Remember; feel free to e-mail me anytime with you questions, comments, concerns, or suggestions at [webmaster@sfaw.org](mailto:webmaster@sfaw.org).

## About SFAWBN

The SFAWBN Network is a ‘voice-in-the-wilderness’ Broadcasting Network, taking on the giants and taking them down with Truth in the Name of Jesus Christ the King!

There is an old adage stating ‘history repeats itself’. Bible history tells us that once upon a time, there were giants upon the earth (Genesis 6:4). The Book of Enoch tells more detail concerning these giants, how they came to be, and how very evil and destructive they were. Bible history tells us for the children of Israel to have a homeland for themselves, one where they could

have their own homes and land and a safe environment for their women and children, and a future, **they had to fight and slay the giants** (Numbers 13:33 and Joshua 13:12).

There are giants today as well. They are intellectual giants in their evil and cunningness, and they have formed giant Networks such as the major radio and TV Networks.

There is another giant story in Bible history, the story of the giant Goliath and a small lad named David, armed with a rock and a slingshot. He took the giant on, and he took the giant down in the name of the God of Israel.

That, in a nutshell, is what SFAWBN is about. The Bible teaches that Jesus is the Rock (1 Corinthians 10:4) and that He is the Way and “TRUTH” (John 14:6).

With that TRUTH, we take on the giant Networks, and it (He, Jesus, the Rock) will bring them down, just as He did in the Bible histories mentioned above. All praise and glory be to the King, King Jesus Christ!

## About SFAWBN

It's no secret that the mainstream media (as well as the mainstream churches!) have been usurped and commandeered by the enemies of King Jesus Christ. SFAWBN steps up to confront and combat the falsehood and to give shining-light guidance to the misguided, to those deceived by the media and churches.

The SFAWBN Network became a vision in 2008 with the very expensive purchase of the right to broadcast 24/7 on WWCR's Transmitter 4 (World Wide Christian Radio, Shortwave out of Nashville, Tennessee). Thus, SFAWBN broadcasts 24/7 on satellite, radio, internet and shortwave.

There is NO OTHER Network like it in content, or in the fact that it is saint and listener sponsored, verses being sponsored via the commercial means of ads and sales of soaps, gimmicks, 'need-money' drives, and so forth. The SFAWBN Network is made possible by the prayers, tithes and offerings of those desirous of the Rule and Reign of Jesus Christ and His Laws, verses those of satan. We are to desire the Godly Kingdom government of Jesus Christ rather than the evil empire known as satan's kingdom, which his children like to refer to as a New World Order.

It is the Network of the faithful who know it is their faith that allows them to overcome.

*Ye are of God, little children, and have overcome them: because greater is he that is in you, than he that is in the world.*

1 John 4:4

*For whatsoever is born of God overcometh the world: and this is the victory that overcometh the world, even our faith.*

1 John 5:4

This saint-sponsored and listener supported Network was launched on July 4<sup>th</sup>, 2008, America's birthday, with a new website (sfawbn.com) and a fully programmed schedule of interesting, informative and Biblical programs.

Pastor Peters, with his many Scriptures for America broadcasts, will be a major broadcaster on this Network, along with many other fine programs presented by the SFAWBN Network. Please keep all of this in your prayers.

### 1. Pastor Peter's LIVE Radio Ranch Broadcast: Scriptures for America Worldwide

Pastor Peters has been preaching and teaching nightly from his Radio Ranch many years. His total radio speaking career spans a quarter of a century, providing Scriptural insight, true Biblical perspectives, and connecting current events with Biblical prophecy and past Biblical history. He has always been known to present the raw truth without fear of loss of listeners or support. He cares not to be politically correct, but Biblically correct. This radio broadcast also has interesting guests and interviews, and listener call-ins.

Though he often comments on being a has-been cowboy and wanna-be preacher, he has the preaching and educational credential to match his lifetime experience. On the wall of his Radio Ranch studio office hang a number of diplomas; one from the University of Nebraska-School of Agriculture, one from Northeast Junior College, one from Colorado State University, and one from a Church of Christ Bible Training School. Though he does not wear the title "Doctor Peters", he could, for he also has a Doctor of Divinity diploma hanging on the wall, right next to his Church of Christ Ordination Certificate.

