Your preacher writes this

just prior to preparing the sermons for the Passover weekend services on April 2-3, 2011. As he does so, engineers are working on the Bible World Wide transmitter in Tennessee, and your preacher is praying that it will be up and going on Passover day. We'll inform you how that goes in next month's DragonSlayer Newsletter.

WTWW Antenna

Things are busy as always here at the Radio Ranch, as well as at the LaPorte Church of Christ, and on the Scriptures for America Worldwide Broadcasting Network, broadcasting 7 days a week, 24 hours per day. Know that those around-the-clock broadcasts are producing results in reaching more and more of the Lost Sheep of the House of Israel.

The live Wednesday Night Prayer Meetings continue to bless peoples lives, both those that call in for prayer, and those that join us around the country and pray for those requesting prayer (see James 5:13-16).

I'm taking the Radio Ranch Wranglers with me to Las Vegas in April to attend the National Association of Broadcasters Convention. It's huge, and allows us to stay up on the cutting edge of technology for filming, recording, broadcasting, editing, equipment, using the Internet, etc...

We are also making plans and arrangements for our Annual Big Branson, Missouri meeting on June 4-6, and it promises to be a quite unique and special event this year. Think WORSHIP!

PASSOVER

Passover is very, very important, and it is still not too late for some of you to observe. It is *so* important that God's Word makes a provision that if you miss keeping the first Passover, then you can keep it thirty days later (see and read Numbers 9:11). This preacher will also administer Communion on the second Passover day of May 2, 2011 with a Passover message. It will also be streamed live on the Internet from 7:00 pm to 8:00 pm, mtn. time (possibly directly from my office on the Radio Ranch). For more understanding on the Passover, order our book, "Solar Sanity –vs– Lunar Lunacy in calculating the Passover." Don't be fooled by the false teachers and preachers who advocate the jewish lunar schedule, or try to tell you it makes no difference which calendar (solar or lunar) you use.

"...observe your feasts on schedule."

Isaiah 29:1

Not only is there a lot going on here, but there are a lot of expenses we've got to pay monthly. Remember that it is the tithes and offerings of the faithful that allow us to pay the bills. We thank you, and thank you again for your prayers. Please know that your preacher prays daily for the flock the Lord allows him to minister to.

Still Sincerely Stompin' Snakes,

Pastor Peter J. Peters

Concerning Current Events

It is no secret to those with spiritual understanding that the serpentine children of the devil spell casters for the most part control the media. Most minds are manipulated and molded to the extent that true Christians' thoughts (not the Judeo-Christian crowd) are viewed as criminals. They commit thought crimes because their thinking is not politically correct. Being Biblically correct is usually politically incorrect. Jesus spoke of the vipers being the blind that lead the blind (Matthew 15:14). Isaiah 29 addresses the time we are in.

For the LORD has poured over you a spirit of deep sleep, He has shut your eyes, the prophets; And He has covered your heads, the seers.

Isaiah 29:10

A true prophet sees what others do not and causes people to see. That is why prophets used to be called "seers."

(Formerly in Israel, when a man went to inquire of God, he used to say, "Come, and let us go to the seer"; for he who is called a prophet now was formerly called a seer.)

I Samuel 9:9

A good example of this is seen in II Kings 8:8-12 which tells how Elisha wept when he looked upon Hazeal. Hazeal appeared to be okay to others and was the right hand man of the king, but the truth was he was a murderous bastard. He asked Elisha why he wept and Elisha said, *"Because I know the evil that you will do to the sons of Israel: their strongholds you will set on fire, and their young men you will kill with the sword, and their little ones you will dash in pieces, and their women with child you will rip up."*

Concerning Current Events

SEEING THE JAPANESE

Presently, the media molds the minds of the people to see the Japanese earthquake and tsunami as an act of mother nature and a humanitarian need to help the poor Japanese. A true prophet mentally sees it differently. How about seeing it as the Wrath of God and a last day, end-of-the-age event of the day of the Lord?