Certificate

Truth is, he sees himself as just a man, purchased by the Blood of Jesus Christ, striving like the prophets of old to be the man of God he is called to be, grateful that;

*...God hath chosen the foolish things of the world to confound the wise; and God hath chosen the weak things of the world to confound the things which are mighty; 1 Corinthians 1:27*

Perhaps the best credential Pastor Peters can claim is to direct inquirers to the laughable slander against him and lies told about him, fired by the venomous anti-Christ, anti-Christian group known as the ADL.

Pastor Peters has been preaching and teaching ...

starting many years ago by purchasing and passing out the books "Ill Fairs the Land", "None Dare Call it Treason", and "The Plot Against Christianity".

### SFAWBN Program Descriptions

*Blessed are they which are persecuted for righteousness' sake: for theirs is the kingdom of heaven. Blessed are ye, when men shall revile you, and persecute you, and shall say all manner of evil against you falsely, for my sake. Rejoice, and be exceeding glad: for great is your reward in heaven: for so persecuted they the prophets which were before you.* Matthew 5:10-12

#### 2. Pastor Peters' Timeless Pulpit Truths

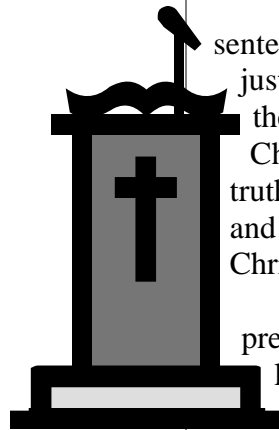

Pastor Peters has been preaching and teaching from the LaPorte Church of Christ for nearly 33 years, and he has been in the fight for Truth for over 40 years, starting many years ago by purchasing and passing out the books "Ill Fairs the Land", "None Dare Call it Treason" and "The Plot Against Christianity".

The timeless truths that Pastor Peters has presented from the church pulpit for over 30 years are just as important and truthful today as they were the day they were first preached. As many new Christians tune in each day for these timeless truths, we present them here for your edification and growing in the knowledge of our Lord Jesus Christ.

Throughout the years, Pastor Peters has preached on almost every subject imaginable. Following are just a few titles of sermons.

*The True Creation Story; What Noah's Flood was Not!; Blood Bath; A Just Look at Racism; A Tale of Two Cities—Twin Towers Terrorist Act; A Vote for Jesus; I Have a Dream, and many others.*

Pastor Peters has also taught many principles in sermons that became series of messages, including

## SFAWBN Program Descriptions

such subjects and titles as;

*Authority; The Kingdom; America the Conquered;*

*Everything You Always Wanted to Know about Gun Control, and Preachers Were Afraid to Tell You;*

*The King James Only Deception;*

*Prophecy, Power, Destruction and Deliverance;*

*Snake Stompin'; The Alien Creatures Among Us; The 'gods';*

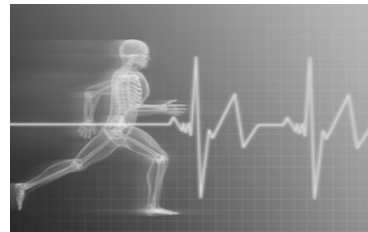

*Jezebel, and again, many more.*

Tune in to these programs from the pulpit of the LaPorte Church of Christ for the preaching of the Word of God; Bible truths straight from a true man of God.

### 3. Natural Wellness with Ken Anderson

Ken Anderson has been doing private nutritional counseling for 42 years. He started when he opened up a health food store in Glendale, Arizona in 1965. After 15 years, he closed the health food store. During that time he had also started working as a detail man "salesman" for different vitamin companies selling products to other health food stores and doctors. During the last five years of the health food store he also opened a private nutritional counseling office with 6-10 employees, some of which were doctors, massage therapist, colonic therapist, and a lab technician. Each customer would receive about three hours of private nutritional counseling and/or therapy during their visit. He opened a health resort where people would come and stay for one to three weeks at a time. He also had a live radio show for about 25 years, some of which were five days a week, two to three hours a night.

Since then he has been on numerous radio and TV programs and is currently on a local radio show one day a week. He studied under many of the health food nutritional experts over the past 35 years, including such people as Linus Pauling, Dr. Kurt Donsbach, Dr. Roger Williams, Adelle

## SFAWBN Program Descriptions

Davis, Paul Bragg, Dr. Kelly and many more.

Ken is a Christian, spending much of his spiritual life dedicating himself to teaching the Biblical health principles. Ken, and his wife Dottie of 37 years, have 4 children who are all married. They have 29 grandchildren with one more on the way.

Twelve years ago Ken started using Glyco-Nutritionals and found them to be the best discovery in his lifetime for the improvement of human health. Ken and his wife not only have more energy and are feeling younger, but their lifestyle has completely changed. They have traveled all over the world with their family, they have made the top level in their company and their four married children are all in the business. And they get to spread the good news together and work as a family. They are able to give to help orphanages and children in need with these products. Ken and his wife are also able to train on Biblical principles of health and wealth.

#### 4. Follow the Money with Pat Kiley

"Follow the Money" is an internationally acclaimed talk radio program about your money, politics and the real economy. Broadcast on AM, FM & Shortwave frequencies, "Follow the Money" is ranked #1 and is the fastest growing program of its

kind. **Website:** [PatKiley.com](http://PatKiley.com)

#### 5. The Country Gospel Opry Program

The Country Gospel Opry Program is dedicated to playing music that is pleasing to Our Lord and Savior Jesus Christ. There are a lot of tremendous singers out there who sing just to praise Jesus Christ and to edify the Saints. Often they don't have much of an

## SFAWBN Program Descriptions

outlet to get their music out and into your hands.

With the Country Gospel Opry Program, we find the musicians, play their music, and then tell you how you can order that music (if available tape or CD) directly from the artist. We know how music has been used as a weapon against us, but there is a change going on in the land. With the Country Gospel Opry Program, we are using the weaponry that we have available to us, one of which is good, Godly Christian music, to take down the giants, take back America and edify the Saints by putting a song in your heart!

### 6. Wednesday Night Prayer Meeting

Join us at the Radio Ranch as the phone lines will be open to take your prayer requests. Pastor Peters and Pastor Applegate, along with other Christian men, will be ready to pray for those requesting prayer for healing and other needs. It is written "*By HIS stripes, I am healed*", and we stand on that Word. Join us!

### 7. Music of HIS People

A program featuring those that sing because they love the Lord, not because they're selling a million albums. The program will cover all types of Christian music and will also feature folk type songs; songs about life, work, and love that doesn't dishonor the Lord Jesus, but tells the story of our people and their Christian walk.

### 8. Biblical Law and Insight for Today by Bill Strittmatter

SFAWBN is grateful to be able to present to its listeners a program from a Christian Elder with experience and insight; a noted author, researcher and dedicated disciple, Mr. William Strittmatter.

## SFAWBN Program Descriptions

BIBLE LAW  
& INSIGHT FOR TODAY  
w/ BILL STRITTMATTER

Mr. Strittmatter is perhaps best known for being the author of the infamous Bible Law Course, that some have called “*the best and most important Bible Correspondence Course ever made available to America*”. This will also be presented in this program, along with such interesting topics as; *American’s Christian History; The Doctrine of Balaam; The Third Commandment; A Message to Young People; What is Baal Worship?; The Abortion Clinic (The Secret Place); The Old and New Covenants; The Sabbath Day and the United States Supreme Court; National Money Problems; Religion and Politics; Capital Punishment*, and many more.

### 9. Shinings from the Diamond Mine

SHININGS  
FROM THE  
DIAMOND MINE

At our 2006 Rocky Mountain Family Bible Camp, Pastor Peters introduced the Acres of Diamonds story. A true story of a South African farmer who spent his life prospecting for diamonds, and the biggest diamond mine ever discovered was on his farm.