Proverbs 8:29 tells us the waves have to obey the command of God. They can go no further than God Almighty allows:

"...He set for the sea its boundary, So that the water should not transgress His command,..." Proverbs 8:29

Thus, a tidal wave that goes sixty miles inland as it did in Japan is the Wrath and Act of God, not some circumstantial fluke of 'mother nature!' This kind of thinking is viewed by the anti-christ serpent seed as politically incorrect, criminal and unacceptable. Thus, the concept is kept out of the mind of the people. Satan's children, including the Baal priest Judeo-Christian ministers put it in the mind of the people that the humanitarian and Christian thing to do is to love and help the poor Japanese.

SOMEONE'S SINS NEED TO BE CONFESSED

The Bible teaches we can and at times should confess the sins of our forefathers, as well as our own sin.

'If they confess their iniquity and the iniquity of their forefathers, in their unfaithfulness which they committed against Me, and also in their acting with hostility against Me—'

Leviticus 26:40

Now, seventy years ago our forefathers would have rejoiced to see such disaster and destruction hit Japan. Today we say, "Oh, isn't that terrible," and we run to help them. Which generation needs to repent? (Seventy years ago, Japan was warring,

Concerning Current Events

invading, and inflicting injury upon civilians of invaded countries; they were barbarous, cruel captors and sneak attackers.)

If it was the Wrath of God that hit Japan and we then rush to help them, we bring God's Wrath upon us.

And Jehu the son of Hanani the seer went out to meet him and said to King Jehoshaphat, "Should you help the wicked and love those who hate the LORD and so bring wrath on yourself from the LORD?"

II Chronicles 19:2

There are individual Japanese that are Christians, but as a nation, a Christian nation it is not. They have and follow other gods, which in and of itself is a wicked thing.

"You shall have no other gods before Me." Exodus 20:3

There is such a thing as "national characteristics." For example, the characteristics of Cretans are addressed in Titus.

... "Cretans are always liars, evil beasts, lazy gluttons."

Titus 1:12

That doesn't mean every single Cretan was... but on a national overall level, they were.

Seventy years ago our forefathers more often referred to the Japanese as Japs, and normally with the adjective dirty damned Japs. They were notorious for being sneaks and doing sneak attacks as they did at Pearl Harbor. This has been a historical pattern for them.

A PERSONAL OPINION BASED ON SCRIPTURE

Here is a personal opinion based on Scripture which I think the Holy Spirit has caused the writer of this article to see. If you read Isaiah 29 you'll see a place called Ariel (Isaiah 29:1) which is really Mount Zion (Isaiah 29:8). It has a multitude of enemies (Isaiah 29:5) and the Wrath of God comes down on them.

Concerning Current Events

From the LORD of hosts you will be punished with thunder and earthquake and loud noise, With whirlwind and tempest and the flame of a consuming fire. Isaiah 29:6

It appears this fits the tsunami scenario that hit Japan. No one seems to be asking why there was weapon grade plutonium rods stored at the Japanese's nuclear site. The lying, controlling antichrist media have tried to compare the nuclear crisis of Japan to the post Russian incident in Chernobyl. There is no comparison. There were no weapon grade rods there in Chernobyl. Why was there in Japan? The Japs haven't forgotten WWII, and those rods could be used to make bombs, or they could be sold to other nations to make bombs, but not now, thanks to the Wrath of God.

Now "they" will no doubt be getting the true Israelites in America to adopt some yellow, slant-eyed Jap kids to further pollute our gene pool, just like they did with the cute little fuzzy-headed black kids from the voodoo, devil worshiping nation of Haiti last year.

And of course the prophet who sees and speaks these things is seen and heard not as a man of God, but a horrible, unloving, unchristian man who must wear the ugly, scary title of RACIST. That's what he gets for loving and caring for his (and HIS) people.

Meanwhile, the white people in New Zealand who are our kinsman get no help or attention when that country was hit with a

devastating earthquake several weeks before Japan. In the city Christ Church, many thousands of homes were destroyed and the people are still without sewer and water. Your mind manipulators are

determined to keep that out of your mind.

Concerning Current Events

RUMORS OF WAR (MORE PERSONAL OPINIONS)

Now too many people started thinking about the radiation coming jet-stream-style fashion from Japan to America. Every American household should have potassium iodate tablets to take to prevent thyroid poisoning from the fallout, but most can't even find any to buy (some have been listed on e-bay for exorbitant prices). Time to divert their attention.