In his lifetime, the farmer searched the country over, trying to find a diamond mine. He died poor, not knowing that a huge diamond mine was right under his farm the whole time, and after his death, right there the largest diamond mine in Africa was discovered.

Pastor Peters searched in vain for trustworthy preachers who were not afraid to stand with him, and after finding only very few, he remembered the true Acres of Diamonds story. He discovered that there is a rich diamond mine of wisdom, knowledge and Bible understanding with our own men.

## SFAWBN Program Descriptions

SFAWBN has called upon our 'Acres of Diamonds' to broadcast on the Scriptures for America Worldwide Broadcasting Network. Just as David of old had his mighty men of renown, SFAWBN is also blessed with its own mighty men, men with spiritual insight, men who do not bow their knee to Baal, men who DO hold and serve Jesus Christ as King and Savior. They, like many Scriptures for America Worldwide listeners, have helped make this SFAWBN Network possible, and they are now able to make it even better with the sharing of their Bible knowledge, love for God's people and their desire to share their wisdom, talent and research with the saints.

We know you will benefit by tuning in and listening to these presentations by the 'Acres of Diamonds' men. If you would like more information on submitting your material for consideration, contact us at [preacher@sfaw.org](mailto:preacher@sfaw.org).

### 10. Camp Time Meeting

Camp Time Meeting time is an opportunity for you to sit back, relax and enjoy Biblical truths from true Elders of Christian Israel. These messages, brought at past Scriptures for America camps, meetings and gatherings, offer Biblical truths and thoughtful insight from the many speakers' different perspectives and life experiences.

Hear from Christian Elders such as Pastor Earl Jones, Colonel Jack Mohr, Howard Freeman, infamous fighting Red Beckman, Author and Southern Statesman Richard Kelly Hoskins, Gentleman and Scholar Charles Weisman, and many others.

We are sure you will enjoy listening to this treasure-trove of timeless truths from these great and knowledgeable teachers, many who have gone on to meet the Lord, but whose blessings for us live on, in the way of these stories and teachings.

## SFAWBN Program Descriptions

### 11. Coffee with the Radio Ranch Wranglers

Pastor Peters does live and work on his working ranch in Wyoming, and there are times that he and his Radio Ranch Wranglers get out of the office, saddle up and ride the horses, move the cows, brand the calves, fix the fence, shoot the skunks, fire up the tractors, cut and put up the hay, and do the many other things that still have to be done on a working cattle ranch. Pastor Peters' Radio Ranch Wranglers are Christian men who love and serve Jesus Christ, and who understand what 'riding for the brand' really means.

How would you like to join in with Pastor Peters and his Radio Ranch Wranglers as they share a pot of coffee around the campfire at the Radio Ranch and discuss current events, their thoughts from the Bible, happenings at the Ranch and the Church, and more? Join us Saturday mornings on the SFAWBN Network for some Godly conversation, Biblical insight and cowboy Coffee with the Radio Ranch Wranglers.

### 12. The Perilous Times Report by David Carrico

The counter-cult ministry is dedicated to exposing deeds of darkness and educating anyone interested about Bible Doctrines,

Apologetics, Topical Bible Studies, Cults, Ritual Abuse, The Occult, False Religions, and Secret Societies such as Freemasonry. David Carrico is a much sought-after seminar speaker and guest on many radio programs including Christian, secular, and short wave. He is also on the board of EPHESIANS 5:11 and is an annual speaker at the Ministry to Masons Conferences.

## SFAWBN Program Descriptions

### 13. "The James McCanney Science Hour — At the Crossroads"

SFAWBN is pleased to present to its listening audience a program from a scientist and lecturer with the kind of credentials and experience that James McCanney carries, "**The James McCanney Science Hour - At the Crossroads**".

SFAWBN views Mr. McCanney as being, to the science world of the present establishment of so-called scientists, as a prophet of old, like Jeremiah was, to the religious establishment of his day.

As for Mr. McCanney's programs, there are never two programs alike, and never a dull one either. He covers everything from the chilling facts on global warming to the truths concerning comets, hidden archeological discoveries, past astrological events, the great governmental conspiracy at NASA, and even the science of UFO's.