What's a good way to do that? How about a war. Suddenly, we are told there is a war in Libya. It was started on a 91st day just like eight years previous...the war in Iraq started on a 91st day.

Why do we believe there is a war in Libya? Because we've been told there is and we've seen it on TV. One Acres of Diamonds Man pointed out to this writer that the Fox News he

saw showing film footage of missiles firing, jets flying and armored vehicles rolling one week, was shown again a week later (same footage). The point is a war can be manufactured on the screen and in our minds by the media mind molding manipulators.

It's interesting to note that Jesus did not say there would be wars and rumors of wars. He said: *"And you will be HEARING of wars and rumors of wars;"* Matthew 24:6
And so we are.

DAY OF THE LORD

We may not be certain if we as a nation are really in a war, but we as His people who are into His Word should certainly see we are in the Day of the Lord. And of that day the Bible speaks much about. It says it would not come until the man of sin or lawlessness of II Thessalonians 2 was revealed (II Thessalonians 2:3,4).

Concerning Current Events

This ministry revealed him several years ago (order booklet PS-026, CD # C1126). Since that time, Day of the Lord events have begun to unfold. The Bible teaches it would be like a woman with birth pains (I Thessalonians 5:3). It's an end of an age happening.

To get through it all, one must have faith. There's plenty of belief, but little faith. Faith is acting on one's belief. Fear cancels out faith, thus Jesus repeatedly taught us to fear not (Matthew 10:26-31, Matthew 24:6).

Keep the 91st days, keep the Passover, and keep taking Communion. This is all part of entering in the Rock.

Enter the rock and hide in the dust From the terror of the LORD and from the splendor of His majesty. The proud look of man will be abased, And the loftiness of man will be humbled, And the LORD alone will be exalted in that day.

Isaiah 2:10,11

The Rock is Jesus Christ (I Corinthians 10:4). We are Baptized into Christ (Galatians 3:27) and when we partake of Communion, we continue to abide in Him (John 6:56). It is there in Him we can claim the promises in Psalm 91.

He who dwells in the shelter of the Most High Will abide in the shadow of the Almighty. I will say to the LORD, "My refuge and my fortress, My God, in whom I trust!" ... You will not be afraid of the terror by night, Or of the arrow that flies by day; Of the pestilence that stalks in darkness, Or of the destruction that lays waste at noon. ... No evil will befall you, Nor will any plague come near your tent...

Psalm 91:1,2; 5,6; 10

Project LOGOS Renamed **BIBLE WORLD WIDE**

We have been keeping you, the body of Christ, informed concerning our project of broadcasting the pure Word of god, i.e., the Bible, world-wide in five different languages. Because the title "Project Logos" is already in use on the Internet, we have renamed the project BIBLE WORLD WIDE (BWW), and are building a new corresponding website, bibleworldwide.org.

The Lord has a sense of humor. The very group of Christians (Anglo-Israel believers) who are slandered and attacked as racists by such hypocritical anti-Christ outfits as the ADL, SPLC, and media outlets, etc... are the ones bringing the Word of God to the other races. This is a mammoth missionary undertaking for

us, and much is involved to get it up and running. We've made arrangements and have gotten a transmitter to Radio Station WTWW in Tennessee to get it done.

The Lord has layed it upon your Pastor to do this. It is something that needs to be done prior to our Lord's return, and it is in keeping with the end of the age prophecy, for Jesus said in the Gospel of Matthew;

And this gospel of the kingdom shall be preached in all the world for a witness unto all nations; and then shall the end come.
Matthew 24:14

The end He speaks of is not the end of the world, but of the age (the KJV often uses the word 'world' when the proper translated word should be 'age'). The Day of the Lord is an end-of-the-age happening, and the faithful are told by the Apostle Peter to look for it and the HASTEN its coming.

Project LOGOS Renamed BIBLE WORLD WIDE

"...looking for and hastening the coming of the day of God..."
2 Peter 3:12

As your preacher has already preached, it is all about frequency, and just having the pure Word of God carried in the air around the world will affect the frequency of the world. Scripture speaks of satan being the prince of the power of the air (Ephesians 2:2) and how our Lord will crush him beneath the feet of the saints (Romans 16:20).