Mr. McCanney works by himself, and the information presented is from his work and research alone. He has extensive experience and interaction with the International Scientific community, and presents insight on these matters that you will get nowhere else.

It is our hope that these Network programs are informational to you, that they will help give you insight and true Biblical answers in these days that we are in, and that you will enjoy listening and learning from them as well.

Remember, the SFAWBN Network is a listener-supported Network: this means it is YOUR Network, if you support us with your prayers, tithes and offerings.

Pastor Peters,

Just wanted to say that the last messages on the tape ministry about *Revealing the Man of Sin* were timely and definitely hitting the mark!!!! Awesome preaching - Holy Spirit driven and inspired!! The messages came at a moment when I really had a spiritual need for them! Thank you! By chance, I reached into my big wooden box of past messages from SFA, and by random I pulled out *Snake Stompin' Sense, Part 3*. I think it ties-in well to revealing "the man" (Esau-Edom) of sin!

**"They" ARE reptilian!**

Also, the message about taking cover and giving cover was heart-felt. Our country's Jezebel and selfish practices have been removing the covers layer-by-layer: Church, family, parents, moral purity, etc.....

On another front, it recently occurred to me that the sign in "Hollywood" originally was "Hollywood land." Pastor Peters got it right: the purpose of "their" *weapon* of cinema/film is to cast-a-spell over the people in order to take THE LAND away from us -- and how "they" have been succeeding. The remnant must wake-up from this Jezebel-devil-spell and make it God's land, Jesus Christ's Land, again!!!

Dear Pastor Peters,

Here's an additional witness regarding Pastor Peters' article in the latest *Dragon Slayer* newsletter about what happened to America since 1968.

In the book by Robert H. Bork (published in 1996) titled, Slouching Towards Gomorrah: Modern Liberalism and American Decline, on pages 36-37 he writes:

*...Yale [University] was unprepared for the shock when student radicals first appeared in our midst.... the change at the law school began abruptly with the class that entered in 1967. ...These students were angry, intolerant, highly vocal, and case-hardened against logical argument. ...this group developed a rigid "political correctness" of its own. ...The entry of another politicized class in 1968 gave the radicals effective control of the student body.*

On page 39: *Though "they" spoke of democracy and brotherhood, "they" were in fact authoritarian and manipulative.* [I put in the quotation marks around "they."]

Pastor Peters,

You know how you or another caller might mention why the 1<sup>st</sup> coming maybe in September. Well I was reading the book of Jasher that I bought in Branson and I was wondering if you remember the stick Joseph pulled out of the garden on page 221. I believe (if I remember roman numerals correctly) it is chapter 77 verse 39. The stick is referred to as sapphire. Sapphire is the stone for September. I thought it quite interesting especially when you read on about the importance of the stick, its history, and its works (power).

I thank God for your ministry. I think nine years before I found out about your ministry I was a hungry lost soul looking for food because I started to think I really was not saved in a Baptist church when I was a child. Yes, nine years. But no truth did I find till in July of 2001, I listened to a tape on How to become a Christian and became a part of the tape ministry then. You are truly a voice in the wilderness because I think during those nine years I went from church to church. In all I visited 7 or more churches and was still hungry and giving up on having a church.

Thank God I found my church, La Porte Church of Christ through Scriptures for America. God's used this ministry to save lives and it has saved mine and my family. I Thank Jesus and I appreciate all your efforts at Scriptures for America at saving lives in service to Jesus.

Dear Pastor Peters:

I am sickened at the mind control the Viacom media monolith exerts over Americans today. Especially I don't like how they deceive children. For example, Viacom produces the propaganda toy "Dora the Explorer" which constantly speaks English and Spanish to condition children for the premeditated merger of the Americas. She looks like a little feminist brat.

That's how the young girls are brainwashed against God's idea of womanhood. I have problems with that ever since my wife deserted. She now tries to raise our daughter in a godless way. She still attends a wishy-washy church that does not teach any Bible. It's a Sunday-morning social club where they pretend to listen to some preaching but they really

are too busy chewing gum, yawning and doing other things. It's dead like a hammer.

So while my daughter is not under my control the Disney, Mat-tel, Viacom-sponsored mind control is ruining her character. Do you have any teachings, tapes or other material on the godless influence these power-greedy global conglomerates exert? They need to be ex-posed. It is horrifying how the burn the sin and ungodliness in the minds of children. This whole Disney-sponsored "Hannah Montana" garbage is turning innocent girls into whorish women wearing a harlot's attire behaving like the impudent, foolish women in Proverbs. But most American Christian are too blind to see. Via Email

Dear Pastor Peters,

As a woman who grew up with no male authority over me, just a very strong, independent mother, it has been hard for me to under-stand the order of God's kingdom in the sense of the home. My grandfa-thers died before I ever had a chance to meet them and I never really got to know my dad who left when I was 3. I had a few uncles, but they just liked to tease me to see how red I would get because I was so shy. I had still had a strong desire to find and know a Godly husband, but only ended up with 2 abusive and ungodly men.

So what I am trying to say to you after today's sermon is this; even though you come on so strong and may sound to some to be, un-caring and cruel or harsh, "Thank you!" Today's sermon to me would have to be summed up in one word..."Beautiful"....absolutely beautiful! I know the Spirit was testifying to the truths you brought because I felt it reach into the deepest parts of my heart, my spirit, and I believe only love from you could have preached such a timely message. As the re-turning of Jesus for the wise virgins has become my greatest desire to see and attain to, today's message has put me back in the old cattle path and I pray that no other ruts come along to throw me off course.

Again, thank you and God's greatest blessings to you and yours, in Jesus' mighty and precious name. Sincerely and in Christ Jesus.

Pastor,

I have finally come up with a term for the male counterpart to Jezebel. It should simply be JezeMALE. As for the new song "I've Got a Jezebel by the Tail", it has a good tune to it.

It's funny and I think as you have pointed out that that really upset them and depowers them to be laughed at. I think they lost some power yesterday. It goes right along with the prophets of Jezebel being mocked by Elijah. We need to mock today's prophets more; maybe you all can do that in your coffee program.

Also, on the verse about women being a weaker vessel the real problem comes is when they won't be treated as a weaker vessel.

Greetings!

My Name is James and I am a faithful tither to Scriptures for America. I'm writing in reference to the Jezebel series that Pastor Peters is currently preaching. Although I agree with some of the things he has highlighted in his messages and how it can apply to some women in the world, I think that a little too much emphasis is being placed on 'Jezebel' to the point where it is now being indiscriminately applied to most if not -- all women, the Pastor has gone as far as applying the same murderous spirit which possessed Jezebel who consciously and willingly rebelled against The Most High God and who also was a worshipper of Baal to Eve who was deceived by the Snake.

Pastor Peters has been so consumed with the want to expose Jezebel that rather than expounding on the importance of a loving wife and mother and how vital it is for our society he even preached about Jezebel on Mother's day but on Father's day he took some time to paint a favorable image of Fatherhood.

Jezebel is not the representative of womanhood nor should we apply Jezebel's misdeeds to characterize all female propensities, there are many godly women within the Holy Writ whose deeds have gone

unspoken of by Pastor Peters. Perhaps the Pastor can be more balanced and shine the spotlight on a better example that should be emulated by God fearing Christian women. Via Email

Pastor,

I was thinking that there may be more to God sending the weather He has to the states He has and then I thought maybe the casinos had something to do with it as well as all of the things you mentioned yesterday.

Here is an excerpt from an article concerning river boat casinos. I think the storms for the most part have really targeted these states. The first state to have riverboat casino was Iowa. I wonder if the cost of the flooding would turn out to be a biblical multiple of the money stolen by these casinos. i.e. 3 to 7 times the amount.

Currently six states, Iowa, Illinois, Mississippi, Louisiana, Indiana, and Missouri allow gaming parlors and casinos on riverboats. Most operate on the Mississippi, Ohio, and Missouri Rivers. The first state to reintroduce this type of gambling facility was Iowa in 1989, when legislators passed a law permitting riverboat casinos under certain circumstances. According to this measure, gambling in Iowa may occur only on historic or modern riverboats, making cruises on the Mississippi River lasting a specified period of time (usually an hour and a half). Slot machines and table games are allowed.