This project BIBLE WORLD WIDE will be a crushing blow to that prince of the power of the air.

BIBLE WORLD WIDE will bring the much-needed Word of God to regions where it is currently outlawed. For example, did you know it is against the law in Mexico to have a Christian radio broadcasting station, just like it is in China? Our Lord Jesus Christ is to be and will be worshipped world-wide.

For it is written, As I live, saith the Lord, every knee shall bow to me, and every tongue shall confess to God.

Romans 14:11

There are one BILLION, three-hundred ninety-five MILLION, one-hundred fifty-three THOUSAND, and thirty-five shortwave radios in the world. But, the world has not, until now, heard the pure Word of God. BIBLE WORLD WIDE will change that. We will have

more to say and report on in the next DragonSlayer Newsletter after we get the new website built.

Please keep this BIBLE WORLD WIDE project in your prayers.

Are you *"...looking for and hastening the coming of the day of God..."*?

Information on and a call out to you Ladies and Gentleman

The other day a friend of mine was in the mailing room here at SFA and she learned we are mailing out the God's Home Health Care show. She asked to be placed on that mailing list, as she did not know this was available. So, I thought I would let our readers know that this program is available to our supporters. Many who have come on board with the God's Home Health Care show as of late get 2 CD's from the beginning of the program as well as the regular CD's that are mailed every other week, and this continues until they are caught up with all of the programs.

Nancy Mae and I discuss all kinds of basic health related topics, as well as current topics. We also discuss cutting-edge information, and try to report on fact -vs- fiction in many health related areas. Contact the SFA office if you would like to be on this mailing list, and specify if you want any back issues until you catch up.

Next, I wish to put a call out to all of our listeners and supporters for testimonies as to how the Lord caught your attention. It is not only faith building to us all to hear others testimonies, but it gives us ideas to speak to the lost we still have in our nation and beyond. Also include in your testimony how you found us (SFA) if you can. Even if your testimony is short, send it anyway, as we hope to combine them and run them in this column in the future.

Therefore encourage one another, and build up one another, just as you also are doing.

1 Thessalonians 5:11

91st Days for 2011

91st Days for 2011

The final 91st Days for solar year 2010 were March 18 & 19, 2011; the 2010 solar-year-ending double day. This completes the 2010 solar year and is followed by the Spring Equinox (Sunday, March 20, 2011) the beginning of the 2011 solar year. Passover follows 14 days later, on April 2, 2011.

Here is a quick synopsis of the 91st Days for 2011.

The Spring Equinox (Sunday; March 20, 2011) is the beginning of the 2011 solar year (it is the first day of Abib, day 1). April 2, 2011 is the Passover for 2011 (the 14th day of Abib).

Following Passover Day, there are four 91st Days, which are like Soldier Sabbaths and likened as the four fingers on a hand. Passover is likened as the "thumb day". Each day begins at high noon (remember to adjust for Daylight Savings Time). *(For more information on the day beginning at noon, we suggest our 4 part series "The Sabbath", available on CD.)*

We suggest you read and pray the 91st Psalm on these 91st Days, and observe these days as Sabbaths.

These Soldier Sabbaths are in addition to the regular 7th day "Lord's Day" observed by the early Church and by Christians today. If you simply cannot observe these 91st Days Sabbaths, the truth of Romans 8:1 is still the promise to the Christian.

The following are the dates for the 91st Days for calendar year 2011. **June 18, 2011**

September 17, 2011 December 17, 2011

We realize it will only be the "remnant of the remnant" that Pastor Peters calls the "Barley first-fruit Gideon force" that takes seriously the 91st Days teachings. For more explanation on these teachings, order our "91st Days Packet", available from this ministry . It can also be read at the Ministry website, scripturesforamerica.org.

If you have any questions, our office phone # is 307-742-7582, our email is preacher@sfaw.org, our website is www.scripturesforamerica.org, and our mailing address is Scriptures for America, PO Box 766, LaPorte, CO 80535.