In Illinois, the second state to authorize riverboat gambling, casino patrons may also board riverboats making regularly scheduled runs; however, they must wait until the boats are fully underway before engaging in gambling activities. Games allowed include blackjack, craps, roulette, and big six. Slot machines and video poker also are permitted.

Illinois riverboat casinos, all of which must charge a boarding fee to their customers, have the potential to be very plentiful, as they may cruise on any number of major rivers, including the Mississippi, Des Plaines, Ohio, and Illinois. Casino operators here have also been

very successful in presenting Las Vegas-style entertainment, generating even more customer traffic. Already more than 10,000 new jobs have been created in Illinois through the legalization of gambling on river-boats, with an estimated yearly payroll in excess of \$250 million.

What's missing in Iowa?

The place is flooded, homes and lives are in ruin and Al Sharpton is nowhere to be seen.

Every photo I've seen shows people working to save their stuff; to my knowledge no one has cried for the government to save their asses, no lootings - no shootings.

What's missing?? Why is this so different than New Orleans? Where is Jessie Jackson?

Dear SFAW,

I'm not the brightest bulb in the drawer, but I came up with this. What happened in Kalifornia two days before 750 forest-rangeland fires started? The Sodomites got the 'legal' permission to marry. Our Father calls Sodomites evil, and an abomination. It must really stink up His nose.

Well, all 750 fires were lightning caused, I'm told by CAL-FIRE. They should know since they have to put them out. Lightening is in Gods province, right? Well, the legislature poked our God in the eye approving Sodomite marriage, and he poked back with lightening. The smoke was a stink in our noses and darkened the sky. Two days later from all the 750 fires started by lightning, 250 more were started the same way. That's 1,000 fires. And last night on the news, CAL-FIRE said it was up to 1,750. And the poor fire fighters are working 48 to 72 hours on with damn little sleep. For them, I pray.

I can just hear God saying, "O.K., you want to 'legalize' what I have condemned, take this." Like I said, I'm not overly bright, but I can sure see this.

Dear Pastor,

I am extremely unimpressed with the song "I've Got a Jezebel by the Tail" as a song for the worship service. I'm sure it needed to be written and many men occasionally need to sing it. But it seemed out of place in church, especially since it kind of sounds as if the Jezebel is really getting the best of the guy. Doesn't seem like good programming.

Pastor Peters and SFA,

This past week we had some storms come through northeast Texas that produced 60 mph winds, hail, and lightning strikes. My husband and I sat it out in our little screen house we built a couple of months ago (complete with storm flaps) instead of our mobile home. We played the cd's and sang along with them. When the storm would get worse I just turned my stereo up. We sang the storm out and never even knew the damage done around us. We had several trees within 200 -400 ft. of us struck by lightning.

It was so nice to be safe and enjoy the music. We both sang our praises to God and never really felt scared from the storms at all. Just had to pass that on and thank you for sending the package to me. I will be sending in our tithes next week and keep on making new songs for us to praise God with. It is wonderful and such a blessing. We pray for all of you to keep up the good work and keep stomping snakes.....

Dear SFA,

Let me know if my thinking is right. As I read the homepage news articles etc. I see continuous growing financial disasters. With the doings of weather and fires etc., it seems to me that this is another actual showing of how our LORD is making the transition to the new age as one could say. What do you think?

I was talking to a fellow that knows the Israel truth (I told him, so I know) about the fires in CA after Arnold let the fags marry as a simile of Sodom and Gomorrah. He said "I never thought of that".

I guess not many do! Let me know what you think. CA

Email from a TV Reporter:

Can you contact me about your material being placed in books in a library in Westlake, Ohio?

I am doing a news story on it... Here are a few of my questions...

1. Is someone that is affiliated with your group placing this type of material in libraries?
2. Do you approve of this placement, which is against library policy?

Why don't you just stand in front of the library and pass it out instead of placing it inside books?