Invite to Branson 2011

by Pastor Peters

June 4-5-6, 2011

This invite is for Christians, but not just any Christian. Christians of the type that the Heavenly Father seeks to worship Him. We are at the hour when the Father looks, seeks and searches for saints who will WORSHIP HIM. The Holy Spirit has layed it upon this preacher's heart that this year the emphasis of our assembling together should be and must be on WORSHIP.

*"But an hour is coming, and now is, when the true worshipers shall worship the Father in spirit and truth; **for such people the Father seeks to be His worshipers.** "God is spirit, and those who worship Him must worship in spirit and truth."* John 4:23-24

Our Heavenly Father is ready and able and desirous to do great things (called miracles), and great things happen when He is worshipped and praised. The Scriptures say He is enthroned or inhabits the praise of Israel.

Yet Thou art holy, O Thou who art enthroned upon the praises of Israel. Psalm 22:3

Praise and worship brings on the miraculous miracles. Gideon once asked where are the miracles?

And the angel of the LORD appeared to him and said to him, "The LORD is with you, O valiant warrior." Then Gideon said to him, "O my lord, if the LORD is with us, why then has all this happened to us? And where are all His miracles which our fathers told us about, saying, 'Did not the LORD bring us up from Egypt?' But now the LORD has abandoned us and given us into the hand of Midian." Judges 6:12-13

It may be when we ask 'where are the miracles?' our Lord is asking, 'Where is the praise and worship?' The Bible clearly teaches such things bring on the power of God.

Jesus said, "An **hour** is coming" when the true worshipers would **worship**. We are in the time of the wise and foolish virgins known as the midnight hour (Matthew 25:6). It was about midnight when the worship of Paul and Silas brought on a miracle.

Invite to Branson 2011

But about midnight Paul and Silas were praying and singing hymns of praise to God, and the prisoners were listening to them; and suddenly there came a great earthquake, so that the foundations of the prison house were shaken; and immediately all the doors were opened, and everyone's chains were unfastened.

Acts 16:25-26

When Israel of old was surrounded, outnumbered, and about to be crushed and destroyed by their enemies, that worship saved them and glorified the Lord.

And when they began singing and praising, the LORD set ambushes against the sons of Ammon, Moab, and Mount Seir, who had come against Judah; so they were routed.

2 Chronicles 20:22

THE RIGHT MIXTURE

Mixing up the right mixture of truth and spirit in this late hour will make for a way for much needed miracles. As the Scriptures teach, we are the clay, and our Lord is the potter (Isaiah 64:8). When there is too much water, the clay used will

not form. That's the way it is with so many religious outfits, such as the 'phony-costals'. They go after all spirit and little truth; they are after a "feeling."

Any spirit can give you a "feeling" and they are moved by any spirit. The Bible says to test the spirits (1 John 4:1) because not all spirits are Godly or of the Holy Spirit, and in the last days many will be influenced by deceitful spirits.

*Beloved, do not believe every **spirit**, but **test** the spirits to see whether they are from God; because many false prophets have gone out into the world.*

1 John 4:1

Invite to Branson 2011

But the Spirit explicitly says that in later times some will fall away from the faith, paying attention to deceitful spirits and doctrines of demons,... 1 Timothy 4:1

Concerning truth, the truth is that truth doesn't always make one "feel" good. Truth without spirit is dry, thus the clay vessel does not form any better than overly wet, slimy, sloppy agape mud. There must be the right mixtures, and at this year's Branson gathering, we are striving for that. (He is the potter and we are the clay. A potter mixes clay and water and then puts it through the fire to glaze it, then he decorates and adorns it.)

THE BRANSON GATHERING;

- **Is just for Christians;** thus we will have baptism services each day, as there will be those believers who come to become Christians, which happens when baptized according to Acts 2:38.
- **We gather in the Name of Jesus Christ.** Those of the unholy name persuasion are not welcome and will not be tolerated.
- **Come to worship and learn,** not to teach and recruit.
- **Come expecting miracles and healings.**

The Bible differentiates between healings and miracles (Mark 6:5). We will have healing services and in fact have a new and special plan for a healing service.

- **Come to encourage others.** *"...and let us consider how to stimulate one another to love and good deeds, not forsaking our own assembling together, as is the habit of some, but encouraging one another; and all the more, as you see the day drawing near."* Hebrews 10:24-25
- **Come to learn and to get equipped with the NEW spiritual weapons of mass destruction.** *"... for the weapons of our warfare are not of the flesh, but divinely powerful for the destruction of fortresses. For the weapons of our warfare are not of the flesh, but divinely powerful for the destruction of fortresses."*

Invite to Branson 2011

We are destroying speculations and every lofty thing raised up against the knowledge of God, and we are taking every thought captive to the obedience of Christ, and we are ready to punish all disobedience, whenever your obedience is complete.”

2 Corinthians 10:4-6

- Pastor Peters will be the featured speaker, but there will be the **Acres of Diamonds Men speaking**, ministering and holding classes as well.
- There will be the **Knights of Christ singers**, and special music as well as great congregational singing and praise.
- There will be a special (By Invitation Only) Men's Christian Training and Meeting for the Acres of Diamonds Men on Thursday, June 2nd and Friday morning, June 3rd. Applications have been filled out and invitations have been sent, and **men, don't forget your swords!**
- **There will be NO CHARGE** to attend, and a NEW Circuit Riding Preacher Songbook #4 for each family attending. (An offering box will be there for donations, tithes and offerings.)
- This year's Branson gathering will be at the same place, but the Conference Center is undergoing MAJOR RENOVATIONS, has a new owner, and a new name. It is now the Camden Hotel and Conference Center, and they promise nicer rooms and a more professional staff. They only have a few rooms that have been renovated at the old Cobblestone, and once those rooms are taken, they have rooms at another nearby hotel that they will set our people up with, for the same low room rate of around \$50.00 per night. The phone number for reservations is 1.800.800.2019, and tell them you are with the Scriptures for America group.
- We do ask all that would like to attend this year's gathering to RSVP with the SFA office as soon as possible so we can plan accordingly. Our office contact phone number is 307.742.7582, our fax is 307.745.5914, and our office email is preacher@sfaw.org. Our mailing address is Scriptures for America, PO Box 766, LaPorte, CO 80535, USA.

From the Mailbag

Thank you FROM New Zealand for the 4 CDs which arrived safely today. I have eagerly started on them before sending on to others who are waiting.

An update on the Christchurch earthquakes. They are still going on down there, no day goes past without fresh ones. Thousands have left the city as they can take no more, and as my nephew said the other day. Trauma has set in. He had to come to Auckland to get away from the continual shaking, it is more serious than we all thought.

Last Friday week they held a memorial service for the ones who died. It was held in Hagley Park and about one hundred thousand turned up. They opened with a maori karmatua (witch doctor)who prattled on for 15 minutes about being the owners of the land, then in quick succession the Buddhists chanted, the woman was bald. Hindus complete with stripe down the nose, jews, Methodist, the cathedral bishop, they somehow got her from America, the dean who used to minister with the homosexuals in Auck; catholic priest and various so called pastors. A real mishmash of baal priests. In fact it was a full blown show of modern day Pharisees. And, the people loved to have it so!!!! Everyone was raving over it. I wonder when they will come to realize that Almighty God is shaking the city. 26 churches have come down, and most of the CBD is going to be demolished, and they are already talking of rebuilding the cathedral. The majority have still not got the message. God bless you all over there. **New Zealand**

Dear Friends,

I am writing this letter, to share my perspective on the people and nation of Japan, and how they are reacting to the unprecedented horror that has befallen them. As a young enlisted man in the United States Air Force, my first assignment was to Yokota Air Base in Fusha Shi, Japan. As it turned out, I spent my entire 6 1/2 year enlistment, and another year as a civilian, living in Japan. During this period, I immersed myself in the Japanese culture. I gained a level of skill in the Japanese language, and traveled to all the islands of Japan via motorcycle. I learned to love the food, the history, and most of all, the people of this tiny but powerful nation.

I have been changed forever by my contact

From the Mailbag

with these unique people. In all the world, there is really no other culture quite like the Japanese. It would be difficult to describe in this brief letter, the depth of the discipline of the average Nihonjin (Japanese).

They are taught from their earliest youth, that personal honor, is to be placed above all else. To behave in a manner that might bring dishonor upon one's self, or especially one's family, would be unacceptable, and might even be grounds for ending one's life. Contrast that, with the "screw everyone else, I'm getting mine" attitude of the lower grade westerner.

As I watch the scenes of the broken and desolate Japanese who are wandering through the wreckage of their towns and villages, I notice there is no looting, or even emotional displays of self pity. Instead, they line up for whatever assistance is available, with no one even thinking of cutting in line to get theirs first. How different they are from us. When you look at the scenes from Hurricane Katrina, you are appalled at the despicable selfishness and criminality that pervaded the population of the area. Granted, there were many people who sought only to survive, and obey the law, but they were overshadowed by the animal like behavior of the welfare class.

Contrast that, with the disciplined, cooperative and selfless behavior of the people of north eastern Japan. As they pull together to survive and rebuild after this unbelievable disaster, you will see no film footage of the rape gangs and looting of Haiti, or New Orleans. You will only see a people acting in each other's best interests, because the people of Japan know something we don't: A house divided, cannot stand. Together, they will overcome all the adversity that comes their way. This is how they have survived against all that has befallen them. I must admit, they have an advantage that we do not possess. They have a common racial and cultural heritage. All of them, know that they are Japanese. They all share the same history. They will survive, because they are one, in culture, and in race. To save one's neighbor, is to save one's self.

In the end, our experiment in multiculturalism will fail.

From the Mailbag

Not because we are many in race, but because we are many in culture. In the early days of our nation, every immigrant who came here, understood that they had to immerse themselves into the common American culture. Now, we spend so much time and energy trying to empower our immigrants to keep the culture and history of their nations of origin, that what was once America, is turning into a montage of competing cultures, fighting for the biggest piece of the taxpayer's pie.

Again, a house divided cannot stand. Either we find our commonality as Americans, loving the freedoms that we gained from our Founders sacrifice, or we will surely perish as a divided and infighting nation, like the Balkans. We would do well to look long and hard at our Japanese cousins, and learn from their example.

Pastor: You may know by now but the Japanese had visited China and then told the Americans to close the base in Ohanwa (sp)...they have made an asian alliance. Then HAARP was fired up - don't know if the US HAARP made the earthquake - but someone did since that act would be a problem around the world. The current Nazi's knew about the weapons grade weapons at that site. If you don't know about them I have some researched materials for you. In the meantime... Japan has a lot of our \$, but it was a sneak attack...and the prayers may have something worse.

Notice the Japan quake closest big town is pronounced “*sin die*”. I laugh every time queer Anderson Cooper tries to pronounce it another way. Another sign from the Lord, Like “*Christchurch*” and the Bible says in 1 Peter 4:17 *For the time is come that judgment must begin at the house of God.* Also right after Branson last year, Albert’s pike in Arkansas was flooded killing about 20 people, and I told my son then that was end time sign since Albert Pike from Little Rock was the mason who planned the 3 world wars, and the Lord did that as an end time sign. I now look for a big one in queersville San Francisco. —

Pastor Peters is so right --

The snakes, their game is to kill Jacob. Pastor told the truth, just the way it is. The earthquake in Japan was still continuing through after shocks, and the radio and T.V. announcers are immediately telling about phone numbers to call to donate money to Japan.

"They" never did this for New Zealand/Christchurch when that country had a severe earthquake. Also, times are pretty tight right now for American families. Japanese aid isn't topping the list for expenditures. And look at the reports from Haiti. All the donated aid, and that country is still in ruins ! Obama has an anti-Caucasian, anti-Christian agenda, just like the Clintons had, too. Sincerely in Jesus...

I pray all is well out there. I don't get on the computer much these days, but I thought this was interesting...but not surprising. Sarah Palin is openly wearing the "star of David" or "star of Molech", and a key that some say is a kabbalah symbol. As I stated...not surprising at all. Kentucky

As much as Pastor Peters has spoken concerning tares I don't recall his bringing out the point that they are poisonous. Biologically, they are poisonous weeds. I'm sure he has learned of the poisonous nature of the other tares.

weeds (KJV: 'tares'), probably darnel (*Lolium tremulentum*), a somewhat poisonous weed looking very much like wheat during its earliest stages. As a result of the resemblance, early separation from wheat is nearly impossible. This is further complicated by the fact that the roots of the two intertwine (Matt. 13:29). In the interpretation of the parable of the 'tares' (Matt. 13:36-43) the weeds represent unbelievers intermixed with believers either within the church (cf. 'kingdom' in v. 41) or among the nations of the world (cf. v. 38). The parable teaches that ultimately judgment is a divine prerogative alone. The parable of the net makes the same point (Matt. 13:47-50).

April Prayer

End of the Age DAY OF THE LORD Prayer

The prayer for the month of April, 2011, is a prayer for the remnant and is to be prayed by the remnant. Isaiah 10 teaches us it is the remnant that escape the things to come in the Day of the Lord. Your pastor, Pastor Peter Peters, gives an expository lecture on this in the Scriptural Insight and Study of 4/3/2011, which is archived at the website scriptures-foramerica.org, and is available on DVD and CD. The passages teach of those who **ESCAPE** (Isaiah 10:20) **the "determined destruction"** (Isaiah 10:23).

And the light of Israel will become a fire and his Holy One a flame, And it will burn and devour his thorns and his briars in a single day. And He will destroy the glory of his forest and of his fruitful garden, both soul and body; And it will be as when a sick man wastes away. And the rest of the trees of his forest will be so small in number That a child could write them down. Now it will come about in that day that the remnant of Israel, and those of the house of Jacob who have escaped, will never again rely on the one who struck them, but will truly rely on the LORD, the Holy One of Israel. A remnant will return, the remnant of Jacob, to the mighty God. For though your people, O Israel, may be like the sand of the sea, Only a remnant within them will return; A destruction is determined, overflowing with righteousness.

For a complete destruction, one that is decreed, the Lord God of hosts will execute in the midst of the whole land. Therefore thus says the Lord God of hosts, "O My people who dwell in Zion, do not fear the Assyrian who strikes you with the rod and lifts up his staff against you, the way Egypt did. "For in a very little while My indignation against you will be spent, and My anger will be directed to their destruction." And the LORD of hosts will arouse a scourge against him like the slaughter of Midian at the rock of Oreb; and His staff will be over the sea, and He will lift it up the way He did in Egypt. So it will be in that day, that his burden will be removed from your shoulders and his yoke from your neck, and the yoke will be broken because of fatness.

Isaiah 10:17-27

Jesus told us to pray.

"But keep on the alert at all times, praying in order that you may have strength to escape all these things that are about to take place, and to stand before the Son of Man."

Luke 21:36

April Prayer

Jesus taught us to pray "*deliver us from evil*" in Matthew 6:13.

The prophet Habakkuk told of the end time one-world movement of the Chaldeans (Habakkuk 1), and made it known it was a future, end-time event (Habakkuk 2:3). Then, in Chapter three, he prays an end-time prayer.

A prayer of Habakkuk the prophet, according to Shigionoth. LORD, I have heard the report about Thee and I fear. O LORD, revive Thy work in the midst of the years, In the midst of the years make it known; In wrath remember mercy. Habakkuk 3:1-2

The prophet Joel also has a needed end-of-the-age prayer.

Let the priests, the LORD's ministers, Weep between the porch and the altar, And let them say, "Spare Thy people, O LORD, And do not make Thine inheritance a reproach, A byword among the nations. Why should they among the peoples say, 'Where is their God?'" Then the LORD will be zealous for His land, And will have pity on His people. Joel 2:17-18

Based on these Scriptures, here is the prayer for April, 2011.

Our Father, Who art in Heaven, hear and answer our prayer offered in the Name of Jesus Christ our King, Your Son. We claim and plead His blood over us, over our kinsmen, and over our country. Deliver us from evil, give us the strength to escape all of the things that are about to take place, and to stand before the Son of Man. We have heard the report about Thee and fear.

O LORD, revive Thy work in the midst of the years, in the midst of the years make it known; In wrath remember mercy. Spare Thy people, O LORD, and do not make Thine inheritance a reproach, a byword among the nations. Why should they among the peoples say, 'Where is their God?'. In Jesus' Name, Amen.
